Map Collection #21: J. W. Morris

1. Oklahoma. A blue on white 23" x 40" base map showing waterways, existing reservoirs, and proposed sites for new reservoirs, with statistics for the latter. Also shows towns, cities, counties, and railroads. Includes a same size printer's negative, as well as a second copy measuring 15" x 26", and being blue on white. Scale 1:500,000. USGS, no date. Drawer 8608
2. Oklahoma. A 13" x 24" printer's negative and overlay showing only the outline and natural waterways of the state with no names given. Also includes a larger overlay measuring 19" x 36". No date. Drawer 8608
3. Oklahoma. A 9" x 12" printer's negative showing Oklahoma rivers, lakes, and reservoirs with names. The locations of some cities are shown. No date. Drawer 8608
4. Oklahoma. A 15" x 30" printer's negative showing early exploration routes from Wilkinson in 1806 to Fowler in 1821. Waterways are also shown. No date for map. Drawer 8608
5. Oklahoma. A printer's negative measuring 15" x 30" showing waterways and early exploration routes from Irving in 1832 to Marcy in 1853. No date for map. Drawer 8608
6. Oklahoma. A 9" x 16" negative copy showing the areas of the Five Civilized Tribes and the principal towns. Includes rivers, state and tribal boundaries, and data concerning the dates of establishment of the tribal nations. No date. Drawer 8608
7. Oklahoma. Outline map of the state and counties with no names shown. Includes one blue on white copy, two printer's negatives, and one overlay. Sizes are circa 12" x 20". No dates. Drawer 8608
8. Oklahoma. A 16" x 29" printer's negative outline map of the state and counties showing meridian lines. No date. Drawer 8608
9. Oklahoma. A 23" x 29" black on white outline map of the state and counties, with counties named. Also shows meridians. No date. Drawer 8608
10. Oklahoma. A 10" x 13" printer's negative outline map of the state showing counties and county seats; and a 6" x 9" printer's negative of same. No date. Drawer 8608
11. Oklahoma. An 11" x 17" printer's negative map showing towns, highways, and topography of the state with an inset showing the dimensions of the state in miles. OGS, circa 1972. Drawer 8608

Map Collection #21: J. W. Morris

12. Oklahoma. A yellow toned 13" x 24" "Historical Interest" map showing exploration routes, areas of the Five Civilized Tribes, extinct and extant settlements, towns, and cities, and modern counties. Other points of interest are included. Oklahoma Natural Gas Company, 1956. Drawer 8608
13. Oklahoma. A blue on white base map measuring 16" x 32", and showing towns, cities, roads, railways, rivers, and meridians. Red pencil markings show 18th Century French exploration routes. Scale 1:500,000. Base map from USGS, 1952. Drawer 8608
14. Oklahoma and Indian Territory. A 16" x 32" base map showing the same general information as base map number 13 above. In addition, colored pencil drawings outline the areas of the Five Civilized Tribes while showing trading posts, forts, and settlements for the period 1830-1855. Scale 1:500,000. Base map from USGS, 1952. Drawer 8608
15. Oklahoma and Indian Territory. A 16" x 32" blue on white base map showing the same general information as base map number 13 above. In addition, red pencil drawings indicate the locations of schools and academies in Indian Territory for the period 1840-1910. Scale 1:500,000. Base map from USGS, 1952. Drawer 8608
16. Oklahoma and Indian Territory. A 16" x 32" blue on white base map showing, in addition to the general information in base map number 13 above, colored pencil drawings denoting different tribal locations, No Man's Land, Unassigned Lands, and Greer County. Map covers the approximate period 1866-1889. Base map is USGS, 1952. Drawer 8608
17. Oklahoma. A 16" x 32" blue on white base map showing the same general information as base map number 13 above. Map also includes colored pencil drawings of cattle trail routes across the Territory. Specifically, the Chisholm, Great Western (Texas), East Shawnee, and West Shawnee Trails are shown during the approximate period of the 1870's. Base map from USGS, 1952. Drawer 8608 [Sent for digitization 5/15/2019]
18. Oklahoma. A 21" x 41" positive overlay showing an outline of the state with pre-statehood counties, townships, and waterways marked. All are unnamed. No date. Drawer 8608
19. Oklahoma Panhandle. An 18" x 24" black on white map showing the three counties, major towns, rivers, and railroads. Only towns are named. No date. Drawer 8608
20. Cheyenne-Arapaho area. A 19" x 28" printer's negative showing the areas claimed by these groups during allotment. No names. No date. Drawer 8608
21. Oklahoma and Indian Territories. A 25" x 27" colored map showing "The Territory in March of 1889" including township and county boundaries, towns, rivers, railroads, and cattle trails. Drawer 8608
22. Seminole Nation. A printer's negative measuring 8" x 16" and showing schools, towns,

