Map Collection #14: H. B. Bass

General:

1. North America. Map shows traditional homelands of Native American groups in conjunction with waterways and present-day political boundaries. The reverse side shows pre-Columbian archaeological sites in conjunction with relief and present-day political boundaries. Central America and Greenland are also included. Map contains text. Map is colored and measures 32" x 37". A supplement to *National Geographic*, v. 142, n.6 (December, 1972) Drawer 8605
2. United States and Canada. A colored map measuring 19" x 25" and showing "National Parks, Monuments, and Shrines of the United States and Canada." Also shown are cities, towns, larger political divisions, highways, waterways, and some topography. Includes index and text. The reverse side contains detailed maps of some major American National Parks. Scale 1:7,603,200. Copyright by The National Geographic Society, 1958. Drawer 8605
3. United States. A colored 19" x 25" map showing cities, towns, larger political divisions, highways, and waterways. Southern Canada, northern Mexico, and a portion of the West Indies are also included. Scale 1:7,603,200. Copyright by The National Geographic Society, 1961. Drawer 8605
4. United States. A colored outline map of the states showing presidential election statistics for the years 1960 and 1964. Also includes text and biographical information for past Presidents. Map measures 18" x 26". Copyright by Rand McNally and Company, 1968. Drawer 8605
5. United States. The railways of the Rock Island Lines are shown in conjunction with other railways, roads, waterways, cities, towns, states, and national public lands. The reverse contains a detailed map of the Rock Island system, as well as an inset showing Chicago interchanges. Map is colored and measures 20" x 31". Issued by Rock Island Lines, no date. Drawer 8605
6. California. A 17" x 21" colored map showing cities, towns, counties, highways, waterways, and some topographical features. Includes insets showing population density, economic products, vegetation, and the San Andreas Fault, Rand McNally and Company, circa 1940's. Drawer 8605
7. California. A colored map showing historic sites in conjunction with modern cities, towns, roads, and public lands. Insets show the locations of historic sites within major cities. The

Map Collection #14: H. B. Bass

- reverse identifies and describes sites keyed by number to map. Map measures 29" x 42". Copyright by The Automobile Club of Southern California, 1952. Drawer 8605
8. Colorado. An "Historical Map of Early Colorado with Portraits of Distinguished Leaders and Portrayals of Historic Events, Frontier Forts, and Pioneer Trails." Map is colored and measures 19" x 25". The State Historical Society of Colorado, 1949. Drawer 8605
 9. Colorado. A green on white map measuring 9" x 12". Shown are counties, county seats, and waterways. Undated. Drawer 8605
 10. Massachusetts. A black on white street map of "Old Cambridge in the Vicinity of Harvard University." Includes indices to streets and Harvard and Radcliffe Buildings. Map measures 11" x 17". Copyright by Phillips Brooks House Association, 1943. Drawer 8605
 11. Massachusetts. A colored map of Boston as it appeared around 1630 showing streets as well as pictographs of historic sites. The reverse is a pictographic map tracing the rides of Paul Revere. Map includes text and two pamphlets, and measures 17" x 21". Undated. Drawer 8605
 12. Massachusetts. A green on white map measuring 9" x 13" which shows streets and historic sites of Salem. Undated. Drawer 8605
 13. Mississippi. A black on white topographical map of the city of Vicksburg and the surrounding area, including the Vicksburg National Military Park. Map measures 17" x 22". Undated Drawer 8605
 14. Mississippi. A humorous pictographic map of the city of Natchez. Includes several drawings and notations. A hand-drawn, colored map measuring 19" x 25". Printed by Tom L. Ketchings Company, undated. Drawer 8605
 15. Missouri. A blueprint map measuring 14" x 14". Map shows historic Indian trails in conjunction with outlines of counties. Undated. Drawer 8605
 16. New York. A colored historical map, in pictographic form, measuring 17" x 22". Historical notes are also included on map. Copyright by Robert J. Seymour and Merritt L. Ryder, 1950. Drawer 8605
 17. Oklahoma and Indian Territory. A 12" x 16" colored map comprising part of a pamphlet. Map shows the various Indian nations, settlements, towns, waterways, and transportation routes. Includes vicinity map inset. Also included are photographs and text. Rand, McNally and Company, 1894, Reprint 1896. Drawer 8605
 18. Oklahoma. A 12" x 18" colored map of the historic Cherokee Strip which shows entry

