Map Collection #22: Miscellaneous Private Collections

Abrams, A. W.

1. Kansas City, Kansas-Missouri. A 10" x 12" black on white railway map of the city showing connections, and track locations. Streets near railway tracks as well as the Kansas and Missouri Rivers are also shown. Includes index to railways. No date. Drawer 8609

Bixler, P. S.

2. Norman, Oklahoma. A 36" x 43" blueprint map showing streets, sections, sub-sections, home lots, public buildings and parks, some businesses, the railway, and additions. The University of Oklahoma is included, but is shown in less detail. By Peckham, Sutton, and James, Civil Engineers, 1923. Located in storage tube on top of map cabinet.
3. Norman, Oklahoma. A 16" x 18" black on white map showing streets, public buildings and parks, the railway, and the University of Oklahoma. The area covered extends roughly from Robinson Street southward to Lindsey Street and from Central State Hospital westward through the area of the present city. Published by the Transcript Publishing Company, 1941. Drawer 8609
4. Norman, Oklahoma. A 10" x 13" black on white map showing streets, highways, the railway, and voting precincts, the latter of which are keyed by number to an index which gives the Registrar's name and the voting place for each precinct. Area covered is roughly from Robinson Street southward to Imhoff Road, and from 12th Street East westward to Interstate 35. Prepared by the Normal Retail Credit Men's Association, 1958. Drawer 8609

Bradley, Glenn

5. Norman, Oklahoma. A 15" x 15" gray-toned street map on line showing also public buildings and parks. The University of Oklahoma is shown in less detail. The area covered extends roughly from Lindsey Street northward to near Robinson Street. No date. Drawer 8609

Brillhart, N.

6. Wyoming, Nebraska, and South Dakota. A 24" x 37" colored aeronautical chart on fiberboard. In addition to aeronautical information, towns, cities, waterways, some topography, and other natural and artificial features are shown. Chart covers eastern Wyoming, southeastern South Dakota, and northeastern Nebraska. U. S. Geodetic Survey, no date. Drawer 8609
7. Wyoming, Montana, and Idaho. A colored aeronautical chart, on fiberboard, measuring 24" x 37", and showing towns, cities, waterways, some topography, and other natural and artificial features in conjunction with aeronautical information. The area covered includes southern Montana, northeastern Wyoming, and eastern Idaho. U. S. Geodetic Survey, no

Map Collection #22: Private Collections, Miscellaneous

date. Drawer 8609

8. Montana. A 24" x 37" colored aeronautical chart, on fiberboard, which covers a section of southern Montana. In addition to aeronautical information, cities, towns, waterways, some topography, and other natural and artificial features are shown. U. S. Geodetic Survey, no date. Drawer 8609
9. North Dakota. A 24" x 37" colored aeronautical chart on fiberboard. Chart shows aeronautical information, cities, towns, waterways, some topography, and other natural and artificial features within eastern North Dakota. U. S. Geodetic Survey, no date. Drawer 8609
10. Montana, Wyoming, and South Dakota. A 24" x 39" colored aeronautical chart on fiberboard. Aeronautical information, cities, towns, waterways, some topography, and other natural and artificial features are shown for an area covering southeastern Montana, northeastern Wyoming, and western South Dakota. U. S. Geodetic Survey, no date. Drawer 8609
11. Montana and North Dakota. A 19" x 38" colored aeronautical chart on fiberboard. The area covered is eastern Montana and western North Dakota. In addition to aeronautical information, cities, towns, waterways, some topography, and other natural and artificial features are shown. U. S. Geodetic Survey, no date. Drawer 8609
12. Miles City, Montana. A 9" x 12" blue on white street map that also shows highways, railways, rivers, public buildings, and parks. Local information and a mileage guide are also included. Publicity Committee, Miles City Chamber of Commerce, no date. Drawer 8609
13. Sheridan, Wyoming. Two street maps with the same information, one being blue on white and measuring 9" x 13", the second being black on white and measuring 9" x 12". Shown are streets, highways, creeks, airports, a cemetery, and public buildings and recreation areas. A street index is included. Prepared by Paul F. Anderson, Engineer, 1956. Drawer 8609
14. Big Horn County, Montana. An 18" x 26" black on white section map, on fiberboard, with rivers and roads hand-colored using crayon. Map also shows towns, railways, elevations, the Big Horn Mountains, and the Crow and Cheyenne Reservations. Includes legend. Official Map of Big Horn County, 1932. Drawer 8609
15. Big Horn County, Montana. Two similar gray on white maps, comprised of aerial photographs of the county, measuring 20" x 24" , plus a third map of the same nature measuring 15" x 17" and covering only the northeastern portion of the county. Shown are topography, and natural and artificial landmarks. Scale 1:20,000. U. S. Department of Agriculture, Commodity Stabilization Service, 1954. Drawer 8609
16. Big Horn and Yellowstone Counties, Montana. A 14" x 20" negative "Geologic Map and Section of Bighorn County and Part of Yellowstone County, Montana." Includes geological

Map Collection #22: Private Collections, Miscellaneous

- cross-sections and an explanation of geological symbols used. USGS, 1934. Drawer 8609
17. Powder River County, Montana. A 16" x 19" black on white section map showing also districts and ownerships. Includes index of ownerships by township and range. Official Map of Powder River County, 1939. Drawer 8609`
 18. Rosebud County, Montana. A 26" x 34" toned section map which also shows towns, schools, roads, railways, National Forests, Indian Reservations, and the Commissioner District boundaries. Includes location map inset. Compiled from official records, 1938. Drawer 8609
 19. Crow Indian Reservation, Montana. A 15" x 23" black on white map, on fiberboard, with key waterways hand-colored using crayon. A sectional map that also shows roads, waterways, settlements, the Crow Agency, and nearby mountain ranges. A legend is included. U. S. Department of the Interior, Office of Indian Affairs, 1939. Drawer 8609
 20. Tongue River Indian Reservation, Montana. A 14" x 23~ black on white section map, on fiberboard, which also shows political boundaries, natural and artificial landmarks, schools, and a portion of the Custer National Forest. U. S. Department of the Interior, Office of Indian Affairs, 1931. Drawer 8609
 21. Bighorn Indian Reservation, Montana. A 14" x 23" section map, on fiberboard, which also shows settlements, natural and artificial landmarks, elevations, and some geology. Key waterways are hand-colored using crayon. Three copies, two black and white, and one negative. No date. Drawer 8609
 22. Bighorn area, Montana. A 13" x 19" printer's negative with overlay showing sections, subsections, waterways, railways, the Crow Agency, and the marches and battlefields of Custer and Reno. No date. Drawer 8609
 23. Custer Battlefield, Montana. Two maps are shown on a single copy. The first is a colored topographical map of the Battlefield and surrounding area showing railways, waterways, and the routes and battlefields of Custer and Reno. Scale 1:24,000. The second is a colored enlargement of the Custer Battlefield area showing topography, the monument, and the positions of various troops under Custer's command. Scale 1:5,280. Five 18: x 22" copies, one on fiberboard, each containing both maps described above. Reproduced from 1891 maps. USGS. Drawer 8609
 24. Custer Battlefield, Montana. A 13" x 26" topographic map identical to the first map described in number 23 above. Nine copies, six toned, one on fiberboard, one printer's negative with overlay, and one smaller, colored copy. USGS, reproductions of 1891 edition. Drawer 8609
 25. Custer Battlefield, Montana. Six maps of various sizes which are identical to the second

Map Collection #22: Private Collections, Miscellaneous

map described in number 23 above. Maps include two positive copies, two negative copies, one hand-drawn color map, and a printer's negative with overlay, USGS, reproductions of 1891 edition. Drawer 8609

26. Rosebud Quadrangle, Montana. Eight ca. 17" x 21" topographic maps which also show settlements, ranches, waterways, and railways. The reverse sides of some contain explanations of topographic notation and descriptions of types of USGS maps available. Six copies, four colored, one colored and on fiberboard, and one printer's negative with overlay. USGS, 1946 reprints of 1901 edition. Also included is a black on white 1901 edition map on fiberboard. USGS. Drawer 8609
27. "Drainage Pattern of the Little Big Horn and Rosebud Creek." Shows only roads and railways, in addition to drainage. Scale circa 1" = 1 mile. Eleven copies measuring circa 27" x 34". Most are toned, some with hand-drawn markings, one completely hand-drawn. Drawn from aerial photographs. No date. Drawer 8609
28. Rosebud County area, Montana. A 13" x negative topographic map in four quadrants which also shows towns, ranches, waterways, and the Crow Agency. Also included are four 18" x 20" enlargements of the four individual quadrants. No date. Drawer 8609
29. Oklahoma. A 29" x 35" colored "Literary Map of Oklahoma" in pictographic format. Has drawings and names of noted Oklahoma authors in association with their respective home towns, 1960. Drawer 8609

Bryan, F.

30. Texas. A 22" x 28" blue on white outline map showing state and county boundaries of Texas and areas within bordering states. The locations and names of lakes and selected cities are also shown. Geological formations have been added using colored pencil markings. Includes legend explaining geological notation used. F. Bryan, 1958. Drawer 8610
31. Texas. A 22" x 28" blue on white map of Texas and areas within bordering states. Map is similar to number 30 above, but contains both geological and structural information, as well as expedition routes of several Spanish explorers. Colored pencil markings are used. Also includes explanatory text. F. Bryan, 1958. Drawer 8610
32. Texas Panhandle area. A 24" x 43" blue on white map with colored pencil markings which cover the "Llano Estacado" area of the Texas Panhandle, western Oklahoma, and eastern New Mexico. Map shows historical and geographical features including exploration routes and natural features. Includes text. F. Bryan, 1958. Drawer 8610
33. Map of the route of Jean Cavelier, the survivor of the LaSalle Expedition of 1687. Route extends from Matagorda Bay on the Gulf of Mexico through Texas and Oklahoma to the Arkansas River with historic comments en route. Map is blue on white and measures 23" x 43". F. Bryan, 1958. Drawer 8610

Map Collection #22: Private Collections, Miscellaneous

34. "The South." A personal Civil War map of Private F. H. Nash showing the terrain he covered during the war. Includes state outlines, notes, key locations, and dates covering an area extending from the Atlantic Coast to the Mississippi River in the west, and from northern Florida northward to southern Virginia, Kentucky, and southern Indiana. Map is blue on white and measures 16" x 27". 1958. Drawer 8610
35. Mexico. A 38" x 40" blue on white oil well location map for east central Mexico showing wells in various stages of development, as well as fields, and company ownerships for the region surrounding the Rio Panuco. Also shown are railroads and pipelines. Includes legend. Scale 1:20,000. No date. Drawer 8610
36. Mexico. Three maps that combine to form a large oil field map of the Mexican Gulf Coast measuring 30" x 60". In addition, this colored map shows cities, towns, roads, railways, pipelines, and wells in various stages of development. The Gulf coastline is also shown. Includes legend. No date. Drawer 8610
37. Mexico. A 32" x 40" black on white map of northern Mexico's Gulf coast. Shown are political divisions, cities, towns, railways, waterways, and the coastline for the State of Tamaulipas. Scale 1:316,800. No date. Drawer 8610
38. Mexico. A 32" x 40" black on white map of the Gulf coast area to the immediate south of that covered in number 37 above, also in the State of Tamaulipas. Shown are political divisions, cities, towns, waterways, and the coastline. Scale 1:316,800. No date. Drawer 8610
39. Veracruz and Tamaulipas, Mexico. A 53" x 142" blue-toned "Mexican Oil Fields Map Showing Property Subdivisions of Northern Veracruz and Southern Tamaulipas Mexico." Shown are political divisions, roads, railways, pipelines, and wells in various stages of production, and the coastline. Two other maps included under this number cover sections of the southern and central areas shown in the larger map, and include the same information. Scale 1:100,000. A. B. Hitchman, 1916. Drawer 8610

Burch, D.

40. Arkansas-Missouri. An 8" x 10" colored "Sketch Map of the Ozark Region Showing the Drainage and Topography." Also shown are state boundaries, selected cities and towns, and waterways. Covers the area north of the Arkansas River and south of the Missouri River. Two copies. George I. Adams, 1900. Drawer 8610
41. "Map of the Battle of Prairie Grove, Arkansas." A 9" x 12" black on white map showing roads, entrenchments, and battle lines. Drawn by Theodore Gardner from *The Civil War On The Border*, by Wiley Britton, 1862. Drawer 8610
42. "Plan of the Battle of Prairie Grove, Arkansas." A 9" x 11" black on white map showing

Map Collection #22: Private Collections, Miscellaneous

- roads, entrenchments, field positions, and local geography. Includes explanations. Drawn by T. J. Box for *Harper's Weekly*, January 17, 1863. Redrawn by William E. Connelley, no date. Drawer 8610
43. "Plan of the Battle of Prairie Grove, Arkansas." A 7" x 7" black on white map showing roads, entrenchments, fences, dwellings, and local geography. No date. Drawer 8610
 44. Northwest Arkansas. A black on white 8" x 16" "Map of General Blunt's Campaigns, Northwest Arkansas, Fall of 1862." Map shows cities, towns, roads, waterways, buildings, troop camps, and geographical features. William E. Connelley, no date. Drawer 8610
 45. "Plan of the Battle of Pea Ridge, Arkansas." A 6" x 8" colored map showing roads, towns, waterways, troop emplacements, and geographical features. Drawn by 1st Lieutenant A. Hoepfner, Engineer Corps Volunteers, no date. Drawer 8610
 46. "Map of the Battle of Pea Ridge, Arkansas." A black on white map measuring 6" x 9" and showing Union and Confederate positions on March 8, 1862. with battle lines. Roads and geographical features are also shown, as is the site of McCulloch's death. U. S. Secretary of War, 1876. Drawer 8610
 47. "Battle of Pea Ridge or Elkhorn Tavern, Arkansas, March 7, 1862." A black on white 8" x 12" map showing troop and cavalry positions, businesses and ownerships, roads, waterways, and local geography. An inset shows the "Engagement of March 8th." No date for map. Drawer 8610
 48. "Shelby's Raid in Arkansas and Missouri." A black on white 6" x 9" map showing counties, towns, railways, waterways, and the route followed by Shelby. The area covered is southeast of Kansas City. No date for map. Drawer 8610
 49. "Map of the Battlefield of Wilson Creek, Missouri, August 10, 1861." A colored 6" x 9" map showing the placements of forces, camps, roads, waterways, and geographical features. No date for map. Drawer 8610
 50. "Battles of Little Blue, Big Blue, Westport, Missouri. Price Raid, October, 1864." An 8" x 8" black on white map showing roads, waterways, trails, and the emplacements of forces, with explanations. The area shown is southeast of Kansas City. William E. Connelley, no date for map. Drawer 8610
 51. "Westport and Big Blue, Missouri, October 22, 23, 1864." Map is colored and measures 6" x 8". Entrenchments are shown in conjunction with towns, roads, waterways, and geographical features. By L. C. Bennet, Topographical Engineer, no date for map. Drawer 8610
 52. "Battle Ground of Westport, Missouri, October 23, 1864." A 3" x 4" colored map showing

Map Collection #22: Private Collections, Miscellaneous

- the battlefield along the Missouri-Kansas border. Troop entrenchments, geographical features, roads, and waterways are included. By L. C. Bennet, Engineer, no date for map. Drawer 8610
53. "Battle Ground of Charlot, Missouri, October 25, 1864." A 3" x 4" colored map showing troop emplacements and battle lines in conjunction with roads, waterways, and geographical features. No date for map. Drawer 8610
 54. "Sketch Map of Battle Corners." A 6" x 9" negative map showing battle sites, cities, and rivers for a large area surrounding the Indian Territory, Arkansas, Missouri, and Kansas border junctions. No date for map. Drawer 8610
 55. Eastern Indian Territory. A 5" x 8" black on white map showing Drew's and Cooper's routes of 9 December 1861, with emplacements of Choctaws and Chickasaws, the 9th Texas Cavalry, Cherokees, and Creeks. Also includes the towns of Speery and Turley. No date for map. Drawer 8610
 56. "Battle-Ground of Newtonia, Missouri, October 28, 1864." A 3" x 4" colored map showing Union and Confederate battle lines, roads, waterways, farms, local geography, and the town of Newtonia. No date for map. Drawer 8610
 57. "Battle of Dry Fork Creek, Missouri, 5 July, 1861." A colored 4" x 9" map showing the location of the battleground, towns, roads, and local geography. No date for map. Drawer 8610
 58. "Battle-Field of Wilson's Creek, Missouri, August 10, 1861." An 8" x 11" black on white copy showing entrenchments, camps, roads, and local geography. No date for map. Drawer 8610
 59. "Route from Keetsville to Fayetteville, Arkansas." A 6" x 9" colored map showing local geography, meeting houses, roads, towns, and waterways. No date. Drawer 8610
 60. "Cane Hill, Arkansas Battlefield, November 28, 1862." An 8" x 9" black on white map showing entrenchments, camps, waterways, towns, and movements around the area before the Prairie Grove Battle. Includes explanations of positions and other information keyed to numbers on map. Drawn by William E. Connelley, no date for map. Drawer 8610
 61. "Osage or Mine Creek, Kansas." A 4" x 9" colored map showing troop emplacements along Mine Creek and the Little Osage River, in conjunction with roads, waterways, and geographical features. No date. Drawer 8610
 62. Missouri. A 23" x 25" colored index of USGS topographical maps and geologic folios for the state. Counties, towns, cities, and waterways are also shown. Reverse contains descriptions of types of USGS maps available. Scale 1:1,000,000. USGS, 1943. Drawer

Map Collection #22: Private Collections, Miscellaneous

8610

63. Arkansas. An 18" x 20" colored index of USGS topographic maps and geologic folios available for the state. Counties, cities, towns, and waterways are shown. Reverse contains descriptions of types of USGS maps and folios, as well as explanations of USGS map symbols used. Scale 1:1,000,000. USGS, 1949. Drawer 8610
64. Kansas. An 18" x 28" colored index of USGS topographic maps and geologic folios available for the state. Counties, cities, towns, and waterways are shown. The reverse contains descriptions of types of USGS maps and folios, as well as explanations of map symbols used. Scale 1:1,000,000. USGS, 1946. Drawer 8610
65. Oklahoma. An 18" x 33" colored index of USGS topographical maps and geologic folios available for the state. Counties, cities, towns, and waterways are shown. The reverse contains descriptions of types of USGS maps and folios, as well as explanations of map symbols used. Scale 1:1,000,000. USGS, 1949. Drawer 8610

Cate, R. S.

