Map Collection #20: Max L. Moorhead

1. Northeastern United States. A 26" x 41" colored map covering an area from southeastern Canada to eastern Illinois and south to Virginia. Map shows cities, towns, highways, public lands, and some geographic features with an inset of the Boston-Providence area. Scale 1:1,750,000. The National Geographic Society, 1945. Drawer 8608
2. South Central United States. A 24" x 29" colored map covering an area westward from the Mississippi River to New Mexico and including southern Kansas and northern Mexico. Map shows cities, towns, highways, and some geographical features. Scale 1:2,500,000. The National Geographic Society, 1947. Drawer 8608
3. Southeastern United States. A 27" x 30" colored map covering an area eastward from eastern Missouri and Arkansas to the Atlantic, and southward from southern Ohio and Delaware to the Gulf of Mexico, and including the Bahamas. Three insets show the littoral of Capt Hatteras and Norfolk, the lower Mississippi River, and the South Carolina-Georgia coastline. Scale 1:2,500,000. The National Geographic Society, 1947. Drawer 8608
4. Southwestern United States. A 24" x 34" colored map covering an area from eastern Kansas to the Pacific and southern Wyoming to northern Mexico. Cities, towns, highways, and some geographical features are shown. Scale 1:2,500,000. The National Geographic Society, 1948. Drawer 8608
5. Mexico and Central America. A 27" x 37" colored map covering an area from the southern United States to Honduras with an inset continuing southward to northern Colombia, and other insets of the Panama Canal Zone, Guadalupe Islands, and Revilla Bigedo Islands. Cities, towns, highways, and some geographical features are shown. Scale 1:3,500,000. The National Geographic Society, 1953. Drawer 8608
6. Mexico, Central America, and West Indies. A 24" x 41" colored map covering an area from the southern United States to northern Columbia with insets of major Caribbean Islands and Panama. Included are cities, towns, highways, and historical notes. Scale 1:5,702,400. Three copies. The National Geographic Society, 1939. Drawer 8608
7. Caribbean Islands. A 25~ x 41~ colored map covering an area from the southern United States to northern South America with insets of Puerto Rico, St. Thomas and St. John, St. Croix, Bermuda Islands, Trinidad, Jamaica, Cuba, Exuma, St. Lucia, Antigua, and the Panama Canal Zone. Scale 1:600,000. The National Geographic Society, 1947. Drawer 8608

Map Collection #20: Max L. Moorhead

8. South America. A 26" x 38" colored map showing cities, towns, early exploration routes, and some geographical features, and including insets of Airways and Relief, Precipitation and Temperature, Chief Natural Resources, and the Galapagos Islands. Scale 1:8,500,000. The National Geographic Society, 1937. Drawer 8608
9. Africa. A 29" x 32" colored map which also covers southern Europe and the Middle East with insets of Cape Verde Islands and airline distances. A text of geographical features and a mileage chart are included. Scale 1:11,721,600. The National Geographic Society, 1943. Drawer 8608
10. Bible Lands and the Cradle of Western Civilization. A 22" x 32" colored map showing Middle Eastern political divisions of 1946 with contemporary political notes in conjunction with Biblical travel routes and notes. Insets include Holy Land Today, Holy Land in Biblical Times, Route of the Exodus, St. Paul's Travels, The Crusades, and Jerusalem. Scale 1:4,000,000. The National Geographic Society, 1946. Drawer 8608
11. Europe and Near East. A 34" x 39" colored map which includes Europe, western Soviet Union, Near East, and northern Africa. Cities, roads, bodies of water, and some geographical features are shown and named using native languages. Includes inset of the Middle East. Scale 1:600,000. The National Geographic Society, 1943. Drawer 8608
12. China. A 27" x 37" colored map showing China with parts of bordering nations, Taiwan, and Japan. Cities, roads, railroads, relief, and Chinese walls and other ruins are included. Scale 1:7,000,000. The National Geographic Society, 1945. Drawer 8608
13. The Philippines. A 17" x 26" colored map of the islands showing roads, cities, and relief. Includes list of provinces and capitals, plus insets of Manila, Lingayen Gulf, and a vicinity map. Scale 1:3,000,000. The National Geographic Society, 1945. Drawer 8608
14. India and Burma. A 25" x 30" colored map that includes surrounding nations and the Bay of Bengal. Map shows roads, cities, and political divisions. Insets of Bombay and Calcutta are included, while the reverse contains a brown on white map of the "Political Subdivisions of India" with index. Scale 1:6,000,000. 15. Japan and Korea. A 26" x 37" colored map of the islands with insets showing various smaller islands, Formosa, Tokyo, and a Japan location map. Scale 1:3,000,000. The National Geographic Society, 1945. Drawer 8608
16. Southeast Asia. A 26" x 41" colored map covering an area from southern China and southern Japan to northern Australia, and eastward to the Solomon Islands. Includes numerous insets of islands and major cities. Scale 1:8,000,000. The National Geographic Society, 1944. Drawer 8608