Map Collection #21: J. W. Morris

- ivers, and railways. No date. Drawer 8608
23. Seminole County, Oklahoma. A 17" x 28" toned copy showing the locations of roads, railways, political boundaries, recreation and conservation areas, public buildings, and points of interest. Emahaka Academy and Spring Baptist Church are marked with red pencil. Insets show several settlements and a location map. Oklahoma Department of Highways, 1950. Drawer 8608
 24. Iowa, Sac and Fox, Kickapoo, and Pottawatomie Nations. An 8" x 16" printer's negative showing national boundaries, agencies, settlements, and rivers. No date. Drawer 8608
 25. Osage Nation or County. A 12" x 13" printer's negative showing settlements, towns, rivers, the St. Louis School for Girls, and the St. John's School for Boys. Includes location map. No date. Drawer 8608
 26. Chickasaw Nation. Two printer's negatives measuring 15" x 16" which show towns, academies, rivers, creeks, and the Chisholm Trail. A location map is also included. No date. Drawer 8608
 27. Cherokee Nation. Two printer's negatives measuring 10" x 12" and 17" x 22" which show towns, rivers, creeks, and rivers. The smaller American Indian nations of northeast Oklahoma are also included. Also has location map. No date. Drawer 8608
 28. Northeast Oklahoma Indian Nations. An 11" x 13" printer's negative showing American Indian allotments in the northeast corner of the present state. Represented are the Peorias, Quapaws, Shawnee, Wyandotte, and Seneca. Includes location map. No date. Drawer 8608
 29. Keefeton Quadrangle, Oklahoma. A 17" x 21" colored topographic map which also shows towns, cities, railways, and waterways. Includes an 8" x 13" negative blow-up showing the southeast corner of the larger map. 15 minute series. Scale 1:62,500. USGS, 1950. Drawer 8608
 30. Three Forks Area of Oklahoma. A printer's negative measuring 17" x 20" which shows the locations of waterways and possibly settlements. Nothing is identified. No date. Drawer 8608
 31. Indian Territory. A negative 9" x 16" map covering the area of the Five Nations and the smaller northeastern nations. Shown are national capitals, railways and rivers. Also includes location map. No date. Drawer 8608
 32. Indian Territory. A 9" x 11" black on white map showing the counties of that Territory, most of which were not retained after statehood. Includes location map. No date. Drawer 8608

Map Collection #21: J. W. Morris

33. Choctaw Nation. A negative 12" x 17" map and a negative 21" x 26" map of the present-day Oklahoma-Arkansas border area showing the four boundaries of the Choctaw Nation during the period 1820-1828. Also includes towns, missions, forts, and rivers. Drawer 8608
34. Oklahoma-Arkansas. A 24" x 36" hand-drawn map on two pages of "The Territory Originally Assigned to `Cherokee Nation' of Indians West of the Mississippi." Also, the territory occupied or owned by the group at the time of the map is shown. Includes significant points. From the 5th Annual Report, BAE, 1887. Drawer 8608
35. Southeast Oklahoma-Southwest Arkansas. A 25" x 42" blue on white map showing townships, counties, and some county seats. No date. Drawer 8608
36. Oklahoma-Arkansas. Two circa 11" x 15" printer's negatives each containing two maps. One shows the boundary from Ft. Smith southward to the Red River, while the second shows the river system within that area. Nothing is indicated on the larger printer's negative. Surveyed by James S. Conway, 1825. Drawer 8608
37. Oklahoma City, Oklahoma. A blue on white map measuring 25" x 25" which shows streets, roads, additions, annexations, city boundaries, sections, and waterways. Oklahoma City Engineering Department, 1960. Drawer 8608
38. Oklahoma City, Oklahoma. A 14" x 17" negative copy of the metropolitan area showing major streets, suburban areas, wards, county and city boundaries, airports, public buildings, and existing and proposed highways. Circa 1960. Drawer 8608
39. Oklahoma City, Oklahoma. A 24" x 39" black on white map which is "A Map of Areas Annexed by Municipalities in Six Oklahoma Counties." Shows city and county boundaries with disputed and unincorporated areas included. No date. Drawer 8608
40. Oklahoma City, Oklahoma. Two circa 10" x 14" printer's negatives Oklahoma City subdivisions, outlying towns, lakes, rivers, and highways. No date. Drawer 8608
41. Tulsa, Oklahoma. A 12" x 12" printer's negative showing the City of Tulsa, subdivisions, outlying towns, highways, reservoirs, and the Arkansas River. No date. Drawer 8608
42. Arkansas River. A "Multiple Purpose Plan for the Development of Arkansas River and Tributaries." This 17" x 21" colored map shows existing and proposed reservoirs along the Arkansas River. C. Spurlock, 1970. Drawer 8608
43. Oklahoma. A 17" x 56" black on white map of north central Oklahoma covering the area between the Cimarron and North Canadian Rivers. Map shows townships, towns, railways, rivers, and the Sac and Fox Agency. No date. Drawer 8608
44. Choctaw Nation. An 8" x 11" black on white photocopy showing districts, counties, and