66. Creek and Seminole Nations. A 15" x 16" black on white map showing townships and ranges, counties, railways, waterways, and towns. No date. Drawer 8610
67. Indian Territory. A "Map of the Constitutional Districts of the Indian Territory." This 23" x 25" black on white map also shows boundaries of the Indian nations, cities, towns, railways, and waterways. Compiled by Charles A. Selwyn, 1906. Drawer 8610
68. Eastern Oklahoma. A 10" x 10" black on white map of the "Timber and Segregated Coal Lands" for the Five Civilized Tribes. Also included are counties, major towns, and railways. Scale 1" = 24 miles. Office of the Superintendent of the Five Civilized Tribes, no date. Drawer 8610
69. Eastern Oklahoma. A 10" x 10" black on white "Map of Unallotted and Segregated Coal Lands" of the Five Civilized Tribes. Also shown are counties, railways, cities and major towns. Scale 1" = 24 miles. Office of the Superintendent of the Five Civilized Tribes, no date. Drawer 8610

Connelley, W. E.

70. Leavenworth, Kansas. A colored 15" x 17" city map in folding book format. Streets, subdivisions, outlying tracts, rivers, and railways are shown. Also included is an historical and descriptive text. Scale 1000 feet = 1 inch. Published by J. H. Ketcheson, 1887. Drawer 8610
71. Kansas. A 16" x 31" black on white map of the "Route of the Old Santa Fe Trail. The route of the Atchison, Topeka, and Santa Fe Railroad is also included. Kansas county outlines are also shown, as are named counties and cities near the railway and trail. 1913. Drawer 8610

Map Collection #22: Private Collections, Miscellaneous

Daugherty, C.

72. Southwest Oklahoma. A 19" x 24" black on white map of "The Big Pasture" in fold-out booklet format. Townships, sections, and waterways are also shown. Ketch, Trent, and Company, 1906. Drawer 8610

Decker, C. E.

73. Oklahoma. An 8" x 13" black on white map of the state showing latitude and longitude, counties, cities, towns, railways, and waterways. Eight copies, with one copy measuring 12" x 20". No date. Drawer 8610
74. Oklahoma. A 7" x 12" black on white map of the "Mineral Resources of Oklahoma" with mineral resources shown using symbols which are explained in a legend. Counties, with names and outlines, are also shown. Six copies. OGS, no date. Drawer 8610
75. Oklahoma. A 14" x 29" black on white map of the "Oil and Gas Producing Areas in Oklahoma." Fields are shown on map by numbers which are keyed to a list which includes the name and county of each field. Also shown are townships, counties, cities, towns, and railways. OGS, 1921. Drawer 8610
76. Oklahoma. A 16" x 31" black on white map of the "Oil and Gas Producing Regions in Oklahoma." Fields are shown in red and are keyed by number to a list of names and counties of each. Map also includes latitude and longitude, counties, townships, cities, towns, railways, and waterways. Four copies. Circa 1930's. Drawer 8610
77. Oklahoma. A 16" x 26" black on white geologic map of the state showing geology using symbols explained in a legend. Also included are latitude and longitude, counties, cities, towns, roads, and waterways. OGS, 1916. Drawer 8610
78. A township and range "blank" measuring 14" x 17" and being black on white. Points are indicated on blank and are keyed to unreadable notes on reserve side. Printed by the Star Printery, Muskogee, Oklahoma. No date. Drawer 8610
79. Chickasaw Nation, Indian Territory-Oklahoma. A colored 16" x 20" topographic map of Paul's Valley Quadrangle. Townships, sections, cities, towns, roads, and railways are also shown. Reverse contains explanations of symbols used and a description of USGS maps and folios. Scale 1:125,000. USGS, 1916, reprint of 1902 edition. Drawer 8610 [[Digitized 300dpi jpg, 10/2014](#)]
80. Chickasaw Nation, Indian Territory-South Central Oklahoma. A 16" x 20" colored topographic map of the Ardmore Quadrangle. In addition to topography, townships, sections, cities, towns, roads, and railways are shown. The reverse contains explanations of symbols used, and a description of USGS map and folio types. Scale 1:125,000. USGS, 1913 reprint of 1901 edition. Drawer 8610 [[Digitized 300dpi jpg, 10/2014](#)]

Map Collection #22: Private Collections, Miscellaneous

81. Indian Territory-Oklahoma. A 16" x 21" topographic map of the Stonewall Quadrangle which shows, in addition to topography, townships, sections, cities, towns, roads, and railways. The reverse contains explanations of USGS map symbols used, as well as a description of types of USGS map symbols used, as well as a description of types of USGS maps and folios. Scale 1:125,000. USGS, 1914 reprint of 1901 edition. Drawer 8610
82. Indian Territory-Oklahoma. A 16" x 21" colored topographic map of the Tishomingo Quadrangle which shows, in addition to topography, townships, sections, cities, towns, roads, and railways. The reverse contains explanations of map symbols used, as well as description of types of USGS maps and folios available from the USGS. Scale 1:125,000. USGS, 1914 reprint of 1901 edition. Drawer 8610
83. Oklahoma. A "Geological Map of Caddo, Comanche, Greer, Jackson, and Kiowa Counties." This black on white map measures 10" x 19" and shows townships, sections, towns, railways, and waterways, in addition to geology. Geological symbols shown on map are keyed to a legend. No date. Drawer 8610
84. Oklahoma. A black on white geological map of the eastern Wichita Mountains measuring 20" x 30". Also shown are counties, towns, roads, railways, and waterways. Geological formations are hand-colored. C. E. Decker, 1938. Drawer 8610
85. Caddo and Grady Counties, Oklahoma. A 7" x 8" black on white geologic map which shows counties, towns, sections, and railways in addition to geological formations, the latter of which are explained in a legend. OGS, no date. Drawer 8610
86. Northwestern Oklahoma. A 20" x 24" colored structure map showing counties, townships, cities, towns, and waterways. Geological contours are shown and include an accompanying key. Scale 1:500,000. Four copies. OGS, circa 1925. Drawer 8610
87. Carter and Love Counties, Oklahoma. An 11" x 17" black on white geological map of the Ardmore Basin showing also townships, sections, railways, towns, and the City of Ardmore. Geologic formations are explained in a legend, as are the cross-section insets. OGS, 1928. 8 copies Drawer 8610
88. Oklahoma. A 15" x 15" black on white geological map of the Arbuckle Mountains and Ardmore Basin. Shown are townships, sections, railways, towns, and the City of Ardmore. Geological formations are keyed to legend by symbols. A geological field trip is indicated on map in red, with itinerary on reverse. OGS, no date. Drawer 8610
89. Oklahoma. A 32" x 49" black on white cloth-backed geologic map of the Arbuckle Mountains. Geological formations are shown using symbols which are keyed to a legend. Map also shows townships, sections, towns, railways, and waterways. Several insets showing geologic cross-sections are included. By Decker, Cooper, and McGehee, OGS,

Map Collection #22: Private Collections, Miscellaneous

1931. Drawer 8610

90. Western Arkansas. A geological plot map showing geological stations with eratics. Map also includes townships, sections, waterways, and natural formations. Map is blue on white and measures 13" x 24". BHH, 1932. Drawer 8610
91. Texas. A Sinclair Refining Company road map of the state measuring 26" x 26". This colored map includes highways, counties, cities, and towns. Map also shows Oklahoma and portions of other adjacent states. Insets include maps of Mexico, Ft. Worth, Dallas, Houston, and San Antonio. Scale 1" = 30 miles. Rand McNally and Company, no date. Drawer 8610
92. Texas. A 22" x 32" blue on white geologic map of the north central and panhandle areas of the state. Shown are geology, including field trip tours through various formations, cities, towns, waterways, and other points of interest. Map includes geologic cross-sections. Society of Economic Paleontologists and Mineralogists, 1927. Drawer 8610
93. Southwestern Texas. A 17" x 24" black on white showing property owned by the University of Texas, between the Pecos and Rio Grande Rivers. Also included are counties, townships, sections, towns, roads, and railways. Area of interest is marked in red. Reverse includes explanation of geology of the area. No date. Drawer 8610
94. Montana. A 16" x 19" black on white "Map of the Great Falls-Conrad Region, Montana." A geological structure map which uses symbols explained in a legend. Also included are a diagram of geological formations, townships, sections, towns, and waterways. By C. E. Dobbin and C. E. Erdmann, U. S. Department of the Interior, 1930. Drawer 8610
95. Ohio, Indiana, and Illinois. An 11" x 16" colored topographic index map showing maps available for the three states. Also shown are counties, cities, towns, railways, and waterways. Reverse contains explanations of USGS map symbols, and a description of types of USGS maps and folios available. Two copies. USGS, no date. Drawer 8610
96. New York, New Jersey, Pennsylvania, and Delaware. An 11" x 16" colored topographic index map showing maps available for the four states. Also included are counties, cities, towns, railways, and waterways. Reverse contains explanations of USGS map symbols, as well as a description of types of USGS maps and folios available. Map is in two pieces. USGS, no date. Drawer 8610
97. Pennsylvania and New Jersey. An 18" x 28" colored topographic index map showing maps available for the two states. Also included are counties, cities, towns, railways, and waterways. Reverse contains explanations of USGS map symbols used, as well as a description of types of USGS maps and folios available. Scale 1:1,000,000. USGS, 1926. Drawer 8610
98. Pennsylvania. A 16" x 20" colored topographic map of the Bellfonte Quadrangle. Also

Map Collection #22: Private Collections, Miscellaneous

shown are cities, towns, railways, and waterways. Reverse contains explanations of map symbols used, and a description of types of USGS maps and folios available. USGS, 1929. Drawer 8610

99. New York. A 16" x 20" colored topographic map of the Watkins Quadrangle. Also shown are cities, towns, railways, and waterways. Reverse contains explanations of map symbols used, as well as a description of types of USGS maps and folios available. USGS, 1923. Drawer 8610
100. United States and Canada. A 27" x 32" colored "Middle West Sheet" covering the area extending from western Saskatchewan to Ontario in the east, and southward to Colorado and southern Illinois. Shown are cities, towns, roads, waterways, and navigation routes for the Great Lakes and larger central Canadian lakes. Prepared by National Resources Intelligence Service for Department of Interior, Canada, 1930. Drawer 8610
101. United States and Canada. A 26" x 28" colored "Pacific Sheet" for coastal British Columbia and Washington westward to eastern Saskatchewan and northeastern Montana. Map shows cities, towns, roads, waterways, and public lands. Prepared by National Resources Intelligence Service for Department of Interior, Canada, 1930. Drawer 8610

Drake, N. F.

102. Indian Territory-Arkansas. The "Winslow Folio" of the *Geologic Atlas of the United States*. An 18" x 21" eight page folio which includes maps and textual information, 1907. Drawer 8610
103. Oklahoma and Indian Territories. A 36" x 42" colored map on cloth backing. Shown are railways, waterways, towns, forts, boundaries of individual Indian nations, as well as some geographical features. Territories shown during 1896-97 period. Drawer 8610

Farley, A. W.

104. Western Territory. A 17" x 18" hand-colored map bounded by the Waterloo River, in present day South Dakota, on the north and by the Red River on the south, by the Mississippi River on the east and by the Rocky Mountains on the west. Shown are the boundaries of lands ceded to such Native American groups as the Sioux, Sac and Fox, Winnebago Iowa, Omaha, Pawnee, Oto, Pottawatomie, Delaware, Kansa, Shawnee, Osage, Peoria, Seneca, Wea, and the Five Civilized Tribes. Waterways are also shown. Scale 50 miles = 1 inch. Circa 1840's. Drawer 8611 [Framed and on display in WHC Administrative Office 452]
105. Gregory County, South Dakota. A 25" x 32" brown-toned farm map that includes the portion of the Rosebud Reservation that was to be opened for settlement. Townships, sections, waterways, and some ownerships are shown. Two insets contain enlargements of portions of the larger area. 1902. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

106. Nebraska. A 30" x 47" colored section map of lands to be sold by the Burlington and Missouri River Railroad Company, as well as lands previously sold by the same company. Townships, sections, towns, roads, railways, and waterways are depicted. The area covered contains the eastern half and southwestern portions of Nebraska, including the Pawnee Reserve. Circa 1878. Drawer 8611
107. A "Topographical Map of the Road from Missouri to Oregon Commencing at the Mouth of the Kansas in the Missouri River and ending at the Mouth of the Wallah-Wallah in the Columbia." A series of 16" x 25" black on white connected maps which contain pertinent remarks and meteorological observations. Scale 10 miles = 1 inch. Compiled by Charles Preuss, 1846. Drawer 8611

Fay, Robert O. and Helen S.

108. Arbuckle Mountains, Oklahoma. A 42" x 47" colored "Geologic Map of Southwest Davis Zinc Field, Arbuckle Mountains, Oklahoma." Map shows geologic formations and faults, with keys to the symbols used contained in an explanation. Also contains a location map inset. Scale 1:7,920. Accompanied by pamphlet "The Southwest Davis Zinc Field." Compiled by Robert O. Fay, University of Oklahoma, 1981. Drawer 8611
109. Murray County, Oklahoma. A 28" x 36" hand-colored map of the structural reconnaissance of the Butterfly Ranch Zinc Area. Ranches, waterways, structural features, and sections are shown. Map includes notations and legend. Scale 1 inch = 660 feet. By Gill Montgomery, 1948. Drawer 8611
110. Murray County, Oklahoma. A 42" x 45" hand-colored geological map of the Butterfly Ranch Zinc Area. Includes explanation of geological notation used, as well as notations on map. No date. Drawer 8611
111. Oklahoma. A 5" x 8" colored map of the state showing cities, towns, roads, railways, and waterways. C. S. Hammond & Co., New York, no date. Drawer 8611
112. North America. A black on white, 8" x 10" map showing larger political divisions and waterways. Map covers an area extending from northern Canada to northern South America, including the West Indies. Published by I. Low, New York, 1799. Drawer 8611
113. North America. An 8" x 10" black on white map showing larger political divisions and waterways. Map covers an area extending from northern Canada to northern South America. Also included are the West Indies. Published by I. Low, New York, 1802. Drawer 8611
114. North America. An 8" x 10" colored map showing political divisions and waterways for an area extending from northern Canada to northern South America, and including the West Indies. 1802. Drawer 8611
115. North America and West Indies. An 8" x 10" black on white map showing larger political

Map Collection #22: Private Collections, Miscellaneous

- divisions, waterways, and the locations of the homelands of some Native American groups. The area covered extends from northern Canada to northern South America, and includes the West Indies. Topham Leeds, 1802. Drawer 8611
116. North America. A black on white map measuring 10" x 17", and showing major political divisions and waterways for an area extending from northern Canada to northern South America. The Rocky Mountain chain is shown, as is Greenland, Iceland, and the West Indies. 1810. Drawer 8611
 117. North America. An 8" x 10" black on white map showing the Rocky and Appalachian mountain chains, waterways, major political divisions, and some settlements. The area covers extends from northern Canada to northern South America, and includes the Caribbean Islands. Published by Thomas Kelly, London, 1811. Drawer 8611
 118. North America. An 8" x 10" colored map showing major political divisions, waterways, settlements, and the locations of the homelands of some Native American groups. The area covered extends from northern Canada to northern South America. Also shown are the Rocky and Appalachian mountain chains, Greenland, and the Caribbean Islands. Published by Longman, Rees, Orme, Brown and Green, London, 1826. Drawer 8611
 119. Louisiana and Arkansas. A colored map measuring 10" x 13" and showing counties and parishes, settlements, and waterways for the state of Louisiana and the southern portion of the state of Arkansas. 1835. Drawer 8611
 120. New France. A 10" x 14" black on white map showing settlements and waterways for the region now incorporated into the eastern parts of the United States and Canada. Map has been encapsulated and deacidified. H. Moll, Geographer, 1745. Drawer 8611
 121. Minnesota Territory. A 14" x 17" colored map showing waterways, internal political boundaries, and some geographical features. The area covered includes the northern portion of the present-day state of Minnesota. Published by Thomas, Cowperthwait, & Co., 1850. Drawer 8611
 122. Missouri. A 14" x 17" colored map of the state showing counties, townships, towns, roads, and waterways. Published by Thomas, Cowperthwait, & Co., 1851. Drawer 8611
 123. California. A 13" x 16" colored map showing cities, towns, roads, waterways, some geographical features, and the locations of the homelands of some Native American groups. Map also shows surrounding areas including Old California, northwest Mexico, Oregon, Utah Territory, and a portion of New Mexico. By Thomas, Cowperthwait, & Co., 1851. Drawer 8611
 124. Louisiana. A 14" x 17" colored map showing roads and canals along stage and steamboat routes, waterways, cities, towns, and parishes. Also includes an explanation and three insets,