Map Collection #20: Max L. Moorhead

17. Northern Hemisphere. An 18" x 19" colored transportation chart shown from point of view of the North Pole southward. Chart also shows roads, railroads, waterways, and mileages. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
18. Northern Hemisphere. A colored "Isobars and Prevailing Winds Chart" for the month of July measuring 18" x 19." Chart also shows cities distances, and includes a barometer scale. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
19. Northern Hemisphere. An 18" x 19" colored "Climactic Chart" indicating climactic zones. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
20. Northern Hemisphere. An 18" x 19" colored "Vegetation Chart" showing vegetation areas within the hemisphere. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
21. Northern Hemisphere. An 18" x 19" colored "Density of Population Chart" showing population per square mile. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
22. Northern Hemisphere. An 18" x 19" colored "Annual Precipitation Chart" indicating annual precipitation in inches. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
23. Northern Hemisphere. An 18" x 19" colored "Physical Relief Chart" showing elevation differences in feet. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
24. Northern Hemisphere. An 18" x 19" colored "Political and Time Chart" for the hemisphere. Scale 1:48,000,000. U. S. Army Fir Force, 1947. Drawer 8608
25. Northern Hemisphere. An 18" x 19" colored "Temperature Provinces and Ocean Currents Chart" showing areas of warm and cold ocean currents within the hemisphere. Scale 1:48,000,000. U. S. Army Air Force, 1947. Drawer 8608
26. Arizona. An 18" x 27" colored "Texaco Road Map" which includes an index of cities and towns, information concerning public areas, a Trans-continental Touring Map, and insets of Phoenix, Tucson, and National Parks and Monuments. The H. M. Gousha Company, 1963. Drawer 8608
27. Texas. A colored Phillips 66 Road Map measuring 18" x 27" with an index of counties, cities, and towns, and inserts of a map key and mileage, as well as the cities of Houston and Dallas/Fort Worth. Scale 1"=26 miles. The H. M. Gousha Company, no date. Drawer 8608
MISSING
28. Texas. An 18" x 27" Texaco Road Map having the same insets as number 27 above. Scale 1" x 26". The H. M. Gousha Company, no date. Drawer 8608

Map Collection #20: Max L. Moorhead

29. Texas Panhandle. A portion of a Texaco Road Map of Texas in two pieces which shows the Texas Panhandle, western Oklahoma and panhandle, and eastern New Mexico. Map measures 12" x 16". No date. Drawer 8608
30. Mexico, Puerto Rico, and Central America. A 15" x 22" colored Texaco Road Atlas of this portion of Latin America which includes insets of Mexico City and a Military Table. The reverse contains an index of points of interest, text concerning Mexico, photographs, and an inset showing the "Indians of Mexico." Scale 1" = 96 miles. No date. Drawer 8608
31. Mexico. A colored 27" x 37" map in Spanish which includes legend, index, distance table, and driving times between selected points, as well as insets of major Mexican cities. Scale 1" = 55 miles. Secretary of Public Works, 1966. Drawer 8608
32. United States. A colored 25" x 38" map which includes insets of Alaska, Hawaii, and selected major U. S. cities. Scale 1" = 82 miles. American Map Company, Inc., no date. Drawer 8608
33. Mexico City, Mexico. A 29" x 38" colored street map in Spanish. Department of Transport and Motorist, 1932. Drawer 8608
34. Columbia. A 23" x 33" colored map in Spanish showing roads, cities, towns, and larger political divisions. Includes a legend, and insets of San Andres and Province. Scale 1:2,500,000. Geographic Institute, 1950. Drawer 8608
35. Mexico, Central America, and the West Indies. A 35" x 46" colored map which also covers much of the United States, in less detail. Includes legend. Scale 1:5,000,000. American Geographical Society of New York, 1942. Drawer 8608
36. South America. A 35" x 46" colored map of southern South America which covers the southern portions of Chile, Brazil, and Argentina, and also includes the Falklands and other offshore islands. Scale 1:5,000,000. American Geographical Society, 1943. Drawer 8608
37. Southwest. A Rosewell Sectional Aeronautical Chart covering an area westward from Lubbock, Texas to Deming, New Mexico and northward from El Paso, Texas to Socorro, New Mexico. Chart is colored and measures 24" x 48". U. S. Scale 1:500,000. U. S. Coast and Geodetic Survey, 1944. Drawer 8608
38. Southwest. A Regional Aeronautical chart covering the Texas Panhandle, western Oklahoma, and southwestern Kansas westward through New Mexico and southern Colorado to eastern Arizona and southeastern Utah. Chart is colored and measures 32" x 47". Scale 1:500,000. U. S. Coast and Geodetic Survey, 1944. Drawer 8608
39. World. A 34" x 44" colored outline map of the world's nations showing "America's