Map Collection #21: J. W. Morris

- their capitals. Location map inset incorrectly places the Nation in the northeast part of the present state of Oklahoma, the correct position being in the southeast portion of same. No date. Drawer 8608
45. Choctaw Nation. An 8" x 11" photocopy showing towns, roads, railways, and rivers within the Nation. Includes location map. No date. Drawer 8608
 46. Northwest Oklahoma. An 8" x 11" black on white photocopy showing counties, cities, towns, and populations for fifteen northwest counties. Circa 1970. Drawer 8608
 47. Northeast Oklahoma. A 13" x 18" black on white map showing counties, cities, towns, and populations for the northeastern section of the state. Circa 1970. Drawer 8608
 48. Oklahoma. A 9" x 12" printer's negative and 10" x 16" positive showing the "Generalized Geology of Oklahoma" and including a key to symbols used. No date. Drawer 8608
 49. Oklahoma. A 9" x 11" printer's negative showing the locations of coal, grass land, lead and zinc, gypsum, limestone and dolomite, and salt deposits within the state with reference to county outlines. No date. Drawer 8608
 50. Oklahoma. A printer's negative measuring 9" x 11" and showing the locations of various types of major aquifers within the state. No date. Drawer 8608
 51. Oklahoma. An 8" x 15" printer's negative showing various types of grasslands, savannah/woodlands, and forests within the state. Includes county outlines for reference. No date. Drawer 8608
 52. Oklahoma. An 8" x 15" printer's negative showing predominant agricultural crops and grazing lands within the state. Includes county outlines and names. No date. Drawer 8608
 53. Oklahoma. A black on white map measuring 11" x 17" and showing the "Average Date of Last Killing Frost in Spring" for the state by using contour lines. County outlines are included. No date. Drawer 8608
 54. Oklahoma. An 11" x 17" black on white map showing the "Average Date of First Killing Frost in Fall" and the state by the use of contour lines. Includes county outlines. No date. Drawer 8608
 55. Oklahoma. An 11" x 17" black on white map showing the "Average Length of Growing Season" for the state by the use of contour lines. County outlines are included. No date. Drawer 8608
 56. Oklahoma. An 18" x 24" printer's negative of a base map of the state showing meridians, townships, counties, cities, towns, railways, and bodies of water. Scale 1:500,000. USGS,

Map Collection #21: J. W. Morris

1952. Drawer 8608

57. Montana. A 30" x 33" colored topographical map of the Waterton-Glacier International Peace Park along the northern Montana-southern Alberta border. Includes explanation of symbols used. Scale 1:125,000. USGS, 1966. Drawer 8608
58. United States. A negative 13" x 17" map showing the position of Oklahoma with respect to the other states and the nation. Also, Native American groups are listed with respect to their traditional homelands. Latitude and longitude are shown. A second copy measures 9" x 13". No date. Drawer 8608
59. United States. A negative 13" x 16" copy showing the position of Oklahoma with respect to the other states and the nation. No date. Drawer 8608
60. United States. A blue on white copy plus a printer's negative measuring circa 17" x 25" and being "A Distribution Map of American Indians in 1950." Shows population in increments of fifty individuals by selected neighboring cities. Drawer 8608
61. United States. A 20" x 31" colored contour map with names of Native American groups penciled in by their traditional homelands. Scale 1:7,000,000. USGS, 1957 reprint of 1916 edition. Drawer 8608
62. United States. Eleven 25" x 40" maps with four copies being blue and black on white, and seven copies being black on white. Maps show boundaries and names of states and their constituent counties, or parishes. Includes insets of Alaska and Hawaii showing the same information as above. A third inset is a location map of the United States within North America. Bureau of the Census, 1960. Drawer 8608