Map Collection #22: Private Collections, Miscellaneous

- two with steamboat mileages between key points, and one of New Orleans showing key buildings as reference points within the city. Thomas, Cowperthwait, & Co., 1853. Drawer 8611
125. Indian Territory. A 14" x 17" colored map showing railways, waterways, and towns among the various Indian nations, whose boundaries are also shown. From *Gray's Atlas*, 1893. Drawer 8611
 126. Indian Territory. A 14" x 17" colored map showing townships, towns, roads, railways, and waterways. The various Indian nations and their boundaries are also depicted. The same features shown above are also shown for bordering areas of other states. Scale 1:1,526,640 or 1 inch = 24 miles. G. W. and C. B. Colton & Co., 1876. Drawer 8611
 127. Oklahoma Country, Indian Territory. A 13" x 16" colored section map of the Unassigned Lands. Map also shows settlements, roads, railways, waterways, and cattle trails. The names of bordering Indian nations are given. 1891. Drawer 8611
 128. Seminole Nation, Indian Territory. A 14" x 21" colored section map which also shows waterways, railways, settlements, and missions. Allotted lands, reservations, and district schools are also identified. From the *Eleventh Annual Report of the Commission to the Five Civilized Tribes*, 1889. Drawer 8611
 129. Indian Territory. A 12" x 14" colored map showing Indian nations, Greer County, and Oklahoma Country. Waterways, settlements, and railways are delineated. Engraved for *Standard Atlas of the World*, 1891. Drawer 8611
 130. Oklahoma Country, Indian Territory. A colored section map measuring 12" x 14" and also showing settlements, railways, and waterways. 1891. Drawer 8611
 131. Oklahoma and Indian Territory. An 11" x 15" colored map showing the locations of the various Indian nations and Oklahoma counties, towns, roads, and waterways. 1894. Drawer 8611
 132. Oklahoma and Indian Territory. An 8" x 11" colored map containing the same information as number 131 above as well as capitals, county seats, and populations of cities and towns. Hammond, 1904. Drawer 8611
 133. Oklahoma and Indian Territory. An 8" x 11" colored map identical to number 132 above. Hammond, 1904. Drawer 8611
 134. Oklahoma and Indian Territory. An 11" x 13" colored map showing the various Indian nations, Oklahoma counties, cities, towns, roads, and railways. Includes index of counties, Indian reservations, and major cities. Scale 1 inch = 28 miles. Circa 1895. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

135. Oklahoma. An 8" x 11" colored map showing counties, cities, towns, roads, and railways. Geographical Publishing Company, Chicago, 1914. Drawer 8611
136. Oklahoma and Indian Territory. An 11" x 15" colored map showing the various Indian nations, Oklahoma counties, cities, towns, roads, and railways. The Century Company, New York, 1897. Drawer 8611
137. Oklahoma and Indian Territory. An 11" x 15" colored map identical to number 136 above. The Century Company, New York, 1897. Drawer 8611
138. Oklahoma and Indian Territory. An 11" x 13" colored map showing counties, cities, towns, roads, railways, and the various Indian nations. Includes index. 1898. Drawer 8611
139. Oklahoma. A 9" x 11" colored map showing counties, cities, towns, roads, railways, and waterways. Hammond, 1909. Drawer 8611
140. Oklahoma. A 12" x 16" colored map showing counties, townships, cities, towns, roads, railways, and waterways. The Century Company, New York, 1911. Drawer 8611
141. Missouri. An 18" x 22" colored map showing internal political divisions, settlements, and waterways. Includes text containing historical and other information about the state. 1820. Drawer 8611
142. North America. An 18" x 22" colored map showing major political divisions, waterways, and major mountain ranges, as well as offshore islands. The area covered extends from northern Canada to northern South America. Includes text. Drawn by F. Finlayson, 1822. Drawer 8611
143. North America. A 17" x 18" black on white map showing major political divisions, cities, waterways, and major mountain ranges for an area extending from northern Canada to northern Mexico. Cabell, Edinburg, 1833. Drawer 8611
144. Arkansas. A 16" x 18" colored map showing townships, counties, roads, railways, waterways, cities, and towns. Reverse side contains text concerning Arkansas and Indian Territory. Published by J. H. Colton and Company, New York, 1855. Drawer 8611
145. Indian Territory. A 17" x 22" black on white map showing Indian nations, Cherokee Outlet, Oklahoma Country, settlements, towns, railways, roads, waterways, and some townships. Scale 1 inch = 12 miles. 1885. Drawer 8611
146. Nebraska and Kansas. A 16" x 18" colored map showing settlements, waterways, railways, and some geographical features for a large area of the northern plains. J. H. Colton and Company, New York, 1855. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

147. Oklahoma and Indian Territory. A 24" x 31" colored map showing the Indian nations, waterways, railways, and settlements. Also includes treaty dates for various areas, and an explanation of symbols. Includes text. Scale 1 inch = 12 miles. Eleventh Census of the United States, 1890. Drawer 8611
148. Oklahoma. A 20" x 26" black on white map showing Indian nations, roads, railways, towns, and some townships. Includes index. 1892. Drawer 8611
149. Cherokee Nation, Indian Territory. A 23" x 28" colored map showing sections, railways, waterways, and settlements. Richard C. Adams, Washington, D. C., no date. Drawer 8611

Fink, J. B.

150. Oklahoma City, Oklahoma. A 16" x 23" colored "Map of the Interurban Lines of the Oklahoma Railway Company." Routes are shown in conjunction with streets, waterways, and other railways. The reverse side contains an inset showing intercity lines. A second inset is a map showing boarding stops for buses and street cars. Also included is a street index. J. Foster Ashburn, 1942. Drawer 8611.
151. Oklahoma City, Oklahoma. Three colored oil well maps measuring 9" x 14" and showing the locations of oil and gas wells in various stages of production for areas within the city. Ownerships are also shown. A fourth sheet serves as a location guide to the wells. Acme Service, 1936. Drawer 8611
152. Oklahoma. A 14" x 26" negative "Railroad Map of Oklahoma" showing counties, cities, towns, and waterways, in addition to railroad routes. Scale 1 inch = 10 miles. Oklahoma Corporation Commission, 1909. Drawer 8611
153. Oklahoma City, Oklahoma. A 10" x 13" black on white "Map of District Surrounding Oklahoma City Showing Projected Lines of Oklahoma Railway Development." Various railroad routes, districts, townships, and sections are indicated. Scale 1.5 inches = 6 miles. A second, negative copy shows a reverse image. 1916. Drawer 8611
154. Fort Scott, Kansas. An 18" x 24" negative map "showing the location of the batteries and rifle pits." Roads, fences, private dwellings, and some geographical features are also indicated. Includes legend. No date. Drawer 8611
155. Fort Scott, Kansas. An 18" x 24" negative "Map of Fort Scott and Vicinity." Map shows the same features as those in number 154 above, but for a larger area, and with more geographical features included. Surveyed and sketched by Captain W. Hoelcke, 1863. Drawer 8611
156. Fort Scott, Kansas. A 17" x 20" negative plan showing the Officers' Quarters, hospital, bakehouse, and other buildings of the fort. Scale 50 feet = 1 inch. 1848. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

157. Fort Scott, Kansas. A negative plan measuring 15" x 20" and showing building plans of the Officers' Quarters. No date. Drawer 8611
158. Fort Dodge, Kansas. An 18" x 24" negative map showing the fort, the Arkansas River, stage routes, trails, and geographical features. Scale 2 inches = 1 mile. Drawn by Alfred S. Page, 1868. Drawer 8611
159. Fort Dodge Reserve and Dodge City, Kansas. A 10" x 24" negative map showing the Reserve, streets for a portion of Dodge City, boundary lines, and the Arkansas River. Scale 1 inch = 200 feet. Circa 1868. Drawer 8611
160. Fort Dodge, Kansas. A 12" x 23" negative "Ground Plan of Fort Dodge" showing the outlines and locations of the various buildings, building materials, and dates of construction. Includes legend and vicinity map. U. S. Army, Quartermaster's Department, 1879. Drawer 8611
161. Fort Washita, Cherokee Nation, Indian Territory. A 17" x 22" negative drawing of the infantry barracks showing the exterior, basement, and first floor of the building. Scale 10 feet = 1 inch. No date. Drawer 8611
162. Fort Arbuckle, Cherokee Nation, Indian Territory. A 14" x 16" negative map of the military reserve showing the fort in conjunction with nearby roads, settlements, and geographical features. Includes statistics and remarks. Surveyed and drawn by First Lieutenant Frank Wheaton, First Cavalry, 1859. Drawer 8611
163. Fort Arbuckle, Indian Territory. A 16" x 16" negative map showing buildings, roads, and waterways, none of which are named. 1868. Drawer 8611
164. Fort Arbuckle, Indian Territory. A 17" x 21" negative map showing the fort in conjunction with nearby roads and waterways. Remarks are included. Circa 1858. Drawer 8611
165. Fort Towson, Indian Territory. A 14" x 22" negative showing the building plans for the fort. No date. Drawer 8611
166. Fort Towson, Indian Territory. A 9" x 15" negative map which shows no distinguishable features. No date. Drawer 8611
167. Fort Towson, Indian Territory. A negative map measuring 10" x 16" and showing the fort's buildings in conjunction with nearby roads, waterways, and geographical features. Identifying letters on map are keyed to a "References" list. No date. Drawer 8611
168. Fort Towson, Indian Territory. An 8" x 10" negative map showing the "country between Fort Towson and the False Washita." Features on the map are virtually impossible to distinguish. 1833. Two copies. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

169. Fort Gibson, Indian Territory. An 18" x 22" positive copy of the fort showing building outlines and waterways, including the Neosho, or Grand, River. Buildings are keyed by letter to a list of identifying "References." By Lieutenant A. Harris, Seventh Infantry, no date. Drawer 8611
170. Fort Gibson, Indian Territory. An 11" x 16" negative sketch showing the fort, and such nearby features as roads, waterways, and geographical features. Includes remarks. 1840. Drawer 8611
171. Fort Gibson, Indian Territory. A circa 23" x 28" positive copy on two overlapping pieces which show the fort in conjunction with nearby roads, waterways, and geographical features. Includes remarks. Scale 200 feet = 1 inch. Office of the Chief Engineer Office, 1882. Drawer 8611
172. Fort Gibson, Indian Territory. A 23" x 28" positive copy with the buildings of the fort shown and keyed to an identifying list. Also shown are nearby roads, and the Grand River. Chief Engineer Department, Missouri, 1882. Drawer 8611
173. Fort Reno, Indian Territory. A 16" x 23" negative map of the fort showing buildings and streets, and including a legend. Water supply routes are also shown. 1883. Drawer 8611
174. Fort Sill, Oklahoma Territory. An 18" x 21" positive copy of a "Sanitary Map" showing also structures of the fort in conjunction with nearby roads, waterways, and geographical features. A legend identifies individual buildings which are numerically keyed to the map. 1893. Drawer 8611
175. Fort Wayne, Arkansas. An 18" x 24" negative copy showing individual buildings of the fort in conjunction with nearby roads and waterways. Also shown is a drawing of the fort's southern side. No date. Drawer 8611
176. Fort Smith, Arkansas. A 17" x 24" negative map of "The City of Fort Smith and Environs." Included are streets, the cemetery, businesses, and nearby roads and waterways. Also included are remarks concerning the map. Scale 500 feet = 1 inch. No date. Drawer 8611
177. Indian Territory, Kansas, and the Texas Panhandle. A 9" x 13" negative copy showing forts, camps, waterways, and railways for present-day western and central Kansas and Oklahoma, as well as the Texas Panhandle. Also included and explained in a text on a second page, is the "principle route followed by the Seventh Cavalry to the Battle of the Washita and return." As corrected by General E. S. Godfrey, circa 1868. Drawer 8611
178. Oklahoma. A negative map measuring 10" x 16" showing waterways, mountain ranges, and camps for the area between the Canadian and Red Rivers. No date. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

179. Pennsylvania. A 24" x 37" blue on white map of the Allegheny and Cornplanter Townships, Verango County. Map shows the mining towns of Pithole, Tightpinch, Balltown, Cashup, Titusville, and others. Map includes numerous penciled notations. National Transit Company, remade 1935. Drawer 8611
180. Allegheny Township, Pennsylvania. A 14" x 17" negative photocopy showing sections, ownerships, roads, and waterways. Includes insets of Pleasantville and Simonds Oil Companies. Scale 1.5 inches = 1 mile. Also includes business directory, and penciled notations on reverse. From *Beer's Atlas of Pennsylvania*, 1833. Drawer 8611
181. Pithold, Pennsylvania. Two 12" x 18" pencil sketches showing roads, streets, businesses, waterways, wells and distances. Notes are included on separate pages. Circa 1858. Drawer 8611
182. New York. A 26" x 39" colored map of the state showing cities, towns, roads, and railways. Points of interest are shown on map as pictographs. Includes inset of New York City, as well as text with historical and other information. New York State Department of Commerce, Albany, New York, circa 1950. Drawer 8611
183. Mexico, Central America, and the West Indies. A 23" x 40" colored map showing major political divisions, cities, towns, roads, waterways, mountain ranges, and historical notes. The area covered extends from southern United States to northern South America. Insets of Panama and major Caribbean Islands are included. Scale 1:5,702,400. The National Geographic Magazine, Washington, D. C., 1939. Drawer 8611
184. "Bible Lands and the Cradle of Western Civilization. A 24" x 34" colored map showing political divisions, cities towns, transportation routes, and some geographic features. Map includes numerous insets of historical interest such as "Route of the Exodus," and "The Crusades." as well as modern Jerusalem. The area covered extends from southern Bulgaria and Armenia to northern Egypt and Saudi Arabia. Scale 1:3,000,000. The National Geographic Magazine, Washington, D. C., 1938. Drawer 8611
185. Ponca City, Oklahoma. An 18" x 24" negative copy of a blueprint of the Ponca City Refinery showing the locations of various tanks and gas lines. "Tank Duties" are listed and keyed by number to tanks on map. No date. Drawer 8611
186. "Cities Service Flow Sheet." No location given. A 17" x 24" positive photocopy of a blueprint of the plant layout. Tanks, filters, and connecting lines are shown. 1942. Drawer 8611
187. "Kansas Crude Foster Wheeler Atmospheric Unit." Location not given. A 9" x 18" positive reproduction of a plan of the unit. 1943. Drawer 8611
188. "Cities Service Flow Sheet." Location not given. An 11" x 17" positive reproduction of a

Map Collection #22: Private Collections, Miscellaneous

- plan which is very similar to number 186 above, but made the following year. 1943. Drawer 8611
189. Fort Gibson, Indian Territory. A 15" x 23" negative reproduction of a "Plan of the Military Post." The facades and first floor plans of various buildings are drawn and keyed by number to a list of identifying references. Scale 1 inch = 200 feet. Drawn under direction of J. Carland, Post Quartermaster, 1871. Drawer 8611
 190. Fort Gibson, Indian Territory. A 14" x 19~ negative reproduction of a "Plan of the Post of Fort Gibson." Various buildings are shown and identified. Roads and waterways are also included. Scale 1 inch = 100 feet. 1872. Drawer 8611
 191. Coon Creek, Oklahoma. Four positive copies of plans of the Coon Creek Gasoline Plant which include a compressor building piping plan, a cooling tower piping plan, a powerhouse piping plan, and a flow sheet. Sheets measure 16" x 24". The L. S. Gregory Company, Tulsa, Oklahoma, 1947. Drawer 8611
 192. Fort Reno, Indian Territory. The area of the fort is bounded and shown in conjunction with modern highways, streets, waterways, and the Oklahoma City Airport, within the Council Grove, Oklahoma area. Sections and sub-sections are also shown. Four copies measuring circa 17" x 17", comprised of two blueprints, one brown on white copy, and one mirror image copy. 1889. Drawer 8611
 193. Fort Gibson, Indian Territory. An 8" x 14" positive reproduction showing roads, some unidentified buildings, and a portion of the Grand River. Scale 200 feet = 1 inch. Map contains little useable information. No date. Drawer 8611 MISSING
 194. Fort Gibson, Indian Territory. An 18" x 22" negative photocopy of a plan of the fort showing the Neosho, or Grand River, smaller waterways, roads, and buildings. Some buildings are identified on map while portions of the central building are keyed by number to an identifying reference list. By Lieutenant A. Harris, circa 1930's. Drawer 8611
 195. Cities Service Oil Company Plant. Location not given. A 14" x 21" negative photocopy of a plan of the "No. 1, 2, & 3 Stabilizer Flow Sheet." 1942. Drawer 8611
 196. Colorado and New Mexico. An 11" x 14" black on white map, on fiberboard, of southern Colorado and northern New Mexico showing cities, towns, roads, waterways, political boundaries, mountains, and other geographical features. Scale 1:1,000,000. Drawn by Ado Hunnius, 1876. Drawer 8611
 197. New Mexico. A colored fold-out CONOCO highway map measuring 18" x 23", and showing highways, roads, cities, towns, waterways, and public lands. Map includes eight insets of major cities and tourist regions. Also includes an index of cities and towns. The H. M. Gousha Company, Chicago, no date. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

198. Oklahoma City, Oklahoma. A 23" x 54" blueprint "Index" map showing streets, with major streets named, and railways. A second map on the same sheet shows major streets for a smaller area centering around Main Street, and including penciled notations identifying otherwise unnamed streets, Scale 1 inch = 200 feet. No date. Drawer 8611

Gibson, A. M.