Map Collection #14: H. B. Bass

- points, roads, railways and cattle trails. Points of historic interest are named, described, and keyed by number to map. Nine copies. Compiled by the Oklahoma Historical Society, undated. Drawer 8605
19. Oklahoma. A colored map measuring 13" x 20" originally part of a calendar. Cities, towns, counties, transportation routes, waterways, and some geographical features are indicated. The reverse contains a black on white Federal Highway Map. Copyright by J. W. Clement Company, undated. Drawer 8605
 20. Oklahoma. A black on white "Outline Map-Showing Percent of Increase or Decrease of Sales Tax Collections by Counties for the Month of July, 1948." Map measures 9" x 11". Drawer 8605
 21. Oklahoma. A 9" x 11" black on white map containing the same type of information as number 20 above, but "for the month of October, 1953." Also included is a sales tax report list. Drawer 8605
 22. Oklahoma. A black on white map measuring 9" x 11" and containing the same type of information as number 20 above, but "for the month of December, 1953." Also included is a sales tax report list. 1953. Drawer 8605
 23. Oklahoma. A 9" x 11" black on white map with the same type of information as number 20 above, but "for the month of January, 1954." Drawer 8605
 24. Oklahoma. A black on white map measuring 11" x 22" and showing reservoir projects in Oklahoma. Projects in various phases of construction are named, priced, and keyed by number to map. Selected cities and towns are also indicated. Oklahoma Planning and Resources Board, Division of Water Resources, undated. Drawer 8605
 25. Oklahoma. A black on white map of the Quail Creek subdivision of Oklahoma City. Shown are streets, home logs, and public recreation areas, as well as the roads surrounding the addition. Map measures 12" x 14". E. D. Hill, Jr., Engineer, undated. Drawer 8605
 26. Oklahoma. A colored map of "Eufaula Dam and Reservoir, Canadian River, Oklahoma." Map measures 15" x 18" and includes roads, streets, railways, towns, the lake, and the dam site. Insets include a vicinity map and a drawing of the dam. The reverse includes text and statistics. U. S. Army Engineer District, Tulsa, Corps of Engineers, revised November 1, 1960. Drawer 8605
 27. Tennessee. A brown on white map of Chattanooga "Street Map Showing Principal Points of Scenic, Historic, and Recreational Interest." Highways, waterways, and some geographical features are also shown. Map includes inset of the business section. The reverse side includes photographs and text describing possible tours. Map measures 19" x 22".

Map Collection #14: H. B. Bass

Published by Chattanooga, Incorporated, undated. Drawer 8605

28. Texas. A colored map measuring 17" x 22" and showing "Historical Homes and Buildings Throughout Texas." Map includes pictographs of historical homes and buildings, cities, towns, and highways. Text on reverse. By Humble Oil and Refining Company, undated. Drawer 8605
29. Georgia - Tennessee. A black on white five-page map showing the route from Chattanooga to Atlanta. Included are cities, towns, railways, waterways, and some geographical features. Maps measure 8" x 13". Undated. Drawer 8605
30. Kansas-Oklahoma-Arkansas. A colored "Multiple Purpose Plan for the Development of Arkansas River and Tributaries." Cities, towns, waterways, water navigation routes, locks and dams, and reservoirs in various stages of completion are included. Also included is a cross-section of navigation locks and dams. The reverse contains text and photographs. Two copies. Arkansas Basin Development Association, undated. Drawer 8605
31. New England. A colored map showing cities, towns, larger political divisions, transportation routes, waterways, geographical features, and historical notes. Map measures 29" x 35". Scale 1:760,320. Copyright by The National Geographic Society, 1955. Drawer 8605
32. Northwestern United States. A 19" x 25" colored map showing cities, towns, larger political divisions, transportation routes, waterways, and geographical features. By The National Geographic Society, 1960. Drawer 8605
33. Oklahoma and Texas. A blue on white "Preliminary Work Plan for Runoff and Waterflow Retardation and Soil Erosion Prevention, Sandstone Creek Watershed." Map also indicates towns, cities, schools, farm structures, roads, and political boundaries. A "Work Plan Summary" booklet is included. Map measures 17" x 19". Circa 1952. Drawer 8605
34. Southeastern United States. A colored map measuring 19" x 25" and showing towns, cities, larger political divisions, transportation routes, waterways, and geographical features. Three insets show details of the St. Petersburg-Tampa, Florida, Norfolk, Virginia, and Miami, Florida areas. Scale 1:2,851,200. Copyright by The National Geographic Society, 1958. Drawer 8605
35. Southwestern United States. A colored map measuring 24" x 34". Shown are towns, cities, larger political divisions, transportation routes, waterways, and geographical features. Scale 1:2,500,000. Copyright by The National Geographic Society, 1948. Drawer 8605
36. Southwestern United States. A black on white map constituting part of a pamphlet describing "The Great Meteor Crater of Arizona." Major cities and highways of the