While many of the above maps are published in the *Historical Atlas of Oklahoma* by Morris, et al, the following is a series of maps used by the printers and publishers for incorporation into Dr. Morris' book *Ghost Towns of Oklahoma*, 1977.

63. "Ghost Towns of Oklahoma." A 17" x 34" blue on white map showing the locations of Oklahoma ghost towns. Locations are number keyed to names listed on an accompanying sheet. The period covered is 1858-1935. Includes text. Jim Shipley, 1966. Drawer 8608
64. Oklahoma Panhandle. A 22" x 26" printer's layout with smaller printer's negative showing counties, county seats, roads, and ghost towns of the panhandle. No date. Drawer 8608
65. Northwest Oklahoma. A 19" x 20" printer's layout with smaller printer's negative showing counties, county seats, roads, lakes, and ghost towns within the northwest portion of the state. No date. Drawer 8608

Map Collection #21: J. W. Morris

66. North Central Oklahoma. A 20" x 20" printer's layout with smaller printer's negative showing counties, county seats, roads, lakes, and ghost towns within the north central portion of the state. No date. Drawer 8608
67. Northeast Oklahoma. A 20" x 22" printer's layout plus smaller printer's negative showing counties, county seats, roads, lakes, and ghost towns within the northeast portion of the state. No date. Drawer 8608
68. Southeast Oklahoma. A 20" x 21" printer's layout plus smaller printer's negative showing counties, county seats, roads, lakes, and ghost towns within the southeast portion of the state. No date. Drawer 8608
69. South Central Oklahoma. A 17" x 21" printer's layout with smaller printer's negative showing counties, county seats, roads, lakes, and ghost towns within the south central portion of the state. No date. Drawer 8608
70. Southwest Oklahoma. A 15" x 18" printer's layout with smaller printer's negative showing counties, county seats, roads, lakes, and ghost towns within the southwest portion of the state. No date. Drawer 8608
71. Eschite, Oklahoma. A 17" x 22" black on white original land, loans, and insurance promotional map, with the printer's negative, showing streets and home lots. Distributed by M. A. Wert. No date. Drawer 8608
72. Kaw City, Oklahoma. A 22" x 46" printer's layout with two printer's negatives. Streets are shown, while individual businesses are named. Town is shown as it appeared in 1924. Drawer 8608
73. Eagletown, Oklahoma. A 19" x 21" printer's layout plus printer's negative contrasting "Old" and "New" Eagletown and nearby settlements. Shown are residences, the church, the school, the railway, the river, trails, and geographical features. No date. Drawer 8608
74. Cherokee Town and Cherokee Crossing, Oklahoma. A 21" x 23" printer's layout, with two negatives, labeled "Township 3 North, Range 1 East." Map shows the locations of the two locales in conjunction with local creeks, fields, forests, and trails. No date. Drawer 8608
75. Francis, Oklahoma. A 19" x 24" printer's layout with printer's negative showing streets, railway, depot, and individual buildings and businesses as they appeared in 1915. Drawer 8608
76. Slick, Oklahoma. A 19" x 24" printer's layout plus printer's negative showing streets, railway, oil well, and individual buildings and businesses as they appeared in 1923. Drawer 8608