199. Indian Territory. A black on white map measuring 13" x 22" and showing the lands of the Five Civilized Tribes, their capitals, Indian agencies, and forts. The former are shown in conjunction with the major rivers and outline of the present state of Oklahoma. 1837. Drawer 8611
200. Indian Territory. A 13" x 22" black on white map showing the boundaries of the Five Civilized Tribes smaller than those depicted in number 199 above, and with the addition of several other Native American groups. These are shown in conjunction with major rivers and the outline of the present state of Oklahoma. 1860. Drawer 8611 MISSING
201. Indian Territory. A 13" x 22" black on white map showing the Indian Territory during the Civil War. The lands of the Five Civilized Tribes, forts, and the marches of Emory, Opothleytholo, and Blunt are shown in conjunction with the outline and major rivers of the present state of Oklahoma. Circa 1863. Drawer 8611
202. Indian Territory. A black on white map measuring 13" x 22" and showing the locations and boundaries of the lands of the various Native American groups occupying the Indian Territory after 1866. Smaller areas are identified with their respective owners by the use of numerals keyed to a list of groups. Circa 1870. Drawer 8611 MISSING
203. Indiana, Ohio, and Michigan Territory. A 14" x 18" negative photocopy showing state, territory, and county boundaries, cities, towns, and bodies of water. The areas south of Lake Michigan inhabited by the Pottawatomies and Kickapoos are identified. The area covered includes the present states of Indiana and Ohio, as well as the southern portion of the present-day state of Michigan. An inset shows a "Plan of Cincinnati" by the Ohio River. Engraved and printed by Fenner, Sears, and Company, London, Indian Territory, Hinton, Simpkins, and Marshall. Circa 1820. Drawer 8611
204. Indiana and Ohio. A 13" x 15" negative photocopy of a map showing essentially the same area and information as in number 203 above. Indian boundaries are shown. Also, the areas of the Pottawatomies and Kickapoos are somewhat changed. There is no inset. S. E. Morse, 1823. Drawer 8611
205. Indiana. A 9" x 13" negative reproduction of a map giving the "Indian Names of Lakes, Rivers, Towns, Forts, etc. of Indiana." The locations of various Native American Groups within the state are also indicated. Daniel Hough, Indiana Geological Report, 1882. Drawer 8611

Map Collection #22: Private Collections, Miscellaneous

206. Oklahoma. A 19" x 34" black on white map showing the boundaries of the state, and of each county, with the counties named. No date. Drawer 8611
207. Oklahoma. A 19" x 34" black on white map showing the state outline, rivers, and reservoirs. Also includes vicinity map. No date. Drawer 8611
208. Colfax and Mora Counties, New Mexico. A colored sectional map measuring 29" x 39". Shown are section, township, and range lines, cities, towns, wagon roads, trails, railways (both existing and proposed), telephone lines, coal veins, and some geographical features are shown. The "Beaubien and Miranda or Maxwell Grant" is also indicated. Includes explanation of symbols. Scale 4 miles = 1 inch. "Compiled from the Original Plats in the Surveyor General's Office at Santa Fe, New Mexico, and from Private Surveys by the Maxwell Land Grant Company. 1889." Drawer 8611

Gray, H.

209. Oklahoma. A colored, fold-out railroad map of the state measuring 27" x 51". Routes of the various steam railroad companies are shown, and are color coded to ownerships in the explanation. Electric railway routes are also shown, with companies given in the explanation. Also contained in the explanation are the total miles for each rail company, as well as symbols keyed to map identifying stations, spurs, and other information related to the railways. Also shown on map are counties, cities, towns, and waterways. Scale 1 inch = 10 miles. Corporation Commission, State of Oklahoma, 1922. Drawer 8611
210. Oklahoma. A railroad map of the state in the same format, and with the same information as that contained in number 209 above. Corporation Commission, State of Oklahoma. 1932. 2 copies. Drawer 8611
211. Kansas. A 24" x 26" colored geologic map of the state showing rock formations and distinguishing the various plains, uplands, and hills. Waterways and some cities and towns are also indicated. A cross-section map of the geology of the state, and text are also included. By Ramond C. Moore, no date. Drawer 8611

Hainer, B. T.

212. Hainer's Addition, Guthrie, Oklahoma Territory. A blueprint map measuring 22" x 35" and showing streets and home lots. Includes text comprised of the certification of the creation of the addition. Reverse contains names of public buildings and important residences, which are keyed to the map by number. Scale 80 feet = 1 inch. Circa 1902. Drawer 8612

Hallock, E. L.

213. Northern Kansas. A black on white map measuring 11" x 14". The northeastern portion of the present state showing its towns, counties, waterways, railways, and the Kickapoo Reserve. A second map on the same sheet is a location map showing the area described above in relation to the northern plains. The reverse contains the text "Resources of

Map Collection #22: Private Collections, Miscellaneous

Northern Kansas" which gives the benefits of settlement in the area. The C. B. Union Pacific Railroad Company, no date. Drawer 8612

214. Oklahoma Territory and Cherokee Strip. A 24" x 30" colored section map showing section, township, and range boundaries, counties, county seats, cities, towns, waterways, and transportation routes. Prices per acre are given for Cherokee Strip lands. Insets include Beaver County, a location map, and an explanatory township map. The locations of county seats are noted in text. Scale 8.5 miles = 1 inch. Hudson-Kimberly Publishing Company, Kansas City, Missouri, no date. Drawer 8612

Hargrett, L.

215. Southern Plains. A negative reproduction measuring 14" x 21" and showing a "Map of the St. Louis and San Francisco Railway and Connections." Map also includes states, territories, cities, towns, and waterways. The area covered extends from southern Illinois and southern Colorado to southwestern Alabama and southwestern New Mexico. Map advertises settlement in the area. Includes photographic negative. Woodward, Tiernan, and Hale, Map Engravers, St. Louis, no date. Drawer 8612
216. Indian Territory, Texas, and Kansas. A negative reproduction measuring 15" x 23" and showing the "Great Rock Island Route." Connecting railways, roads, cities, towns, waterways, Indian lands, and state and territory boundaries are also shown. The area covered extends from northern Kansas to northern Texas and includes No Man's Land, the Cherokee Strip, and the Texas Panhandle. Insets show the Cherokee Strip along the Great Rock Island Route, No Man's Land, and a township plat with text explaining the section system. No date. Drawer 8612
217. Indian Territory. A 10" x 13" negative reproduction showing lands to be opened, as well as the principal route to the Territory from Kansas. Cities, towns, Indian nations, waterways, and the site of the proposed Oklahoma capitol are indicated. Circa 1880. Drawer 8612
218. Indian Territory. A negative reproduction measuring 16" x 18" and showing "... the route pursued by an exploring party from Cantonment Gibson under the direction of Mr. McCoy." The route, encampments, and waterways are indicated. The area covered includes the Osage, Creek, and a portion of the Cherokee Reserves. Scale 15 miles = 1 inch. No date. Drawer 8612

Haydon, W. L. (Mrs.)

219. Hobart, Oklahoma. A 31" x 38" blueprint map showing home lots, streets, public areas, railways, and additions. Water mains, hydrants, and sewers are also indicated. Numerous advertisements surround the map. Compiled by William McCause, no date. Drawer 8612

Heffner, R. E.

220. Norman, Oklahoma. A 20" x 36" penciled chart of "Road Cross-Sections North of Lindsey and Trout in the Miller Addition." Scale 1 inch = 5 feet. Plotted by R. Lewis, 1929. Drawer

Map Collection #22: Private Collections, Miscellaneous

8612

221. Missouri. An 18" x 24" colored Phillips Petroleum Company highway map which also shows cities, towns, mileages, and waterways. Includes index of cities and towns, and an inset of southeastern Missouri, reverse contains a United States highway map with National Parks and Monuments numerically keyed to an inset identifying each. A table of United States mileages is also included. Copyright by Gallup Map and Supply Company, Kansas City, Missouri, 1931. Drawer 8612
222. Boulder Dam, Nevada. An 8" x 8" black on white map which also shows other dams, highways, selected cities and towns, railways, waterways, an aqueduct and a power transmission line. Area covered includes southern Nevada, southern California, and western Arizona. Map is part of a fold-out pamphlet with text and photographs of Boulder Dam. Includes a diagram of dam operations. United States Department of the Interior, Bureau of Reclamation, 1939. Drawer 8612
223. Lompoc Quadrangle, California. A colored topographic map of Santa Barbara County measuring 17" x 23" which also shows highways, cities, towns, public lands, and waterways. Scale 1:125,000. Army Map Service, United States Army, Washington, D. C., 1943. Drawer 8612
224. Pittsburgh, Pennsylvania. A black on white street map measuring 27" x 40". Additions, public areas, cemeteries, railways, and waterways are also shown. Reverse contains guide to streets. R. L. Polk and Company, 1918. Drawer 8612
225. Oswego East Quadrangle, New York. An 18" x 22" colored topographic map which also shows land use patterns, cities, towns, roads, railways, waterways, and schools. 7-1/2 minute series. Scale 1:31,680. Army Map Service, United States Army, Washington, D. C. Drawer 8612
226. Oran, Algeria. A 16" x 25" colored map showing topography, land use patterns, cities, towns, roads, railways, waterways, water crossings. Oran and the surrounding area is covered. Scale 1:50,000. Army Map Service, United States Army, Washington, D. C., 1942. Drawer 8612

Hendricks, J. R.

227. Indian Territory. A black on white map measuring 14" x 17" and showing the locations and boundaries of the various Indian nations. Map also shows latitude and longitude, railways, and waterways. Scale 24 miles = 1 inch. Two copies. Circa 1870's. Drawer 8612

Hume, C. R.

228. Texas. A colored map measuring 21" x 24". Shown are counties, cities, towns, highways, roads, railways, waterways, and some geographical features. Includes index to locations, as well as populations of cities and towns. Oklahoma, eastern New Mexico, and northern

Map Collection #22: Private Collections, Miscellaneous

Mexico are shown in less detail. Published and copyrighted by Clason Map Company, Denver, 1917. Drawer 8612

229. Texas and Oklahoma. Map is toned and measures 23" x 24". Counties, cities, towns, roads, railways, and waterways are indicated. Also included, but in lesser detail, are eastern New Mexico and northern Mexico. Published by the Texas Railway Guide Company, St. Louis, no date. Drawer 8612
230. Kansas. A colored "Official Railroad Map of Kansas" measuring 15" x 21". Also shown are counties, cities, towns, and waterways. Railway routes are color-coded to an identifying list. Copyright by Matthews, Northrup, and Company, Art-Printing Works, Buffalo and New York, 1890. Drawer 8612
231. Northern Colorado. A colored 9" x 16" map of the "Main Trunk Highways in Northern Colorado." Also shown are cities, towns, railways, waterways, public lands, wildlife locations, land use patterns, and some geographical features. County seats are indicated. Scale 1 inch = 14 miles. Prepared by the Northern Colorado Highway Association, no date. Drawer 8612
232. Oklahoma. A colored map of the state measuring 24" x 46". Counties, cities, towns, railways, public lands, military reservations, Indian reservations, waterways, and some geographical features are indicated. Six insets show McAlester and vicinity, Muskogee, Guthrie, Tulsa, Oklahoma City, and a township diagram. A legend is included. Scale 1 inch = 12 miles. Department of the Interior, General Land Office, 1914. Drawer 8612
233. Oklahoma. A colored map of the state measuring 18" x 22". Counties, cities, towns, roads, railways, and public lands are indicated. Includes index showing map locations and populations of cities and towns, Published by the Clason Map Company, Denver, 1917. Drawer 8612
234. Oklahoma and Indian Territories. A 16" x 21" colored map showing the "State of Oklahoma" and Indian Territory just prior to statehood. Cities, towns, counties, Indian nations, roads, and waterways are shown. The reverse side contains an index of the map locations and populations of cities and towns. The Kenyon Printing and Manufacturing Company, Des Moines, 1902, revised 1906. Drawer 8612
235. Oklahoma. A colored map of the state measuring 13" x 20" and showing cities, towns, counties, roads, railways, and waterways. Map includes legend. Prepared for Thos. D. Murphy Company, Art Calendars, Red Oak, Iowa for inclusion into calendars. Thirteen copies, some still attached to calendars. Copyright J. W. Clement Company, Buffalo, circa 1957-58. Drawer 8612
236. Southwestern Oklahoma. A 23" x 28" blueprint map showing oil and gas wells in various stages of production within the region. Cities, towns, railways, waterways, and some

Map Collection #22: Private Collections, Miscellaneous

- geology are also shown. Scale 3/16 inch = 1 mile. R. S. Lewis, Oklahoma City, no date. Drawer 8612
237. Oklahoma. A colored highway map of the state measuring 15" x 28" and also showing counties, cities, towns, and waterways. Includes legend and text with statistical information for the state. Reverse contains a hand-drawn outline of the United States. Scale 1:500,000. National Councillors, 1916. Drawer 8612
238. Oklahoma. A series of twelve (eleven different) 11" x 17" colored maps with state trivia shown by notes and pictographs in conjunction with major roads, cities, and towns. The reverse of each shows a portion of a state highway map and text describing tours. The eastern half of the state is shown, with the remainder having been cut off. By Roger Glenn Taylor, for the State Highway Department. No date. Drawer 8612
239. Oklahoma. A blue on white plat of Township 7 North, Range 10 West, south of the Washita River. Plat measures 18" x 24". No date. Drawer 8612
240. Kiowa County, Oklahoma. A 10" x 13" blue on tan map of the "Proposed U. S. Soil Erosion Service Watershed Project, Washita River Basin of Oklahoma, Kiowa County." Towns, railways, and township and range boundaries are shown, in addition to waterways. Scale 3/8 inch = 1 mile. No date. Drawer 8612
241. Oklahoma. An 8" x 17" black on white "Drainage Map of Washita River and Tributaries..." Also shows towns, roads, railways, and township and county boundaries. Prepared by Conservation Commission, State of Oklahoma, no date. Drawer 8612
242. Caddo County, Oklahoma. A blue on white township map measuring 17" x 22". Also shown are sections, cities, towns, roads, railways, and waterways. Includes legend. By the Gallup Map and Stationery Company, Kansas City, Missouri, for Lacey-Pioneer Abstract Company, Anadarko, Oklahoma, no date. Four copies. Drawer 8612
243. Caddo County, Oklahoma. A blue on white map measuring 18" x 29" and showing townships, sections, cities, towns, roads, railways, and waterways. Includes legend. Four copies, one with red crayon markings indicating Indian land allotments. Scale 1 inch = 2 miles. Lacey-Pioneer Abstract Company, Anadarko, Oklahoma. No date. Drawer 8612
244. Caddo County, Oklahoma. A 17" x 22" blue on white township map of the county. Map is nearly identical to number 242 above. By Gallup Map and Supply Company, Kansas City, Missouri, for the Caddo County Abstract Company, Anadarko, Oklahoma. No date. Three copies. Drawer 8612
245. Caddo County, Oklahoma. A blueprint road map measuring 17" x 29". Shown in addition to toads are townships, sections, cities, towns, railways, and waterways. State of Oklahoma, Department of Highways, 1917. Drawer 8612

Map Collection #22: Private Collections, Miscellaneous

246. Caddo County, Oklahoma. A colored railroad map of the county measuring 14" x 21". Also shown are townships, sections, cities, towns, and waterways. Reverse contains descriptive text for "Apache and Vicinity." Copyright Rand, McNally and Company, 1909. Drawer 8612
247. Caddo County, Oklahoma. A black on white map with crayon markings showing the "Proposed U. S. Soil Erosion Service Watershed Project, Washita River Basin of Oklahoma, Caddo County." Shown in addition to waterways are townships, sections, cities, towns, and railways. Scale 3/8 inch = 1 mile. No date. Drawer 8612
248. Caddo County, Oklahoma. A blue on white map measuring 23" x 35". Included are townships, sections, cities, towns, roads, railways, waterways, and reservoirs. A large inset shows a street map of Anadarko with streets and points of interest keyed by number to an identifying and locating list. Numerous Advertisements surround the two maps. Southwestern Publishing Company, Oklahoma City, Oklahoma. Drawer 8612
249. Anadarko, Oklahoma. A blue on white map measuring 18" x 20" and showing streets, home lots, cemeteries, recreation areas, railways, highways, and the Washita River. Scale 1 inch = 200 feet. Two copies. Lacey-Pioneer Abstract Company, no date. Drawer 8612
250. Choctaw and Chickasaw Nations, Indian Territory. A 16" x 19" blueprint map featuring the leased portions of those lands within the two nations. Also shown are villages, forts, waterways, and geographical features. Some historical routes and Indian battles are indicated. Copied from Bureau of Topographical Engineers Map, 1859. Drawer 8612
251. Southern Plains. A black on white "Map of the Country Between the Frontiers of Arkansas and New Mexico embracing the section explored in 1849, 1850, 1851 and 1852." Settlements, forts, political boundaries, transportation routes, waterways, and some geographical features are shown on this 28" x 60" map. By Captain R. B. Marcy, Fifth United States Infantry, no date. Drawer 8612
252. Western United States. A colored 9" x 13" "Map Showing Indian Reservations in the United States and Number of Indians Belonging Thereto." Also shown are cities, towns, forts, railways, waterways, and some geographical features. 1877. Drawer 8612
253. United States. A black on white map measuring 8" x 10" and showing canals and railroads. Political boundaries, cities, towns, forts, other waterways, and some geographical features are also indicated. "Based on H. S. Tanner's Map of 1840." No date. Drawer 8612
254. United States. A colored map measuring 13" x 19" and showing "Judicial Circuits and Districts of the United States." States and counties are also shown and named. Insets show the districts of Hawaii, Alaska, the Canal Zone, the Virgin Islands, and Puerto Rico. Copyright Rand McNally, 1946, with the information given being for the year 1949. Drawer