Map Collection #14: H. B. Bass

Southwest are shown in relation to the crater. Includes cross-section view and photograph. Barringer Meteor Crater Company, undated. Drawer 8605

Civil War Maps:

37. Southeastern United States. A colored 19" x 22" map of "Civil War Historical Sites." Battles, monuments, homes, and buildings are indexed, dated, and keyed to map. Also shown are present-day towns, cities, and highways. The reverse side contains text and photographs. Copyright by the American Automobile Association, 1960. Drawer 8605
38. Southeastern United States. A colored, pictographic map measuring 28" x 41". The locations of battles and other major events of the war are described, dated, and keyed by number to map. Includes inset showing the same type of information in detail for Virginia. Copyright by Publisher's Creative Merchandisers, Incorporated, 1960. Drawer 8605
39. Southeastern United States. A colored 26" x 38" pictographic map showing "Campaigns of the Civil War." Includes routes of movements, notations on points of interest, text, and insets of northern Virginia battles, the Battle of Gettysburg, and a vicinity map. Two copies. Copyright by C. S. Hammond and Company, 1961. Drawer 8605
40. Southeastern United States. A 13" x 16" colored reproduction of a Civil War Centennial Map. Includes text. *Chicago Sunday Tribune* Magazine, March 26, 1961. Drawer 8605
41. Southeastern United States. A colored 13" x 21" map showing battle sites, advances, raids, victories, and draws. The Federal southward advance is indicated each year of the war. Includes text. *Sunday News*, April 9, 1961. Drawer 8605
42. Southwestern United States. A colored "Civil War Centennial" map showing present-day National Battlefield Sites, National Monuments, and other such areas open to the public. Also shown are cities, towns, highways, waterways, and some geographical areas. Points of interest are described and keyed to map by number. A second map on the same sheet shows the various states of the United States as being Union, Confederate, Border, or Free Territory. The reverse side contains numerous insets of various battlefields and text. Map measures 27" x 37". Seven copies. Distributed by Sinclair Oil Company. Copyright by Rand McNally and Company, undated. Drawer 8605
43. Southeastern United States. A 10" x 14" colored outline map of the states. Map shows the locations of Fort Sumter and Harper's Ferry, and includes text concerning the significance of these areas. The dates of secession of the Southern states are also given. Two copies. Undated. Drawer 8605
44. Alabama. A "Civil War Centennial" map showing "Federal Raids in Alabama." A colored pictographic map measuring 22" x 34". The reverse is the official highway map. Copyright by the Alabama State Highway Department, 1961. Drawer 8605