Map Collection #21: J. W. Morris

77. Talala, Oklahoma. A 19" x 24" printer's layout with printer's negative showing streets, railway, depot, public buildings, and individual businesses as they appeared in 1898. Drawer 8608
78. Alderson, Oklahoma. A 19" x 24" printer's layout showing streets, public buildings, and individual businesses as they appeared in 1904. Drawer 8608
79. Berwyn, Oklahoma. A 19" x 24" printer's layout with printer's negative showing streets, railway, depot, public buildings, and individual businesses as they appeared in 1903. Drawer 8608
80. Lehigh, Oklahoma. A 19" x 24" printer's layout with printer's negative showing streets, railway, depot, public buildings, and individual businesses as they appeared in 1899. Drawer 8608
81. Sulphur Springs, Oklahoma. A 19" x 24" printer's layout with printer's negative showing streets, creeks, public buildings, and individual businesses as they appeared in 1900. Drawer 8608
82. Gray Horse, Oklahoma. A 19" x 24" printer's layout plus printer's negative showing streets, residences, public buildings, individual private businesses, the U. S. Indian Trading Service, and the U.S. Trading Service. Town is shown as it appeared in 1901. Drawer 8608
83. Addington, Oklahoma. A 19" x 24" printer's layout with printer's negative showing streets, railway, public buildings, and individual businesses. Many buildings are indicated to be vacant. Town is as it appeared in 1904. Drawer 8608
84. Devol, Oklahoma. A 19" x 24" printer's layout plus printer's negative showing the streets, public buildings, and individual businesses of 1919. Drawer 8608
85. Hanson, Oklahoma. A 19" x 24" printer's layout with printer's negative showing streets, railway, depot, section house, and individual businesses as they appeared in 1896. Drawer 8608
86. Foss, Oklahoma. A 19" x 24" printer's layout and printer's negative showing streets, railway, depot, public buildings, and individual businesses as they appeared in 1904. Drawer 8608
87. Tuskahoma, Oklahoma. A 19" x 24" printer's layout with printer's negative showing the Kiamichi River, streets, railway, depot, public buildings, and individual businesses as they appeared in 1899. Drawer 8608
88. Ingalls, Oklahoma. A 15" x 20" printer's layout with printer's negative showing a monument and two murder sites. Streets, public buildings, and individual businesses are shown as they appeared in 1893. Drawer 8608

Map Collection #21: J. W. Morris

89. Mayes, Oklahoma. A 20" x 24" printer's layout accompanied by a printer's negative, which shows residences, public buildings, individual businesses, the Military and Government Road, Sallisaw Creek, and the "whipping tree." Town is shown as it appeared in 1894. Drawer 8608
90. Cross, Oklahoma. A 19" x 24" printer's layout and two printer's negatives showing streets, railway, depot, public buildings, including school, and individual businesses as they appeared in 1894. One negative incorrectly shows Main and its parallel streets running east and west. Drawer 8608
91. "Plat of Old Boggy Depot", Oklahoma. A 9" x 12" printer's negative showing roads, residences, individual businesses, points of interest, and public buildings. The latter includes a church and a school. Locale is as it appeared during the period 1865-74. Muriel H. Wright, no date for map. Drawer 8608
92. Silver City, Oklahoma. An 8" x 11" printer's layout and negative in pictograph form showing roads, residences, the school, and other individual buildings, cemetery, and the Chisholm Trail. Distances between buildings are also shown. Town is as it appeared in 1889. J. C. Malcolm, no date for map. Drawer 8608
93. Sac and Fox Agency. A 9" x 14" printer's layout and negative showing roads, the mission, "Boot Hill," and individual residences, businesses, and public buildings. Type of material used in the construction is indicated for individual buildings. Agency is shown as it appeared in 1889. Bob Dupree, no date for map. Drawer 8608
94. "Map of Park Hill, Before the Civil War." A 9" x 12" printer's negative in pictograph form showing section and sub-section boundaries, roads, the Illinois River, individual residences, businesses, and public buildings. The latter include the John Ross home, and the Cherokee Women's Academy. No date for map. Drawer 8608
95. Corbett, Oklahoma. A 7" x 14" positive copy of a pictograph entitled "Early America." Includes a printer's negative. Shown are streets, individual businesses, the church, and the surrounding countryside. Robert G. Campbell, no date. Drawer 8608
96. Frisco, Oklahoma. A 22" x 31" hand-drawn map, and a 25" x 42" printer's copy. The maps show streets, Public Park, and School Reserve as they appeared in circa 1895. Drawer 8608
97. Frisco, Oklahoma. A 25" x 41" printer's layout covering the same area, and containing the same information as 96 above. No date for map. Drawer 8608

End *Ghost Towns of Oklahoma* maps.