255. United States. A circa 13" x 18" colored map similar to number 254 above, but for the year 1952. Two copies of slightly different editions. Copyright by Rand McNally and Company. Drawer 8612
256. United States. A 10" x 18" colored map showing states with their capitals, and being color-coded to a list of regions designated a "Reporter Color Chart." Copyright Rand McNally Company, no date. Drawer 8612
257. Oklahoma. A 17" x 22" colored county map of the state showing pictographs and notes of historical interest. Also shown are selected cities and towns, trails, and a list of "Prominent Oklahomans." Prepared by The Mentholatum Company, Wilmington, Delaware, circa 1937. Drawer 8612
258. United States. A colored "Map Showing Indian Reservations Within the Limits of the United States." Also shown are cities, towns, railways, waterways, and forts. Insets show Alaska, and enlargements of Indian Territory, and California's Mission Indian Reservation. A legend is included. T. J. Morgan, Commissioner of Indian Affairs, 1891. Drawer 8612
259. United States. A colored map of the continental United States, southern Canada, and northern Mexico. States, provinces, cities, towns, highways, waterways, public lands, and some geographical features are indicated. Insets show national defense information by region, and population, by state, based on the 1940 census. Also included is a list of United States cities with a population greater than 300,000 in 1940. The National Geographic Society, 1940. Drawer 8612
260. North America. A colored map measuring 28" x 36" and covering an area extending from northern Canada and Greenland to northern South America. The Caribbean Islands are also included. Political divisions, cities, towns, roads, and waterways are indicated. Insets show the "Bering Sea and the Aleutian Islands," as well as the Diomed Islands. Scale 1:11,000,000. The National Geographic Society, Washington, D. C., 1952. Drawer 8612
261. Wichita, Kiowa, Comanche, and Apache Reservations, Oklahoma. A blue on white map measuring 44" x 63" and showing townships, sections, settlements, roads, railways and waterways. A location map inset, as well as a legend, are included. United States Department of the Interior, Geological Survey, Tulsa, Oklahoma, 1933, revised 1936. Drawer 8612
262. Pacific Area. An 11" x 13" black on white map showing naval bases of various World War II nations. Flying distances are shown. Also, United States- and Japanese-controlled areas are differentiated. The area covered includes the Pacific Ocean and islands, Australia, eastern Asia, and the western portion of the Americas. Compliments of C. C. Lucas, no date. Drawer 8612

Map Collection #22: Private Collections, Miscellaneous

263. Oklahoma. A black on white "Drouth Frequency Map, 1907-1936." Map measures 7" x 12" and shows counties, selected cities, and waterways in addition to drouth frequency information. "Information for base map obtained from United States Geological Survey Maps." No date. Drawer 8612

Hurley, Patrick Jay

264. Middle East. A colored map of the "Bible Lands and the Cradle of Western Civilization." Map measures 25" x 35" and shows political boundaries, cities, towns, roads, railways, and waterways. Also, numerous historical notes and travel routes are included. Insets include enlargements of Jerusalem, as well as the Holy Land. A second group of insets show "Economic Development", "Route of the Exodus", "St. Paul's Travels and the Seven Churches", "The Crusades", and "Empire Boundaries and Army Routes of Alexander the Great." Scale 1:3,000,000. Copyright by The national Geographic Society, Washington, D. C., 1938. Drawer 8612
265. Middle East. A 14" x 17" negative map featuring Arabian boundaries from 1878 treaties through 1913. Major cities and political divisions are also indicated. An inset covers the Aegean Sea area. Stanford's Geog. Estab., London, no date. Drawer 8612
266. Afghanistan. A negative map measuring 8" x 11" and showing cities, waterways, and potential oil fields within Afghanistan and areas of adjacent nations. No date. Drawer 8612
267. Middle East. A 13" x 17" sheet containing two maps, the first of which is a negative map of the entire Middle East with railways, pipelines, wells, and tanker routes indicated. A legend is included. No date. The second map is a negative "Oil Map of Iraq" showing the concessions of four oil companies. Scale 1:5,300,000. No date. Drawer 8612
268. Middle East. A toned map measuring 8" x 10" and showing refineries, oilfields, tanker terminals, and pipelines for countries within the area. No date. Drawer 8612
269. Middle East. A 35" x 38" blueprint map of "The Arabian Peninsula and Adjoining Areas." Shown are transportation routes, geographical features, waterways, towns, oil wells, and pipelines. The area covered includes Saudi Arabia and adjoining nations. California Arabian Standard Oil Company, 1942. Drawer 8612
270. Northern Indian. A colored map measuring 30" x 36". Political divisions, cities, towns, transportation routes, geographical features, and topographical contours are included. Includes legend and two location map insets. The area covered includes Afghanistan and other nations to the north of northern Indian, which is shown as far south as the Central Provinces. Scale 1:4,000,000. Geographical Section, United States War Department, 1927. Drawer 8612
271. China. A colored, hand-drawn map measuring 17" x 30" and showing military locations for

Map Collection #22: Private Collections, Miscellaneous

- a region of the country. Includes historical notes on two accompanying sheets. Regional borders, towns, and transportation routes are also indicated. J. S. Service from General Chen Y., 1944. Drawer 8612
272. China. A 39" x 40" colored portion of a map which shows southern China and northern Thailand. Political divisions, cities, towns, and transportation routes are indicated. Blue hand-drawn symbols indicate the positions of Nationalist Chinese forces. Scale 1:2,000,000. A United States State Department Map marked "TOP SECRET" in several places, 1944. Drawer 8612
273. Asia. A colored map measuring 26" x 40" and covering Asia, Europe, northern Australia, and northern Africa. Cities, towns, railways, waterways, ruins, geographical features, and oil pipe lines are indicated. Includes legend. Scale 1:17,500,000. The National Geographic Society, Washington, D. C., 1942. Drawer 8612
- Lenski, L.**
274. Westminster, England. A 10" x 12" black on white reproduction of a "Plan of Westminster: From Norden's Survey, Taken in Queen Elizabeth's Reign, 1593." A pictograph street map with buildings and areas of historical importance identified. Published by John Thomas Smith, 1808. Drawer 8612
275. London, England. A 10" x 16" black on white "... Plan of the City and Liberties of London after the Dreadful Conflagration in the Year 1666." A street map showing areas destroyed and areas saved. Also, churches and other notable sites are keyed by number to identifying lists. Drawer 8612
276. New Belgium and New England. A 9" x 14" magazine map containing a colored photograph and explanation of a Seventeenth Century map of the present-day areas of New York and New England. Map includes pictographs. Many inaccuracies are apparent. From *Country Life*, volume 46, number 5 (September, 1924). Drawer 8612
277. Africa. A 9" x 14" magazine page with a colored photograph of Willem Blaeu's circa 1635 map of the African continent. Includes pictographs and text. From *Country Life*, volume 46, number 5 (September, 1924). Drawer 8612
278. Holland. A 10" x 14" magazine page with a colored reproduction of a Willem Blaeu map dated circa 1635. Map uses Latin place names and pictographs, and is accompanied by text. The reverse side contains a reproduction of a map of the New World by F. De Wit, circa 1688, also in Latin and using pictographs. From *Country Life*, volume 46, number 5 (September, 1924). Drawer 8612
279. Rouen, France. A 9" x 12" black on white reproduction of a painting of the city of "Rouen en 1525". No date or source for reproduction. Two copies. Drawer 8612

Map Collection #22: Private Collections, Miscellaneous

280. Rouen, France. A black on white copy of a facsimile engraving of the city showing a different view than that shown in number 279 above. Measurements are 9" x 12". Sixteenth Century. Drawer 8612
281. Rouen, France. A 9" x 12" copy of a facsimile showing streets, buildings, waterways, and terrain. Buildings, streets and other areas of historical interest are keyed by number to an identifying list. The city is shown as it appeared in 1575. No date for the reproduction. Drawer 8612
282. South Carolina. "An Hysterical Map of South Carolina", being black on white and measuring 18" x 24". A pictographic map of the state showing and identifying points of historical interest, and including humorous sidelights. Drawer 8612

Lillie, G. W.

283. Pawnee, Oklahoma. A 29" x 42" blueprint map of the Pawnee Bill Addition showing streets, home lots, the high school, and the G. W. Hughes tract. Scale 1 inch = 50 feet. No date. Drawer 8612
284. Oklahoma. A colored map measuring 13" x 20" included as part of a calendar. Counties, cities, towns, and transportation routes are indicated. The reverse contains an index. Scale 1 inch = 20 miles. Copyright by The Kenyon Company, Inc., 1927. Drawer 8612
285. Oklahoma. A colored railroad map measuring 27" x 52". Counties, cities, towns, and the various railways are shown. Railways are keyed by color to an explanation giving names, types, and mileages of railways. Scale 1 inch = 10 miles. Copyright by Art L. Walker, Corporation Commission of Oklahoma, 1920. Drawer 8612
286. United States. A 28" x 38" colored map showing states, cities, towns, highways, railways, waterways, and elevations. Includes numerous insets of major cities. An explanation is also included. Scale 1:5,250,000. Copyright by The National Geographic Society, Washington, D. C., 1923. Drawer 8612.
287. North America. A colored 28" x 38" map showing states and provinces, cities, towns, railways, waterways, elevations, and ocean currents for an area extending from the North Pole to northern South America, and including Greenland, Iceland, and the Caribbean. Two insets show the eastern West Indies and the Aleutian Islands. Scale 1:10,000,000. Copyright by The National Geographic Society, Washington, D. C., 1924. Drawer 8612
288. Pacific Ocean. A 39" x 32" colored map showing the Pacific, as well as most areas of the adjoining continents. Numerous insets show major Pacific Islands. Scale 1:35,000,000. Copyright by The National Geographic Society, 1936. Drawer 8612

Litton, G.

289. Eastern Oklahoma. A 24" x 24" blue on white map of "The Proposed State of Sequoyah."

Map Collection #22: Private Collections, Miscellaneous

- Counties and waterways are shown. No date. Drawer 8612. [See also Map #41-18-8502]
290. Northeastern Indian Territory. A blue on white map measuring 10" x 16" and showing the areas occupied by the Quapaw, Peoria, Ottawa, Shawnee, Modoc, Wyandotte, and Seneca. Capitals and the Quapaw Agency are also indicated, as is the Neosho River and state boundaries. Political divisions shown on the map are as they appeared in 1879. No date for map. Drawer 8612. [See also Map #41-13-8502]
 291. Oklahoma. A blue on tan map measuring 23" x 36". Coal Districts I through V, and their composite counties are shown in eastern Oklahoma against an outline of the state. No date. Drawer 8612. [See also Map #41-22-8502]
 292. Oklahoma. A 12" x 17" blue on white map showing an outline of the state with length, breadth, and diagonal distances. No date. Drawer 8612. [See also Map #41-4-8502]
 293. Oklahoma. A 12" x 17" blue on white map showing the Indian Meridian, base lines, and land survey areas extending from these. No date. Drawer 8612
 294. Oklahoma. A blue on white map measuring 24" x 36". Shown are "Early Forts of Oklahoma", as well as their dates of establishment. Major rivers are also shown and named. No date. Drawer 8612. [See also Map #41-11-8502]
 295. Oklahoma. A blue on white map measuring 22" x 36" which shows the locations of Indian schools, academics, an agricultural school, and a seminary. No date. Two copies. Drawer 8612
 296. Oklahoma. A 24" x 36" blue on white map showing missions and their respective dates of establishment in conjunction with major rivers. No date. Two copies. Drawer 8612. [See also Map #41-10-8502]
 297. Oklahoma. A 24" x 36" blue on white map showing the names and locations of institutions of higher education within the state as of 1955. No date for map. Drawer 8612. [See also Map #41-24-8502]
 298. Oklahoma. A blue on white map measuring 24" x 36" and showing "Airline Routes Across Oklahoma, 1952." No date for map. Drawer 8612. [See also Map #41-21-8502]
 299. Oklahoma. A 24" x 36" blue on white map of "Oil Refineries in Oklahoma, 1955." The appropriate cities are shown on map, and are matched with refinery ownerships on the reverse side. No date for map. Drawer 8612. [See also Map #41-20-8502]
 300. Indian Territory. A 24" x 36" blue on white map showing the locations of "Tribes Removed to Reservations in Indian Territory After the Civil War." Tribal boundaries are indicated, while the individual areas are identified by numbers correlated, on the reverse side, to tribal

Map Collection #22: Private Collections, Miscellaneous

names and dates of removal. A second copy is identical, but without identifying information on reverse side. No date for map. Two copies. Drawer 8612. [See also Map #41-12-8502]

301. Indian Territory. A 24" x 36" blue on white map of the "Indian Territory, 1837-55." Shown are tribal lands and boundaries, settlements, forts, camps, trading posts, agencies, roads, and rivers. No date for map. Drawer 8612. [See also Map #41-8-8502]
302. Indian Territory. A 24" x 36" blue on white map containing the same information as that in number 301 above, but for "Indian Territory, 1855-1860." No date for map. Drawer 8612. [See also Map #41-9-8502]
303. Oklahoma and New England. A blue on white map measuring 24" x 36" which shows the names and outlines of Oklahoma and the New England states, comparing the sizes of the two areas. No date. Drawer 8612. [See also Map #41-1-8502]
304. Indian Territory. A 12" x 16" blue on white map showing "Indian Territory Proposed Between 1830-1840." Proposed Territory areas are shown in conjunction with an outline of the continental United States. No date for map. Drawer 8612. [See also Map #41-6-8502]
305. Plains States. A blue on white map measuring 16" x 21" and showing "States Formed From the Region Ceded by France, 1803." Included are the Plains states from Montana and Minnesota to Colorado, Oklahoma, and Louisiana. These modern states are named, and their boundaries are shown. Encircling this area is an outline map of the continental United States. No date for map. Drawer 8612. [See also Map #41-5-8502]
306. United States. A blue on white map measuring 16" x 21" and showing the "Reduction of the Buffalo Ranges." Range boundaries and dates are shown in conjunction with an outline map of Indian Territory, and encircled by an outline map of the continental United States. No date for map. Drawer 8612. [See also Map #41-14-8502]
307. Southern Plains. A blue on white map measuring 33" x 46". "Cattle Trails Across the Indian Territory" are shown and named. Also included are key stops along the trails, railways, and boundaries of present-day states involved. The area covered extends from Kansas City and Dodge City southward to San Antonio. No date for map. Drawer 8612. [See also Map #41-16-8502]
308. Southeastern United States. A 27" x 36" blue on white map showing the "Removal of the Southern Tribes to the Indian Territory." Original homelands, removal routes, and the general areas of relocation are shown for the Five Civilized Tribes. Key agencies and Forts of Indian Territory are indicated, as well as the boundaries and names of present-day southeastern states. No date for map. Drawer 8612. [See also Map #41-7-8502]

Martin, T. P., Jr. (Mrs.)

309. Oklahoma City, Oklahoma. A 24" x 32" colored map showing home lots, streets, railways,

Map Collection #22: Private Collections, Miscellaneous

waterways, and additions for the area surrounded by Grand Boulevard. Compiled from official records by the Adams Engineering and Blueprinting Company, 1921. Drawer 8613

McCurtain, Green

310-14 [Void Numbers]

315. Bennington. A 19" x 21" black on white street map showing measurements, and a table of descriptions and areas. October, 1902. Drawer 8613

316-27 [Void Numbers]

328. Hartshorne. A black on white street map measuring 34" x 39" which also shows measurements, and a table of descriptions and areas. 1903. Drawer 8613

329-32 [Void Numbers]

333. Krebs. A 36" x 36" black on white map showing streets, the railway and its depot, and a table of descriptions and areas. A vicinity map inset is also included. 1902. Drawer 8613

334-35 [Void Numbers]

336. McCurtain. A black on white street map measuring 11" x 25" which also shows home lots, measurements, and the Fort Smith and Western Railroad station grounds and depot. 1904. Drawer 8613

337. Quinton. A blueprint map measuring 11" x 13". Streets, the Randall Addition, and the Fort Smith and Western Railroad right of way are indicated. Also, home lots are shown with sold lots so indicated. 1903. Drawer 8613

338-50 [Void Numbers]

351. A 24" x 32" brown on white map showing newly installed telephone lines of the Goodwater Telephone Company. Also shown are townships, sections, and sub-sections. The area covered is near or within Kiamichi County, Choctaw Nation, 1907. Drawer 8613

352. [Void Number]

353. St. Louis, Missouri World's Fair. A 10" x 20" colored map terrain, roads, and the locations of specific exhibits. The area covered includes the fairgrounds and immediately adjacent areas. 1904. Drawer 8613

McLain, R. S.