Map Collection #14: H. B. Bass

45. District of Columbia. A colored map of the Washington area showing battle grounds, forts, and other Civil War sites. A second map on the same sheet shows related sites within the old central Washington area. The reverse contains descriptions which are keyed by number to the maps. Map measures 19" x 27". By State Highway Department of Georgia, undated. Drawer 8605
46. Georgia. A colored "Civil War Centennial" map showing routes of major troop movements, battle sites, forts, railways of the period, and other points of interest which are described and keyed by number to map. Also included are present-day towns, cities, counties, roads, and highways. Map measures 22" x 34". By State Highway Department of Georgia, undated. Drawer 8605
47. Oklahoma. A colored Civil War Centennial map measuring 22" x 34". Map shows Civil War routes, encounters, massacres, forts, and other related points of interest. Present-day counties and waterways are also included. Map contains text and drawings. The reverse side is the official highway map. Six copies. Prepared for the Oklahoma Civil War Centennial Commission, 1963. Drawer 8605
48. Virginia. A colored "Civil War Centennial Map" showing National Battlefields and other related points of interest. Map includes pictographs and historical notes. Also shown are cities, towns, highways, and waterways. The reverse side is the Official Highway Map. Map measures 25" x 38". Virginia Department of Highways, 1965. Drawer 8605
49. Virginia. A colored street map of the city of Richmond as it appeared in the years 1861-65. Public areas and buildings as well as prominent residences are identified and keyed by number to map. Sections burned in the evacuation fire of 1865 are also indicated. Map measures 25" x 34". Two copies. Copyright by City of Richmond, 1961. Drawer 8605
50. Virginia. A colored map of the area around Richmond and Petersburg showing Federal and Confederate fortifications, battle sites, and Civil War roads, railroads, and other points of interest. Map measures 25" x 35". Copyright by City of Richmond, 1961. Two copies. Drawer 8605
51. Virginia-West Virginia-Maryland. A colored map measuring 17" x 24" and showing "Civil War Shrines in the Valley of History." Also shown are towns, cities, highways, and waterways. Points of interest are described and keyed to map by number. The reverse side contains a map of Civil War campaigns for the same area as described above. Text and photographs are also included. Six copies. Drawer 8605
52. Virginia. A booklet of sixteen pages with black on white plates showing "Troop Movements at the Battle of Cold Harbor, 1864." Book measures 12" x 18". Published by the Richmond Civil War Centennial Committee, undated. Drawer 8605

Map Collection #14: H. B. Bass

53. Pennsylvania. A colored relief "Map of the Battlefield of Gettysburg, Pa., July 1, 2, and 3, 1863." Map includes text and measures 13" x 20". Reprint, undated. Drawer 8605
54. Missouri-Kansas. A colored map of the battles of Westport, Big Blue, and other engagements in the area. Several maps comprise one sheet. Map measures 18" x 23". Two copies with booklets. Reprint, undated. Drawer 8605
55. Chatham Hill-Kennesaw Mountain. A black on white map measuring 9" x 12" Civil War sites for both areas are shown on two sides of one sheet, and are explained in accompanying text. Printed by the Kennesaw Mountain Historical Association, undated. Drawer 8605
56. Louisiana. An 11" x 11" blue on white map of the "Civil War Round Table." Forts Philip and Jackson, Venice, and Garden Island Bay are shown in conjunction with the surrounding terrain. Includes correspondence. Undated. Drawer 8605

Highway Maps:

United States

57. A colored map measuring 28" x 42" and showing towns, cities, highways, waterways, and some geographical features. National Parks and Monuments are indexed and indicated on map. Copyright by The National Geographic Society, 1956. Drawer 8605
58. A colored map featuring National Parks and Monuments, index, and text. Also shown are towns, cities, highways, and waterways. The reverse contains smaller maps showing various National Parks in detail. Map measures 25" x 32". Copyright by Rand McNally and Company. Distributed by Sinclair Oil Company. Circa 1950s. Drawer 8605
59. A 26" x 41" colored map showing towns, cities, highways, waterways, and public areas. Two copies. Copyright by American Automobile Association, 1960. Drawer 8605
60. A 34" x 52" colored "Recreational Map of the United States" showing National Parks, Monuments, Recreation Areas, and Forests, Wildlife Game Preserves, State Parks, and Indian Reservations. Towns, cities, and highways are also indicated. Scale 1:4,000,000. Copyright by Rand McNally and Company. Distributed by *This Week Magazine*, undated. Drawer 8605
61. A colored pictographic map showing and describing points of interest within the various states. Includes inset showing Greyhound and connecting bus routes for the nation. The reverse side contains text and photographs. Map measures 18" x 23". By Greyhound Lines. Undated. Drawer 8605
