**Black, Albert Hamilton (1936– ). Manuscript, 1492–1985. 1 item.**

Tribal historian. A typewritten manuscript (circa 1985) by Albert Hamilton Black, transcribed and edited by Charles Howard Childress and Henry James Day, entitled "Ceremony of the Earth People," regarding the history and religious ceremonies of the Cheyenne and Arapaho Indians from the time of first contact with Europeans to the 1980s. The author details the procedures and appropriate time of each ceremony. The manuscript was not published.