354. North Atlantic Ocean. A "Pilot Chart of the North Atlantic Ocean", being colored and comprising both sides of a 25" x 38" sheet. Shipping routes, distances, and wind patterns are

Map Collection #22: Private Collections, Miscellaneous

- shown for the Atlantic north of northern South America and central Africa. An accompanying text gives wind and fog information on a monthly basis. Includes an explanation of symbols used, as well as several insets. Prepared by the Army Map Service, 1944. Drawer 8613
355. Italy. A colored fold-out map in a 7" x 10" booklet showing cities, towns, highways, waterways, and some geographical features. No date. Drawer 8613
356. Rome. A colored map in pictographic format measuring 30" x 42" and showing the architectural monuments of the city. The reverse contains an index of monuments and other important buildings with locations keyed by number to the map. Also, transportation routes are shown in a separate black on white street map on the reverse side. An index is included. No date. Drawer 8613
357. France. A 34" x 35" colored Michelin highway map in French which also shows cities, towns, other political divisions, highway distances, and some geographical features. Map also includes a legend and an insert of Corsica. Scale 1 cm. = 11 km. No date. Drawer 8613
358. France. A negative map measuring 12" x 14" and showing "A Battery of 75s in the Tempest, May 1918." Battery positions and movements are shown in conjunction with cities, towns, transportation routes, and geographical features for the area west and north of Reims. From *Revue d'Artillerie*, Tome 123, March, 1939. Scale 1/80,000. Drawer 8613
359. France. A 34" x 46" colored map showing invasion routes through Normandy and the Cherbourg Peninsula. Also shown are cities, towns, transportation routes, and natural and man-made features. Two legends are included. Scale 1:500,000. 1942. Drawer 8613
360. France. A 10" x 12" colored map of northern France showing cities, towns, other political divisions, railways, and canals. An inset of Paris is included. Dodd, Mead, and Company, 1906. Drawer 8613
361. France. A toned map of the Attigny sector measuring 29" x 41". Shown are cities, towns, transportation routes, and geographical contours. 1:20,000. 1918. Drawer 8613
362. France. A black on brown on white map measuring 21" x 30", and showing cities, towns, transportation routes, and elevation contours for the Souilly region. Scale 1:50,000. Printed at Base Printing Plant, 29th Engineers, U. S. Army, 1918. Drawer 8613
363. France. A colored map, in French, measuring 21" x 29" and showing cities, towns, other political divisions, roads, railways, waterways, and geographical features for the Dijon region. Scale 1:200,000. Printed at Base Printing Plant, 29th Engineers, U. S. Army, 1918. Drawer 8613
364. France. A colored topographical map measuring 27" x 36". Shown are cities, towns,

Map Collection #22: Private Collections, Miscellaneous

- transportation routes, and geographical features for the Saint Menehould region. Map comprises both sides. Scale 1:50,000. No date. Drawer 8613
365. France. A colored topographical map on both sides measuring 29" x 41". Shown are cities, towns, transportation routes, and geographical features for the Tahure region. Areas destroyed by shell fire are indicated on one of two copies. Scale 1:20,000. 1918. Drawer 8613
366. France. A toned 25" x 38" topographic map of the Rethel area showing also cities, towns, transportation routes, and the route of advance. Scale 1:50,000. No date. Drawer 8613
367. Paris, France. A colored map measuring 28" x 28" and showing roads, points of historical interest, and public buildings for the city of Paris and environs. Includes legend. Scale 1:50,000. Geographical Section, General Staff No. 4238, War Office, 1942. Drawer 8613
368. Le Mans, France. A colored town plan measuring 19" x 20" showing streets, officers billets, strong points, mines, and roadblocks. No date. Drawer 8613
369. France. A 21" x 29" toned reproduction of a captured German document showing cities, towns, transportation routes, and topography. Also, the "German Situation Before the American Breakthrough, 25 July 1944" is shown in the form of troop and artillery emplacements. Includes legend. Scale 1:80,000. Circa 1941. Drawer 8613
370. France. A black on white map measuring 35" x 42". Shown are cities, towns, roads, waterways, and shipping routes. Also included are several insets, namely those of Spain, Great Britain, Africa, Italy, and Corsica, containing the same information as the larger map. Also, an inset of France shows minerals and waterways of the nation. Copyright by "Geographia" Map Company, New York, no date. Drawer 8613
371. France. A 36" x 42" colored map showing cities, towns, other political divisions, transportation routes, and some topographical features. All descriptions, and the national statistics on the reverse side are in German. Scale 1:1,000,000. Vichy France is indicated. Map is in two pieces. No date. Drawer 8613
372. Southern France. A 20" x 32" colored road map which also shows cities, towns, other political divisions, mileages, and elevations. Also included is an inset of Corsica. No date. Drawer 8613
373. France. A 22" x 29" reproduction of a map showing "Operations of 90th Infantry Division, Le Mans-Chambois, France, 10-22 August, 1944." The reverse side shows, in more detail, operations from August 12 to August 15, 1944. No date for map. Drawer 8613
374. France. A black on white topographic map of Reims and vicinity measuring 25" x 33". Cities, towns, transportation routes, and geographical features are also indicated. Circa 1912.

Map Collection #22: Private Collections, Miscellaneous

Drawer 8613

375. Germany. A 36" x 38" colored map showing cities, towns, and transportation routes for an area surrounded by the cities of Wurm, Grottenherten, Broichweiden, and Birkesdorf. Published by U. S. Army, 1944. Drawer 8613
376. Germany. A colored aeronautical chart measuring 22" x 29" and covering the northeastern region of Germany, and northern Poland. The Baltic Sea and southern Denmark are also included. Cities, towns, transportation routes, and aeronautical information are shown. Scale 1:1,000,000. Gulf of Danzig sheet, prepared by U. S. Coast and Geodetic Survey, 1945. Drawer 8613
377. Belgium and Germany. A 22" x 29" positive copy showing cities, towns, transportation routes, and topography. Other natural and artificial features are indicated. Includes legend, in French. The reverse contains text and maps of the Cologne area. Scale 1:200,000. Institut Geographique National, Paris, reproduced by 62nd Engr. Top. Co., U. S. Army, 1944. Drawer 8613
378. West Germany. A colored road map measuring 24" x 35" and covering the area of West Germany as well as East Germany as far as Berlin. Also shown are cities, towns, mileages, and waterways. Includes legend. Scale 1 cm. = 10 km. Services de Tourisme Michelin, Paris, 1945. Drawer 8613
379. Germany. An 11" x 19" colored map which is a quadrant from a larger map. Transportation routes, waterways, and military information are given. The reverse contains "New Information to Supplement Enemy Situation Map. 1918." Drawer 8613
380. Western Europe. A colored 27" x 36" "Complete War Map" showing the line of furthest German advance, as well as the battle line of December 10, 1917, in conjunction with cities, towns, roads, and waterways. An inset is a vicinity map. Copyright by Nelson Doubleday, Inc., 1917. Drawer 8613
381. Belgium and West Germany. A colored highway map measuring 21" x 44". Shown also are cities, towns, and waterways. Michelin, no date. Drawer 8613
382. Belgium. A brown on white topographical map measuring 20" x 29". In addition to topography, cities, towns, roads, railways, and waterways are included. No date. Drawer 8613
383. A hand-drawn map measuring 22" x 23" which presumably gives details of enemy encounters. Numerous statistics are included. No date. Drawer 8613
384. World. A colored map measuring 17" x 39". Nations and their boundaries are identified, with pre-war boundaries included. Also included are national resources and populations, and

Settlements, locations of various Native American groups, waterways, and the coastline are indicated. A black on white photocopy taken from an unidentified book. Original is circa 17th century. Drawer 8622
397. South America. A 12" x 15" brown on white map showing the locations of Native South American groups, regions, and waterways. Institute of Ethnic Affairs, Inc., Washington, D. C., 1947. Drawer 8622
398. Belgium. A brown on white pictographic map of "Austin, formerly Waterloo, founded 1839." Map measures 9" x 11". The village, streams, and road in the vicinity of Normandy Farm are shown. Printed on vellum paper, 1939. Drawer 8622

Rainey, G.

399. Enid, Oklahoma. A 9" x 11" positive reproduction of a map of Reed Township showing sections, sub-sections, home lots, ownerships, streets, and waterways. No date. Drawer 8622
400. Enid, Oklahoma. A township map of North Enid of the same format, and with the same information as number 399 above. Also shown are schools and the railway. No date. Drawer 8622
401. Enid, Oklahoma. A map of Flynn Township of the same size and format, and with the same information as number 399 above. No date. Drawer 8622

Map Collection #22: Private Collections, Miscellaneous

402. Enid, Oklahoma. A 9" x 11" negative reproduction of a township map of Enid showing the city and areas to the east. Sections, sub-sections, ownerships, streets, waterways, and the railway are indicated. No date. Drawer 8622
403. Enid, Oklahoma. A 9" x 12" positive reproduction of a township map of Enid covering most of the city and the area to the east. Map includes same type of information as number 402 above. No date. Drawer 8622
404. Enid, Oklahoma. A 9" x 13" positive reproduction of a township map of "Township 3 North Range 67 West of the Indian Meridian." The area covered lies northwest of North Enid. Shown are sections, sub-sections, ownerships, streets, waterways, the railway, and public buildings. Notes on reverse. No date. Drawer 8622
405. Enid, Oklahoma. A positive photocopy of a hand-drawn map showing the outskirts of the city, the railway, Skeleton Creek, and the Chisholm Trail. Individual buildings are numbered, but no key is included. No date. Drawer 8622
406. Enid, Oklahoma. A hand-drawn "Map of Enid, later to become North Enid." The outskirts of the city is shown in conjunction with the railway, Skeleton Creek, and the Chisholm Trail. Map is blue on white and measures 11" x 14". Individual buildings are numbered, but no key is included. By Diedrich L. Dalke. Map shows the area as of circa 1894. No date for map. Drawer 8622
407. Enid, Oklahoma. A colored, hand-drawn map of North Enid Township measuring 12" x 15". Sections, sub-sections, ownerships, and the Chisholm Trail. Drawn by Diedrich L. Drake, circa 1906. Drawer 8622
408. Enid, Oklahoma. A blue on white, hand-drawn map of Section 33-23-6 of North Enid Township showing the Chisholm Trail, the first tributary to Skeleton Creek, and the area of land plowed by Dalke. Map is accompanied by handwritten notes. A second page contains a diagram of a well, and a handwritten description of the location and features of same. Map measures 6" x 8". No date. Drawer 8622
409. Enid, Oklahoma. A 9" x 11" reproduction of an aerial photograph of Enid depicting Enid State School, the Skeleton Ranch, Alfalfa Field, oil and gas storage tanks, and a water tower. No date. Drawer 8622
410. Covington Area. A 9" x 14" positive reproduction of a township map showing sections, sub-sections, ownerships, waterways, and the railway. The area covered lies north of Hayward. No date. Drawer 8622
411. Waukomis Township. A black on white map measuring 9" x 14" which shows streets, additions, home lots, some ownerships, and the railway. Map includes handwritten notes.

Map Collection #22: Private Collections, Miscellaneous

Scale 400 feet = 1 inch. No date. Drawer 8622

412. Enid, Oklahoma. A township map of the city on two black on white sheets measuring 9" x 14". Home lots, streets, additions, some ownerships, the railway, and the Garfield County Fairgrounds are shown. No date. Drawer 8622
413. Enid, Oklahoma. A black on white street map measuring 22" x 28". Also shown are highways, public buildings and parks, and handwritten notes. A street map index is included. The reverse side contains a directory of services. Compliments of Central National Bank and Trust Company of Enid, no date. Drawer 8622
414. Oklahoma. A series of twelve maps on colored, 22" x 28" fiberboard plates. Historical Map of Oklahoma series, copyright by George Rainey, Enid, Oklahoma, 1935. Drawer 8622.
- Plate 1: Map shows exploration routes, trails, military forts, and roads. 1541-1895.
- Plate 2: Map showing the boundary changes of the Territory of Arkansas. 1820-1830.
- Plate 3: Map showing the lands and boundaries ceded to the Cherokees, Creeks, Chickasaws, and Choctaws, 1830-1850.
- Plate 4: Map similar to Plate 3 above except that Choctaw and Chickasaw lands have been divided, and the U.S. Neutral Strip is included. 1850-1860.
- Plate 5: Map shows further division of tribal lands as more were ceded land. 1860-1867.
- Plate 6: Further division of the tribal lands is shown, and includes the cessions in the area that presently lies in extreme northeastern Oklahoma. 1867-1870.
- Plate 7: Further divisions are shown, with numerous changes in tribal boundaries since the previous plate. 1870-1890.
- Plate 8: Map shows Oklahoma and other territories separated from Indian Territory. 1890.
- Plate 9: The opening of the Cherokee Outlet to settlement, and the addition of more counties in Oklahoma Territory are shown on this plate. 1906.
- Plate 10: Waterways of the state of Oklahoma are shown, the rivers in red and named, the lakes identified by numbers keyed to a list.
- Plate 11: State and federal institutions are keyed by numbers on the county outline map and are identified in an accompanying list.
- Plate 12: A county outline map of the state with county seats shown. Surrounding the map are photographs, names, and dates in office of territorial and state governors of Oklahoma.

Skinner, E. H.

- 418. Kaw Lake, Oklahoma. A colored map measuring 11" x 16" which shows the lake and vicinity. Towns, roads, railways, and various features of the lake are indicated. Includes vicinity map. The reverse side contains text concerning the construction of the lake. U. S. Government Printing Office, 1972. Drawer 8622
- 419. Kaw Lake, Oklahoma. A colored map measuring 17" x 24" and showing the lake and its various features. Nearby highways, roads, and towns are also indicated. Map also contains a legend and a vicinity map. The reverse side shows insets of coves, as well as a descriptive text containing local history and recreation information. U. S. Army, Tulsa Corps of Engineers, no date. Drawer 8622
- 420. Oklahoma City, Oklahoma. An 11" x 17" colored street map which also shows public buildings and transportation facilities. The reverse side contains a vicinity map, a map of the central city area, and a map of Will Rogers World Airport. Copyright by The H. M. Gousha Company, San Jose, California, no date. Drawer 8622
- 421. Tulsa/Oklahoma City, Oklahoma. A colored street map measuring 18" x 29". Governmental and school buildings, as well as public recreation areas are indicated. Map also contains an index and a text describing local points of interest. The reverse side contains the same map and information for Oklahoma City. Copyright by Rand McNally and Company, 1968. Drawer 8622
- 422. Indian Territory. A colored map measuring 17" x 24" and showing the "Civil War in Indian Territory, 1861-1865." Battle sites and marches are shown in conjunction with historic trails,

Map Collection #22: Private Collections, Miscellaneous

- camps, and forts, waterways, and present-day Oklahoma counties. Includes text and photographs. Oklahoma Department of Transportation, Historical Map Series. No date. Drawer 8622
423. Oklahoma. An 18" x 24" colored map entitled "Oklahoma and the Indian." Battlefields, museums, and other pertinent sites are shown in conjunction with modern counties and county seats. Map also contains descriptive text concerning specific sites and related information. Oklahoma Tourism and Recreation Department. No date. Drawer 8622
424. Oklahoma. An "Official State Highway Map" which indicates towns, cities, counties, roads, highways, railways, waterways, and various points of interest. Map also includes insets of street maps of major cities, a mileage table, legend, and indices. The reverse side contains text and photographs. Map is colored and measures 22" x 34". State of Oklahoma, 1964. Drawer 8622
425. Oklahoma. A colored "Official State Highway Map" measuring 18" x 33". Map contains basically the same information as that in map number 424 above. State of Oklahoma, 1975. Drawer 8622
426. Oklahoma. An "Official State Highway Map" measuring 18" x 33" and being multi-colored. Map contains basically the same type of information as that in number 424 above. State of Oklahoma, 1976. Drawer 8622
427. Oklahoma. A colored "Official State Map" measuring 18" x 33". Map contains basically the same type of information as that in number 424 above. State of Oklahoma, 1979. Drawer 8622
428. Oklahoma. A state highway map distributed by CONOCO. Map is colored and measures 18" x 27". Basically the same information as that contained in map 424 above is shown here, with more emphasis on tourist attraction information. Copyright by The H. M. Gousha Company, San Jose, California, circa 1977. Two copies. Drawer 8622
- Springstead, C. S., Jr.**
429. World. A colored "Pocket Map Showing Political Divisions, Cities, Towns, Etc." Map measures 21" x 27". Scale 1:63,677,000. Copyright by Rand McNally and Company, Chicago, no date. Drawer 8623
430. Washington, D. C. A black on white fold-out map measuring 28" x 32". Shown are streets, roads, railways, waterways, public recreation areas, governmental buildings, and mileages. Map includes street index. Published by Union Engineering and Surveying Company, no date. Drawer 8623
431. Kristiania, Norway. A 22" x 25" colored map of the city which later became Oslo. Streets, roads, port areas, topography, and other points of interest are shown. Map is in Norwegian,

Map Collection #22: Private Collections, Miscellaneous

with partial English translation provided. Scale 1:25,000. Udgiøet af Norges geografiske Opmaaling, 1881. Drawer 8623

Title, L.

432. Arkansas Territory. A black on white copy measuring 11" x 17". Arkansas Territory is shown extending into the modern states of Oklahoma, northern Texas, and eastern New Mexico. The Great Spanish Road, and several lesser trails to Indian towns are indicated. Most rivers and tributaries have Spanish names. "Melish Map of 1823." Drawer 8623
433. "Map of the Country Upon Upper Red River." A negative reproduction measuring 12" x 23". The area covered extends from the Cross Timbers in the Choctaw and Chickasaw Territory to the Llano Estacado. Map also includes a cross-section "Profile of the route from the head of the Ke-che-ah-que-ho-no to Fort Arbuckle." Exploration routes and camp sites are shown and dated in main map. Explored in 1853 by Captain R. B. Marcy, Fifth U. S. Infantry. Drawer 8623

Tompkins, S. R.