Map Collection #20: Max L. Moorhead

- Commitment Abroad." Shows monetary, military, and manpower aid to selected foreign nations. Includes text and statistics concerning Peace Corps and military aid. Newsweek, 1967. Drawer 8608
40. New Mexico. A 17" x 22" pictograph map showing "Historical Trails Through New Mexico." Numerous points of interest for tourists are included. Reverse contains text. State Highway Department of New Mexico, no date. Drawer 8608
 41. New Mexico. A 17" x 22" colored "Recreational Map of New Mexico" in pictograph form. Includes assorted points of interest with descriptive text on reverse side. State Highway Department of New Mexico, no date. Drawer 8608
 42. New Mexico. A 16" x 21" colored "Official Road Map of New Mexico" which shows, in addition to towns, cities, and highways, the Indian Reservations, and national and state public lands. Includes index, mileage table, statistics, text, and photographs. Two copies. State Highway Department of New Mexico, 1951. Drawer 8608

Shows early missions, presidios, and settlements. From Harry Karns' maps and field notes. Arizona Silhouettes, 1954. Drawer 8608
 44. Territory of Arizona. A reproduction of an R. P. Kelley map showing the overland mail route, stations, forts, towns, unexplored areas, and some early county names. Map is brown on white and measures 17" x 28". Reprinted by R. Stickland, El Paso, Texas, no date. Drawer 8608
 45. Mexico. A 16" x 18" colored hand-drawn map of "Kino's Travels and Explorations in America 1681-1711. Based on a map by Bolton and DeBeeson." Shows exploration routes and settlements within Mexico and the southwestern United States. No date. Drawer 8608
 46. Western Hemisphere. A 13" x 20" map which shows the "Spanish Exploration of America" in a Chronological order. Includes outline and text. No date. Drawer 8608
 47. A 14" x 16" black on white photo map of an early presidio site of unknown location. Original is dated 1767. Drawer 8608
 48. Caribbean. A 9" x 13" black on white photocopy of an early, circa 17th Century, French map showing coastal and island names in French. Drawer 8608
 49. Caribbean. Two 14" x 19" photocopies of the same map as number 48 above. Black on white. Drawer 8608

Map Collection #20: Max L. Moorhead

50. An 11" x 18" black on white photocopy of an early Spanish Map of an unknown location. Original dated 1774. Drawer 8608
51. Texas. An 8" x 14" positive xerox portion of a "Map of Texas and Adjacent Regions" showing the locations of Indian tribes and towns, presidios, and missions. No date. Drawer 8608
52. Rio Grande. An 8" x 14" positive xerox portion of an early Spanish map showing Indian locations and colonial provinces. No date. Drawer 8608
53. Mexico. A 7" x 9" colored reproduction of an early Spanish map by Baptiste Agnese which includes present-day southwestern United States. No date. Drawer 8608
54. Southwest. An 8" x 11" black on white map showing the Location of Indian tribes on the Spanish Frontier during the 18th Century. No date. Drawer 8608
55. Southwest. An 8" x 14" positive photocopy of a hand-traced map of northern Mexico and Texas showing presidios and settlements. Taken from a 1947 National Geographic Society map. Scale 1:6,000,000. Drawer 8608
56. Spanish California. A 32" x 46" colored map showing presidios, missions, pueblos, ranches, and exploration routes. Includes points of interest with text. Automobile Club of Southern California, 1956. Drawer 8608
57. Spanish Frontier. An 8" x 11" positive photocopy of two maps showing the frontier presidio line in 1765 and again in 1776. Taken from "The Presidio and the Borderlands: A Case Study" in the *Journal of the West*, no date. Drawer 8608
58. California. An 8" x 11" black on blue reproduction showing the lower left portion of map number 43 above. Drawer 8608
59. California. A 4" x 7" photocopy showing the California coastal area from San Diego to San Francisco with early settlements, missions, and presidios shown and named. Waterways are also included. From Font's map, 1776. Drawer 8608
60. Plains. A 5" x 6" photocopy showing Pedro Vial's three principle trips through the central and southern Plains in 1786, 1788-89, and 1792-93. Drawer 8608
61. New Mexico. A 7" x 9" photocopy of a portion of "New Mexico 1600-1700" showing the location of Indian tribes and Spanish settlements. Waterways are included. Drawer 8608
62. California. A 6" x 8" reproduction of the map "Passo Por Tierra Ala California", showing the peninsularity of California. Included are missions and presidios along the Gulf of

