How to Access Online Full Text in Discover

1. Click on the green "full text available" OR "online access" link.

2. You should see the link to the database that contains the resource in full text. Sometimes there will be more than one link listed, so be sure the Available from information underneath the link you plan to click on matches the publication information of the resource.

3. After you click on the link, you should be able to view the resource in full text.