434. Eastern Pacific. An 18" x 25" reproduction of a French map covering the American west coast and a large portion of the Pacific. Latitude and longitude, and numerous islands are included. Two copies, one positive, and a smaller negative copy. Map is dated 1749. Drawer 8623
435. Bering Straits. A 9" x 14" negative reproduction of a Russian map, in French, showing the Bering Straits area. Map is accompanied by a letter, also in French, concerning Russian merchants' geographical discoveries. English explanations are attached to map and letter. Dated 1764. Drawer 8623
436. Russia. A 17" x 17" negative photocopy of the environs of St. Petersburg and various lake regions. Map is in Russian, with English explanation attached. Prepared by N. Il'in prior to 1917. Drawer 8623
437. Russia. A negative reproduction measuring 18" x 25" covering the Moscow industrial region and environs. Map is in Russian, with English explanation attached. Prepared by V. Semenov prior to 1917. Drawer 8623
438. Russia. An 18" x 21" negative reproduction of a map covering the areas of the central and lower Volga River Basin, with an inset of the city of Kazan. Map is in Russian, with English explanation attached. Prepared by I. N. Syrnev prior to 1917. A supplement to the work *Russia: Complete Geographical Description of Our Fatherland*, vol. 6, edited by V. P. Semenov, published by A. F. Debrien, no date. Drawer 8623
439. Russia. A negative reproduction measuring 13" x 18" containing two maps of Moscow and the Volga River areas, with the first describing the soils of the region. Map is in Russian, with English explanation attached. No date. Drawer 8623

Map Collection #22: Private Collections, Miscellaneous

440. Russia. A 13" x 18" negative reproduction of two maps covering the Black Soil region of central Russia and including the names of several ancient East Slavic tribes. The first covers the period of the Ninth through Eleventh Centuries. The second covers the period of the Eleventh through Thirteenth Centuries. Map is in Russian, with English explanation attached. Map according to Zamyslovskii, no date for original map. Drawer 8623
441. Russia. A 13" x 18" negative photocopy of two maps covering the same area as number 440 above for the Fourteenth through Fifteenth Centuries, and from the Fifteenth through Seventeenth Centuries. Map is in Russian, with English explanation attached. No date for original map. Drawer 8623
442. Russia. A negative photocopy measuring 13" x 18" showing population density of the central Russian Black Soil area for the Eighteenth and Nineteenth Centuries (top map), and with settlement statistics (bottom map). Map is in Russian, with English explanation attached. Prepared by V. Seminov, no date for original map. Drawer 8623
443. Russia. Two maps of the Black Soil area on a single 13" x 18" negative reproduction with the first showing plowed areas, and the second giving the correlation of rural population with grain yield. Map is in Russian with English explanation attached. Prepared by D. Seminov, no date. Drawer 8623
444. Moscow, Russia. A 13" x 18" negative reproduction of a map of the city as it appeared around 1900. Principal buildings are indicated on map and are keyed by number to identifying text. Map and text are in Russian, with English explanation attached. No date for map. Drawer 8623
445. St. Petersburg, Russia. A 13" x 18" negative reproduction of a city map of the Imperial capital as it appeared around 1900. Map and text are in Russian, with English explanation attached. Circa 1900. Drawer 8623
446. Russia. A 13" x 18" negative photocopy of a map showing the spread of forest into the Steppe during historical time. The area covered is the southern portion of the central Black Soil area. Map and text are in Russian, with English explanation attached. Published before 1917. Drawer 8623
447. Russia. A negative reproduction on two overlapping pages measuring 26" x 36" and showing the Black Soil area. Map includes the Don, Shat, and upper Orel Rivers. Insets include the environs of the cities of Tula, Orel, and Riazon. Map is in Russian, with English explanation attached. Published prior to 1917. Drawer 8623
448. Ancient Eastern Europe. An 11" x 12" photocopy of a map showing the locations of the Slavic and Finno-Ugarian peoples of the Ninth through Eleventh Centuries. Map is in German. Two copies, one positive, one negative. No date for original map. Drawer 8623

Map Collection #22: Private Collections, Miscellaneous

Wardell, M. L.

449. Norman, Oklahoma. A black on white street map measuring 19" x 24". Streets are shown, names and indexed. Public buildings, recreation areas, schools, and buildings of the University of Oklahoma are shown and named. An area west of the University is outlined in red pencil and marked "Mrs. M. L. Wardell." Published by The Transcript Company, Norman, Oklahoma, no date. Drawer 8623
450. Oklahoma. A colored 16" x 27" "Map Showing Condition of Improvement of the State Highway System." In addition to various types of roads and highways, also shown are counties, cities, towns, railways, waterways, and public lands. The reverse contains insets of street maps of the larger cities, mileage and population tables, traffic regulations, and photographs. "Official State Highway Map of Oklahoma", published by the Oklahoma State Highway Commission, Oklahoma City, Oklahoma, 1934. Drawer 8623
451. Oklahoma. A 20" x 27" colored "Official State Highway Map' showing basically the same information as number 450 above. Oklahoma State Highway Commission, 1940. Drawer 8623
452. Oklahoma. A colored "Official State Highway Map" containing basically the same type information as number 450 above. Map measures 20" x 27". Oklahoma State Highway Commission, 1941. Drawer 8623
453. Oklahoma. A colored state highway map containing basically the same type of information as number 450 above. Map measures 22" x 31". Oklahoma State Highway Commission, 1945. Two copies. Drawer 8623
454. Oklahoma. A state highway map containing basically the same type of information as number 450 above. Map is colored and measures 22" x 34". State of Oklahoma, Department of Highways, 1946. Drawer 8623
455. Texas. A blue on white "Highway Map and Guide" measuring 17" x 22". Shown are highways, roads, cities, towns, waterways. The reverse contains an index of cities and towns, as well as a tourist guide. Copyright by Mid-West Map Company, Aurora, Missouri, no date. Drawer 8623
456. Texas-Oklahoma-New Mexico. A colored highway map with basically the same type of information as number 455 above. The area covered includes Texas, Oklahoma and eastern New Mexico, and northeastern Mexico. Map measures 26" x 27". Scale 1" = circa 33.5 miles. Distributed by Sinclair, copyright by Rand McNally and Company, Chicago, no date. Drawer 8623
457. Big Bend and Carlsbad National Parks. A 4" x 9" colored map showing the parks and the intervening roads, towns, mountains, and waterways. The reverse contains an advertisement

Map Collection #22: Private Collections, Miscellaneous

- for Indian Lodge. No date. Drawer 8623
458. New Mexico and Arizona. A 17" x 28" blue on white highway map on two sides which also shows geographical features. Also included are tourist information and advertisements. Copyright by Highway Map Company, Topeka, Kansas, no date. Drawer 8623
459. Denver, Colorado. A colored street map measuring 18" x 24". Also shown are highways, railways, waterways, additions, and public areas. Includes index. two insets of the business district, and photographs. Copyright by Daniel-Smith CC, Denver, published by The Mountain States Tel. and Tel. Co., no date. Drawer 8623
460. Colorado. An 11" x 17" colored map of "Denver's Mountain Parks." Also includes roads, local towns, and descriptive text. U. S. Dept. of Agriculture, Forest Service, Mount Evans Region, no date. Drawer 8623
461. Rocky Mountain National Park, Colorado. A colored map measuring 16" x 18". A pictographic map showing roads, towns, elevations, and local attractions. Rocky Mountain Motor Company, no date. Drawer 8623
462. Colorado National Forest, Colorado. A black on white map measuring 19" x 24". Shown are roads, ranger stations, and boundaries. The reverse contains a descriptive text. U. S. Department of Agriculture, Forest Service, no date. Drawer 8623
463. Colorado. A colored highway map measuring 22" x 34". Also indicated are roads, cities, towns, counties, public and government lands, and some geographical features. The reverse contains a pictographic map of "Historical Highlights." Includes text and photographs. Colorado State Highway Department, Denver, 1949. Drawer 8623
464. Colorado and adjoining states. A 27" x 34" colored map of "Auto Roads to the Best of the Rockies from Boulder, Colorado." The area covered includes eastern and central Colorado, Kansas, southern Nebraska, southern Wyoming, and the northern portions of Oklahoma, Texas, and New Mexico. Issued by the Boulder Commercial Association, Boulder, Colorado. Copyright by Rand McNally and Company, 1921. Drawer 8623
465. Santa Monica, California. A black on white street map measuring 11" x 14". Streets, public areas, beaches, and bus routes are indicated. Copyright by Oliver F. Peasnell, General Engineering, 1932. Drawer 8623
466. Arkansas. A colored "Official Highway Map" measuring 18" x 23". In addition to highways and roads, cities, towns, counties, railways, waterways, and mileages are indicated. Map includes indices, and several insets showing streets of the larger cities and the topography of the state. Arkansas State Highway Commission, 1949. Drawer 8623
467. Missouri. A blue on white "Mileage Map of Missouri Highways" measuring 17" x 22". Also

Map Collection #22: Private Collections, Miscellaneous

shown are cities, towns, and waterways. The reverse side contains a text giving tourist information. Copyright by Continental Map Company, Aurora, Missouri, no date. Drawer 8623

468. Indiana Dunes State Park, Indiana. A black on white "Trail Map" measuring 14" x 20". Geographic and artificial features are shown along the various trails. Includes text describing the trails and giving general information concerning the park. Prepared by the Department of Conservation, Division of Lands and Waters, State of Indiana, July, 1928. Drawer 8623

Wenner, F. L.

469. Oklahoma and Indian Territories. A colored map measuring 14" x 23". Settlements, other political divisions, railways, waterways, treaty sites and dates, open lands, and lands affected by the proposed Oklahoma Territory Appropriation Bill of March, 1889 are shown. Circa 1889. Drawer 8623
470. Oklahoma. A 17" x 22" negative photocopy of a map showing settlements, other political divisions, forts, stage and wagon roads, railways, and waterways. The area covered includes Oklahoma Territory and the western portion of Indian Territory. Issued supplementary to the *Homeseeker's Guide*, Fred L. Wenner, Publisher, Arkansas City, Kansas, 1891. Drawer 8623
471. Oklahoma and Indian Territories. A colored map measuring 21" x 25" which shows cities, towns, other political divisions, forts, stage and wagon roads, railways, and waterways. The area covered includes Oklahoma Territory, Cherokee Outlet, Greer County, and the Chickasaw Nation. Issued supplementary to the *Homeseeker's Guide*, Fred L. Wenner, Publisher, Guthrie, Oklahoma, February 15, 1892. Three copies. Drawer 8623
472. Oklahoma Territory. A colored map measuring 24" x 29". Map shows basically the same type of information as that in number 471 above. In addition, price per acre for areas of the Cherokee Strip are indicated. Issued supplementary to the *Homeseeker's Guide*, Fred L. Wenner, Publisher, Guthrie, Oklahoma, April 22, 1893. Two copies. Drawer 8623
473. Oklahoma Territory and Cherokee Strip. A colored map measuring 24" x 29", and containing basically the same information as that in number 472 above. Issued supplementary to the *Homeseeker's Guide*, Fred L. Wenner, Publisher, Guthrie, Oklahoma, August 15, 1893. Drawer 8623
474. Oklahoma Territory. A colored map measuring 28" x 40" which shows cities, towns, other political divisions, roads, trails, proposed and existing railways, and the locations of United States Land Offices. The western two-thirds of the present state of Oklahoma is covered. Scale 1 inch = 12 miles. Department of the Interior, General Land Office, 1898. Drawer 8623
475. Oklahoma Territory. A colored map measuring 16" x 23" and showing basically the same

Map Collection #22: Private Collections, Miscellaneous

type of information as that in number 476 above. In addition, public lands and some geographical features are indicated. Map to accompany the Annual Report of the Governor of the Territory, 1901. Drawer 8623

476. Indian Territory. A 24" x 25" colored map showing towns, other political divisions, railways, waterways, and some geographical features. Department of the Interior, General Land Office, 1899. Drawer 8623
477. "Sectional Map of the Kiowa, Comanche, and Apache Wichitas (County "I") Reservation, Oklahoma." A 22" x 34" colored map showing settlements, schools, transportation routes, and waterways. Indian-apportioned, Indemnity School, and unsurveyed lands are indicated. Copyright by Hudson-Kimberly Publishing Company, Kansas City, Missouri, 1901. Drawer 8623
478. "Sectional Map of the Kiowa, Comanche, and Apache Reservation, Oklahoma." A colored map measuring 16" x 22". Towns, forts, roads, waterways, and some geographical features, areas of each township which are reserved for schools, etc. are also indicated. Includes vicinity map inset. Issued supplementary to the *Homeseker's Guide* Fred L. Wenner, Publisher, Guthrie, Oklahoma, September, 1900 Edition. Map printed by Hudson-Kimberly Publishing Company, Kansas City, Missouri. Drawer 8623
479. "Kiowa, Comanche, and Apache Indian Reservation." A preliminary edition of a section map which also indicates land usage patterns, Indian lands, public lands, and proposed schools. Map is colored and measures 32" x 40". Area covered includes "Lands to be Opened on August 6, 1901." Department of the Interior. No date for map. Drawer 8623

Hurley, Patrick Jay (addenda)

480. Oklahoma. A colored highway map measuring 20" x 26". Includes index. The reverse side contains a United States highway map and mileage chart. Distributed by Sinclair Petroleum Company. Copyright by Rand McNally and Company, 1935. Drawer 8612
481. Mountain View Ranch, New Mexico. A black on white 17" x 22" map showing transportation routes, waterways, and topography for the ranch and surrounding area. Scale 1 inch = 1 mile. Undated. Drawer 8612
482. New Mexico. A blue on white map of a "Tract of Land Divided for Arthur F. and Helen G. Musgrave, Precinct 18, Santa Fe, New Mexico." Buildings, roads, and survey measurements are shown. Map measures 16" x 19". Scale 1 inch = 50 feet. Dated 1953. Drawer 8612
483. Santa Fe, New Mexico. A brown on yellow map measuring 17" x 21". Streets and the locations of public buildings and tourist sites are shown. The latter being keyed by number to an identifying list. The reverse side contains a pictographic map of Santa Fe and the surrounding area. Includes text. Copyright by H. H. Dorman, circa 1936. Drawer 8612

Map Collection #22: Private Collections, Miscellaneous

484. New Mexico. Camel Mountain Quadrangle. A colored topographic map measuring 17" x 21". Leased and available lands are distinguished by hand-coloring. Scale 1:62,500. United States Geological Survey, 1947 edition. Drawer 8612
485. New Mexico. A colored map showing towns, cities, township boundaries, counties, waterways, transportation routes, and topography. Scale 1:1,267,200. The reverse side contains an Arizona-New Mexico highway map with index. Also, an accompanying booklet contains indices and text. Copyright by Rand McNally and Company, circa 1940's. Drawer 8612
486. Gettysburg-Antietam, Pennsylvania. A series of seven colored topographic maps covering the area in and around Gettysburg. Maps measure 20" x 26". Scale 1:21,120. Dated 1913. Drawer 8612
487. Gettysburg, Pennsylvania. A colored 26" x 26" map showing towns, cities, township boundaries, transportation routes, waterways, and topography for Gettysburg and a large surrounding area. Scale 1 inch = 5 miles. Includes index of railroads. The reverse side is comprised of an index giving the populations and map locations of cities and towns. Dated 1925. Drawer 8612
488. Puerto Rico. A black on white "Road and Railroad Map of Porto Rico." Map measures 13" x 29" includes towns, cities, and waterways, and also shows Vieoues and Culebra Islands. Scale 1:250,000. Two copies. Map originally accompanied the Annual Report, U. S. Department of the Interior, 1929. Drawer 8612
489. Caribbean. A colored map measuring 25" x 44" which includes, in addition to the Caribbean, the southern United States, Central America, and northern South America. Shown are towns, cities, larger political sub-divisions, transportation routes, topography, and sea mileages. Includes legend and three insets: Panama Canal and Canal Zone, Porto Rico and Virgin Islands, and Guantanamo Bay, Cuba. Scale 1:5,500,000. Copyright by National Geographic Society, 1922. Drawer 8612
490. Caribbean. A 25" x 41" colored map which also covers the southern United States, Mexico, Central America, and northern South America. Towns, cities, larger political sub-divisions, transportation routes, waterways, and mountain ranges are indicated. Also included are eleven insets of key islands. Scale 1:6,000,000. Copyright by National Geographic Society, 1947. Drawer 8612
491. Burma. A colored map on two sides showing towns, cities, transportation routes, waterways, and topography. Includes legend. Scale 1:2,000,000. Compiled by U. S. Army Map Service, 1943. Drawer 8612
492. World. A colored map measuring 30" x 40". National borders, political sub-divisions, cities, colonial possessions, shipping routes, and airways are indicated. Copyright by Clive

Map Collection #22: Private Collections, Miscellaneous

Barrass, Manly, N.S.W., Australia, undated. Drawer 8612

493. World. A colored "Outline of Post-War New World Map" measuring 28" x 39". National borders are shown in conjunction with color coding which indicates planned possession of various nations by the United States, Great Britain, and the Soviet Union. Includes text. Published by Maurice Gomberg, Philadelphia, circa 1944. Drawer 8612

Bollinger, C. J. (addenda)

494. Oklahoma. A 9" x 12" colored map showing "Ground Water Reservoirs of Oklahoma." Regions are color-coded as to yield of wells, the codes of which are explained in a legend. The names and outlines of counties are also shown. Oklahoma Geological Survey, 1957. Drawer 8623
495. Oklahoma. A colored geologic map of the state measuring 11" x 17". Includes legend. Oklahoma Geological Survey, 1957. Drawer 8623
496. Oklahoma. A color-coded "Fuels Map of Oklahoma" showing "Petroleum, Natural Gas and Related Materials." Map measures 11" x 17" and includes legend. Oklahoma Geological Survey, 1957. Drawer 8623
497. Oklahoma. A colored 11" x 17" "Mineral Map of Oklahoma." Includes legend. Oklahoma Geological Survey, 1957. Drawer 8623
498. Oklahoma. A colored "Physiographic Map of Oklahoma" measuring 11" x 17". Includes legend. Oklahoma Geological Survey, 1957. Drawer 8623
499. Oklahoma. A black on white map measuring 14" x 21" and showing "Changing Specialization in Cotton and Wheat, 1909-1924." Shown are county outlines, and the "Difference in Percent Harvested Average in Cotton and Wheat", with handwritten notes. Undated. Drawer 8623
500. Oklahoma. A 6" x 12" negative map showing an outline of the state and the "Advance and Retreat of the Boll Weevil in Oklahoma 1905-1925." Undated. Drawer 8623
501. Oklahoma. A 14" x 22" hand-colored map showing advances and retreats during the "Cotton Boll Weevil Infestation, 1925-26." Includes notes. Undated. Drawer 8623
502. Oklahoma. A 14" x 22" hand-colored map showing "Cotton: Date of Maximum Production" for the years 1907 to 1929(30?). Includes legend. Undated. Drawer 8623
503. Oklahoma. A black on white map measuring 9" x 11" which includes hand-drawings indicating the "Maximum Frost Free Season" for various areas of the state. Counties and selected cities and towns are also indicated. Undated. Drawer 8623

Map Collection #22: Private Collections, Miscellaneous

504. Oklahoma. A colored map on three sheets which shows towns, cities, townships, counties, transportation routes, and waterways. Map measures 18" x 22". Includes legend and numerous insets of street maps of the larger cities within the state. Scale 1 inch = 12 miles. General Land Office, U. S. Department of the Interior, 1914. Drawer 8623
505. Oklahoma. A black and green on white map of the state showing the boundaries and names of townships, as well as county boundaries. Map measures 17" x 33". Circa 1930. Drawer 8623
506. Southern Plains. A blueprint map measuring 14" x 16" which shows "Crop Stations, Crop-Yield, and Climatological Areas." Selected cities, towns, and waterways are also indicated. The area covered includes Oklahoma, Kansas, southern Nebraska, and northern Texas. Undated. Drawer 8623
507. Southern Plains. A 9" x 9" negative map of "The Southwestern Hard Winter Wheat Region." The percentages of wheat lands within various areas are shown for the year 1925. Selected cities are included. The area covered includes Oklahoma, Kansas, Missouri, Texas, Colorado, New Mexico, and Louisiana. Map is undated. Drawer 8623
508. United States. A black on white base map showing state outlines and waterways. Map measures 11" x 15". Prepared by J. Paul Goode. Copyright by the University of Chicago, 1920. Drawer 8623
509. Caribbean. A blue on white map measuring 10" x 12". The area covered includes islands of the Caribbean, the southeastern and south-central United States, eastern Mexico, northern Central America, and northern South America. Waterways and major cities are indicated. Also shown are state outlines for the United States portion of the map. Undated. Drawer 8623
510. Caribbean. A 9" x 12" brown on white map covering the Caribbean Islands, Florida, Mexico, Central America, and northwestern South America. Undated. Drawer 8623

Ferguson, W. S.