Map Collection #21: J. W. Morris

98. Venezuela. A 30" x 43" blueprint "Sketch Map of the Manao Iron Ore Region." Shows ore deposits, railways, waterways, and islands. Those islands which are submerged during the rainy season are so indicated. Three tabular insets contain statistics concerning the ore deposits. Scale 1:50,000. No date. Drawer 8608
99. Physiographic Diagram of the United States. 1957. Drawer 8608
100. Map of the Old Spanish Trail. Drawer 8608
101. Washita River in Louisiana. 1804. Drawer 8608
102. Russian discoveries on the northwest coast of America. n.d. Drawer 8608
103. Historical Map of the Essex frontier. n.d. Drawer 8608
104. Old Spanish Trail and Santa Fe Trail. n.d. Drawer 8608
105. Onate's route to the Kingdom of Quivira, 1601. Drawer 8608
106. Pony express route April 3, 1860 to October 24, 1861. Drawer 8608
107. Old Santa Fe Trail, 1896. Drawer 8608
108. Arizona's lost mines, ghost towns, forts. 1966. Drawer 8608
109. Union Pacific Railroad (Las Vegas, Hoover Dam, Lake Mead area). 1962. Drawer 8608
110. Oil and gas producing areas in Oklahoma. 1928. Drawer 8608 [[Digitized 300dpi jpg, 10/2014](#)]
111. Native American tribes of North America. Drawer 8608
112. Ghost town map of New Mexico. 1968. Drawer 8608
113. Cimarron County, Oklahoma. Drawer 8608
114. Old Oregon Trail. n.d. Drawer 8608
115. Distribution of North American Indians, 1950 distribution of descendants of the Aboriginal population of Alaska, Canada, and U.S. Drawer 8608
116. Prehistoric irrigation canals, Gila River Valley. Drawer 8608
117. Indians of the United States. 1944. Drawer 8608

Map Collection #21: J. W. Morris

118. Civil War map. 1956. Drawer 8608
119. City of Old Philadelphia. 1952. Drawer 8608
120. Chisholm Trail; reverse side shows Western or Dodge City Trail. n.d. Two copies. Drawer 8608
121. Santa Fe Trail. 1946. Drawer 8608
122. Navajoland, U.S.A. 1960. Drawer 8608
123. Trail of Lewis and Clark, 1804-1806. 1945. Drawer 8608
124. Plantations on the Mississippi River, 1858. 1965. Drawer 8608
125. Southwestern United States. 1940. Drawer 8608
126. Old Oregon Territory, 1848. Drawer 8608
127. Mapa de los Estados Unidos de Mejico, 1847. Photocopy. Four parts. Drawer 8608
128. Oklahoma. Plastic county outline map. Black and clear. Drawer 8608
129. Treasure Hunter's Map of Oklahoma. Drawer 8608
130. Bartlesville, Oklahoma. Settlement to statehood. 1870-1907. Drawer 8608
131. Oil map of Texas. n.d. Drawer 8608
132. Assinboine (Assiniboin) and Crow Indian roaming areas, land cessions and reservations in North Dakota and Montana. 19" x 24". Drawer 8608
133. Clallam Indians location in Washington. 14" x 17". Drawer 8608
134. Blackfoot Indian territory ceded 1855-1888. Reservation lands in Montana. 14" x 17". Drawer 8608
135. Cayuse Indian roaming area, 1750; land ceded, 1855; reserve lands, 1855; in Washington and Oregon. 27" x 35". Drawer 8608
136. Location in Washington of Chelan, Methow, Okanagan, Colville, and Sinkaietk? tribes. 19" x 24". Drawer 8608

Map Collection #21: J. W. Morris

137. Location in Washington and Oregon of Chehalis, Chinook, Kwalhioqua, Cathlamet and Sewal? tribes. 28" x 33". Drawer 8608
138. Location of principle roaming area, 1863 lands, and lands returned to public domain, 1872, of Shoshoni Indians, in Idaho, Wyoming, Nevada, and Utah. 19" x 24". Drawer 8608
139. Location of Makah, Ozette, Quilleute, Hoh, Queets (Quaitso), Copalis, Wuinault, Humptulips, Wynoochee, and Satsop tribes in Washington. 14" x 17". Drawer 8608
140. Lands ceded in 1855, lands returned to public domain in 1874, and reserve established for Confederated Tribes in 1857 in Oregon for the Tillamook and Siletz tribes. 9" x 21". Drawer 8608
141. Location of Cowlitz tribe in Oregon and Washington. 13" x 14". Drawer 8608
142. Location of Skagit, Stillaquamish, Snohomish, and Snoqualmie tribes in Washington. 32" x 32". Drawer 8608