Map Collection #20: Max L. Moorhead

- California. The 1684 route of Kino and Atondo is shown in color. Includes explanatory text. Original by Euselico Kino, 1701. Drawer 8608
63. Mexico. A 7" x 9" photocopy of "The Field of Operation of Hernando de Santaren S.J.: 1594-1616" along the Mexican coast. Rivers and Spanish settlements are included. C. M. McShane, 1939. Drawer 8608
64. *Atlas of Latin America*, by Max Moorhead, 1939. A series of thirteen maps with legends drawn and colored on base maps and placed in a 12" x 18" booklet. Some include text. Drawer 8608.
- I. "Spanish Trans-Isthmian Projects in Mexico."
 - II. "Relief Map of the Caribbean Area."
 - III. "Relief Map of South America."
 - IV. "Climactic Map of the Caribbean Area."
 - V. "Climactic Map of South America."
 - VI. "Vegetation Map of the Caribbean."
 - VII. "Vegetation Map of South America."
 - VIII. "Linguistic Map of the Aboriginal Caribbean."
 - IX. "Linguistic Map of the Aboriginal South America."
 - X. "Population Map of the Caribbean Area."
 - XI. "Population Map of South America."
 - XII. "Economic Map of the Caribbean Area."
 - XIII. "Economic Map of South America."
65. Southwest and Mexico. Twenty-seven hand-drawn maps of the trail from Santa Fe to Chihuahua. Some show the trail from Santa Fe to Paso del Norte, others from Paso del Norte to Chihuahua. The Durango-Mexico City road is shown on one map while another shows the Independence-Santa Fe trail. Finally, one map shows several trails throughout the above mentioned areas. Varying sizes and dates. Drawer 8608
66. Mexico. A 14" x 18" map of the "Presidios of Mexico, 1570-1600" which also shows the locations of settlements, towns, and waterways. Includes tracing paper copy. No date on map. Drawer 8608
67. Mexico. A 14" x 18" map of the "Presidios of Northern New Spain: 1600-1700." Includes northern Mexico and parts of the American Southwest. Cities, towns, and villages are also shown. Drawer 8608
68. Mexico and Southwest. A 14" x 18" map of "The Northern Provinces of New Spain: 1700" that includes provinces, major cities, and rivers. No date for map. Drawer 8608
69. Mexico and Southwest. A 14" x 18" map of "The Presidios of Northern New Spain" which also shows towns, cities, villages, rivers, and the present United States-Mexican border. No

Map Collection #20: Max L. Moorhead

date for map. Drawer 8608

70. Mexico and Southwest. A 14" x 18" map of "The Presidios of Northern New Spain: 1772-1800" showing temporary and permanent presidios, cities, towns, villages, and rivers. No date for map. Drawer 8608
71. Mexico and Southwest. Four 14" x 18" rough copies of the above four maps done on base maps. No dates. Drawer 8608
72. North America. A 24" x 38" "Physiographic Diagram of North America" covering Greenland, Iceland, North, Central, and northern South America, and including insets of the Aleutian Islands. Cross sections, a list of physiographic divisions, and suggestions for use re given. The reverse shows the "Physiographic Provinces of North America". Two black on white copies. The Geographical Press, Columbia University, New York, 1948. Drawer 8608
73. Mexico. A black on white 28" x 41" "Landforms of Mexico" map showing cities, towns, roads, and railroads in addition to physiographic information. Includes insets of Physiographic Provinces, States, and Territories and an explanation of physiographic symbols used. Text explains physiographic provinces. Prepared for Geographical branch of the Office of Naval Research by Erwin Raisz, Cambridge, Massachusetts, second edition, 1964. Later hand-drawn additions show early Spanish presidios and related information. Three copies. Drawer 8608
74. Hand-drawn manuscript maps of various sizes done on tracing paper. Maps pertain to the books written by Dr. Moorhead, mostly from the *Presidio* work, and deal with northern Mexico and the southwestern United States. The eight published maps that resulted from these efforts are also contained herein. No date. Drawer 8608