511. Cushing Oil Field, Oklahoma. A colored 19" x 43" map showing oil and gas wells in various stages of production, as well as ownerships. Includes legend and numerous cross-sections. United States Geological Survey, 1917. Drawer 8623
512. Pawnee County, Kansas. A blue on white map with hand-coloring which depicts a "Magnetometer Survey of an Area in Pawnee County, Kansas." Map measures 28" x 29". By Anderson and Anderson, Consulting Geologists, Wichita, Kansas, 1929. Drawer 8623
513. Europe. An orange and black on white transportation map measuring 24" x 36". Land and water routes, with mileages, are shown connecting cities of various European nations. The area covered extends eastward to Warsaw and southward to Tunis. A street map of London

Map Collection #22: Private Collections, Miscellaneous

is also included. The reverse side contains a street map of Paris, a map of American-European shipping routes, text, and photographs. I.M.M. Company, undated. Drawer 8623

White, L.

514. Arkansas. A colored 13" x 16" highway map of the state which also includes towns, cities, mileages, public lands, populations, and a legend. The locations of bulk distributing stations of Standard Oil Company of Louisiana are also shown. Distributed by Standard Oil Company of Louisiana. Copyright by The G. M. Company, undated. Drawer 8623
515. Chicago, Illinois. A colored street map measuring 30" x 31". Also shown are railroads and stations, cemeteries, parks, and the street numbering system. Map is continued on the reverse side and includes an inset of the Loop District. Scale 2 inches = 1 mile. Copyright by Rand McNally and Company, Chicago and New York, undated. Drawer 8623
516. Missouri. A blue on white highway map of the state which measures 29" x 34". Towns, cities, mileages, and a legend are also included. Portions of adjacent states are also shown. Distributed by Chicago Motor Club. Copyright by Rand McNally and Company, Chicago, 1925. Drawer 8623
517. Beaverhead County, Montana. A 20" x 28" colored sectional map which also shows towns, transportation routes, public lands, and topographic features. Distributed by State Bank of Dillon, Dillon, Montana. Copyright by the George Engineering Company, Dillon, Montana, 1917. Drawer 8623
518. Beaverhead and Madison Counties, Montana. A colored 30" x 34" sectional map which also shows towns, cities, transportation routes, public lands, and some topographical features. Scale 1 inch = 4 miles. Copyright by G. V. Elder, Dillon, Montana, 1930. Drawer 8623
519. Indian and Oklahoma Territories. Settlements, towns, townships. Indian nations, and other political sub-divisions are indicated. Also shown are mail service routes (with frequency of delivery), other transportation routes, waterways, and some topographical features. Scale 12 miles - 1 inch. Published by Rand, McNally and Company, Chicago, 1891. Drawer 8623
520. Oklahoma. A highway map of the state which also shows towns, cities, and counties. Legend and index are included. The reverse side contains a highway map of the Southwest as well as information concerning points of interest. Map is colored and measures 18" x 24". Distributed by Mobilgas. Copyright by General Drafting Company, Inc., undated. Drawer 8623
521. Oklahoma. An 18" x 24" colored highway map of the state which also includes towns, cities, counties, some topographic features, a legend, and an index. The reverse side includes street maps of larger Oklahoma cities, as well as Fort Smith, Arkansas and Wichita Falls, Texas. Two copies. Distributed by Conoco. Copyright by The H. M. Gousha Company, Chicago, circa 1936. Drawer 8623

Map Collection #22: Private Collections, Miscellaneous

522. Oklahoma. A colored highway map measuring 18" x 24" which also shows towns, cities, counties, public lands, waterways, and some topographical features. The reverse side includes tourist information for the state as well as a United States highway map. Distributed by Phillips Petroleum Company. Copyright by The H. M. Gousha Company, Chicago, 1937. Drawer 8623
523. Oklahoma. A colored mineral map of the state which measures 25" x 44". Also shown are towns, cities, townships, counties, transportation routes, waterways, and some topographical features. Includes legend. Prepared by Oklahoma Geological Survey, 1944. Drawer 8623
524. Oklahoma. A blue on white map showing the locations of colleges and universities of the state as well as the distances between these and Oklahoma City. Map measures 12" x 19". Undated. Drawer 8623
525. Wyoming. A blue on white highway map measuring 18" x 22". Also shown are towns, cities, public lands, and some topography. Portions of adjoining states are also included. The reverse side shows a highway map of the United States. Distributed by The Powerline Company, Denver. Copyright by Hotchkiss Map Company, Denver, undated. Drawer 8623
526. Arkansas-Louisiana-Mississippi. A colored 28" x 34" highway map which also shows towns, cities, waterways, and selected hotel locations. Includes legend and index. Copyright by Rand McNally and Company, 1925. Drawer 8623
527. Maryland-Delaware-District of Columbia-Virginia-West Virginia. A colored 22" x 31" highway map which also includes towns, cities, counties, waterways, and some topographical features. The reverse side includes a pictorial map of the area and several city street maps. Distributed by Standard Oil Company of New Jersey. Copyright by General Drafting Company, Inc., New York, 1938. Drawer 8623
528. United States. A colored 26" x 30" map showing, "Climatic Provinces and Plant Growth Regions of the United States." Includes legends. U. S. Department of Agriculture, Soil Conservation Service, undated. Drawer 8623
529. Southeast Asia. A 9" x 14" black on white map of the "Burma Mission." Shown are towns, waterways, and major transportation routes. Also included is a brief textual description of the area being considered for missionary activity. Undated. Drawer 8623
530. India. A colored 15" x 21" map showing cities, waterways, natural resources, and agricultural products. From *Sunday News*, February 15, 1948, p. 16-17. Drawer 8623

Hurley, Patrick Jay (addenda)

531. Philippine Islands. A colored 35" x 58" map showing districts, cities, towns, and navigational aids. An addition shows "Travel performed by Hon. Patrick J. Hurley,

Map Collection #22: Private Collections, Miscellaneous

Secretary of War in the Philippine Islands between Sept. 1 and Sept. 26, 1931." Arrival and departure dates are shown in conjunction with the routes traveled. Original map published Washington, D. C., 1918. U. S. Coast and Geodetic Survey. Drawer 8612

Branson, Dr. Carl C.

- 532. Missouri. Geological map measuring 42" x 57-1/2" showing the Cenozoic quaternary system, Pleistocene series, including recent deposits. Compiled by the Missouri geological Survey, 1961. Drawer 8604
- 533. Missouri. Composite stratigraphic column. A black and white 16" x 39" map showing rock formations classified into groups, series, and systems. 1961. Drawer 8604
- 534. Oklahoma. A purple on white 36-1/2" x 42" map of the cross section and composite section of Lower Wolfcamp and Upper Wabaunsee Beds in the Foraker Area of Oklahoma. (Four copies) n.d. Drawer 8604
- 535. New Mexico. A color 30" x 50-1/2" geological map of the southern half of New Mexico; also showing towns, railroads, lakes, rivers, mountains, national parks and contour lines. 1928. Drawer 8604
- 536. New Mexico. Same as map #535 but of the northern half of New Mexico. 1928. Drawer 8604

McReynolds, Edwin C.

- 537. Indian Territory. A white on black 4-1/2" x 10" map of the Seminole Nation, showing towns, railroads, creeks, and township, range and section lines. Compiled by the Department of the Interior, ca. 1900. Drawer 8604
- 538. Hand drawn copy of map #537 measuring 8-1/2" x 11". ca. 1900. Drawer 8604
- 539. Indian Territory. A black on white 8-1/2" x 11" map of the Seminole Nation, with the progress of appraisement to July 1, 1899, indicated by shading. Also shows towns, railroads, creeks, and township, range and section lines. 1899. (Four copies) Drawer 8604
- 540. Oklahoma. A black on white 8-1/2" x 13-1/2" map of Wewoka Townsite, Oklahoma. Shows lots, blocks, and streets. n.d. Drawer 8604
- 541. Missouri. A color 19" x 22" map with county lines, with unidentified shading within county boundaries. n.d. Drawer 8604
- 542. Arkansas. A white on black 8" x 10" map of Arkansas, showing counties, towns, roads, and rivers. This map is the bottom half of #543. 1856. (Two copies). Drawer 8604
- 543. Missouri. A white on black 8" x 10" map of Missouri showing counties, towns, roads and

Map Collection #22: Private Collections, Miscellaneous

543. rivers. This map is the top half of #542. 1856. (Two copies). Drawer 8604
544. Missouri. A white on black 8" x 10" map of southwestern Missouri showing counties, towns, rivers, and townsite and range lines. 1871. Drawer 8604
545. Missouri. A white on black 8" x 10" map of southeastern Missouri showing counties, towns, rivers and township and range lines. 1871. Drawer 8604
546. Missouri. A white on black 8" x 10" map of northwestern Missouri showing counties, towns, rivers and township and range lines. 1871. Drawer 8604
547. Missouri. A white on black 8" x 10" map of northeastern Missouri showing counties, towns, rivers and township and range lines. 1871. Drawer 8604
548. Missouri. A white on black 8" x 10" map of Missouri compiled by the U.S. Dept. of the Interior, showing counties and county seats, railroads and railroad land grant limits, township and range lines, and iron and copper mines. 1866. Drawer 8604
549. Missouri. A white on black 8" x 10" map of Missouri showing counties, towns, roads, railroads, rivers, and township and range lines. Also has an inset of the vicinity of St. Louis. 1857. Drawer 8604
550. Missouri. A white on black 8" x 10" map of Missouri showing counties, towns, rivers, and roads. 1849. Drawer 8604
551. Missouri. A white on black 8" x 10" map of Missouri, showing counties, towns, rivers, roads, railroads and township and range lines. 1850. Drawer 8604
552. Missouri. A white on black map 8" x 10" map of Missouri with its roads and distances. Also shows counties, towns, and rivers. 1846. Drawer 8604
553. Missouri. A white on black 8" x 10" map of Missouri showing counties, towns, roads, rivers, and township and range lines. 1844. Drawer 8604
554. Missouri. A black on white 8" x 10" map of Missouri showing towns, roads, and rivers. 1840. Drawer 8604
555. Missouri. A white on black 8" x 10" map of Missouri with its roads and distances. Also shown are towns and rivers. 1836. Drawer 8604
556. Missouri. A white on black 8" x 10" map of Missouri in French, showing French settlements in Missouri between 1700 and 1804. Also shown are rivers. 1700-1804. Drawer 8604
557. Missouri. An 8-1/2" x 11" transparency showing French settlements in Missouri. 1700-

Map Collection #22: Private Collections, Miscellaneous

1804. Drawer 8604
558. Missouri. A black on white 8" x 10" map of Missouri showing counties, rivers and streams. n.d. Drawer 8604
559. A negative transparency 7-1/4" x 11" issued by the American Pioneer Trails Assn. in 1945. A pictographic map shows the route of the explorers along with incidents of the journey. 1804-1806. Drawer 8604
560. Missouri. A negative 7-3/4" x 10" transparency from the Missouri Geological Survey showing Missouri's water resources. n.d. Drawer 8604
561. St. Louis, Missouri. A negative 6-1/4" x 11-3/4" transparency of St. Louis, apparently an inset on another map. Shows streets and buildings. ca. late 1800s. Drawer 8604
562. Missouri. A negative 8-1/2" x 11" transparency of Capt. William Clark's approximate overland routes from St. Charles, Missouri to Fort Osage. Also shows rivers and creeks along the route. ca. 1800. Drawer 8604
563. Missouri. A positive transparency of #562. Drawer 8604
564. St. Louis, Missouri. A negative 8-1/2" x 11" transparency of Gray's New Map of St. Louis, Missouri, and vicinity showing streets and buildings. 1881. Drawer 8604
565. Missouri. A negative 8-1/2" x 11" transparency showing French settlements in Missouri. Also shows rivers. (See also map #557) 1700-1804. Drawer 8604
566. Missouri. A negative 8-1/2" x 11" transparency of Missouri, Arkansas, and the Indian Territory showing towns, counties and rivers. 1842. Drawer 8604
567. A negative 8-1/2" x 11" transparency of the tributaries of the Mississippi River south of St. Louis, Missouri. n.d. Drawer 8604
568. A negative 5" x 7" transparency of a general highway map of St. Charles County, Missouri showing towns, rivers, and township and range lines. 1962. Drawer 8604
569. A negative 5" x 7" transparency of St. Louis County, Missouri, with portions of Jefferson and St. Charles counties in Missouri and Madison and St. Clair counties in Illinois. Shows roads, township, range and section lines. 1909. Drawer 8604
570. Kansas City, Missouri. A negative 5" x 7" transparency of a map of the town of Kansas (aka Kansas City, Missouri) showing streets and lots. 1846. Drawer 8604
571. Kansas City, Missouri. A negative 5" x 7" transparency showing streets, building lots and

Map Collection #22: Private Collections, Miscellaneous

648. A black on white 15" x 24" map illustrating the plan of defenses of the Western and Northwestern Frontier compiled by the U. S. Topographical Bureau. Also shows towns, roads, Indian lands, and rivers. 1837. Drawer 8604
649. The lower left portion of #648 measuring 10" x 15" and showing Indian lands and a table of approximate distances of the military posts and depots included in the system of defense. 1837. Drawer 8604
650. Missouri. A hand-drawn 15-1/2" x 20" map of the southeastern corner of Missouri with county lines drawn and county seats marked. Neither counties nor county seats are identified. 1965. Drawer 8604
651. Arkansas. A black on white 17-1/2" x 24" photostat of Arkansas and a portion of Indian Territory showing towns, railroads, rivers, and township and range lines of surveyed land. Portions of Mississippi, Missouri, Louisiana and Texas are also shown. ca. mid-1800s. Drawer 8604
652. Missouri. A black on white 14" x 16" photostat showing counties, towns, roads, railroads, rivers, and township and range lines. 1850. Drawer 8604
653. United States and Mexico. A hand-drawn 17" x 17" map showing major rivers in the United States and major cities in the southwestern United States and Mexico. n.d. Drawer 8604
654. Missouri. A color 25" x 35" highway map showing towns, counties, rivers, and lakes. On the reverse side are insets for major metropolitan areas of Missouri. A portion of the left side of the map has been removed. 1965. Drawer 8604
655. Missouri. A tri-color 11" x 15-1/2" Cram's Hard Surface map showing Missouri and portions of surrounding states. ca. 1934. Drawer 8604
656. Missouri. A hand-drawn 11-1/2" x 12-1/2" reproduction of a map taken from the 1911 edition of *Encyclopaedia Britannica* showing Missouri and its rivers and major streams. ca. 1911. Drawer 8604
657. North America. A color 8" x 11-3/4" map with a hand-drawn overlay labeled "Map #11, Colonial Wars in North America, 1683-1763." A map of the northern half of South America is on the reverse. n.d. Drawer 8604
658. St. Joseph, Missouri. A color 9-1/4" x 12-1/2" map of the main portion of St. Joseph, showing major streets, cemeteries, parks, and major buildings. On the reverse is a map of the main portion of St. Louis. 1895. Drawer 8604
659. United States. A blue on white 9-3/4" x 14-1/2" map showing state boundaries and major U.S. rivers. Missouri is shaded with pencil showing Missouri's location within the United

Map Collection #22: Private Collections, Miscellaneous

States. n.d. Drawer 8604

660. Arizona and New Mexico. A black on white 8-1/2" x 14" photostat showing some of the routes taken to California's gold fields. Map appears to be the left portion of map #645, showing the southern route of the Forty-Niners to California. n.d. Drawer 8604
661. Arkansas. A black on white map in four sections, each section measuring 10" x 15". The northeastern section is missing. Compiled from the Official Records of the General Land Office. Each section shows counties, towns, roads, railroads, rivers and lakes.
 - 661.1 Southeastern corner of Arkansas. 1901. Drawer 8604
 - 661.2 Southwestern corner of Arkansas. 1901. Drawer 8604
 - 661.3 Northwestern corner of Arkansas. 1901. Drawer 8604
 - 661.4 North-central section of Arkansas. 1901. (Two copies) Drawer 8604
662. Western United States. A blue on white 11" x 16" Cartocraft Desk Outline Map of the Western States, showing state borders, rivers, lakes, and mountain ranges. (four copies) n.d. Drawer 8604
663. United States. A black on white 11" x 17" map of the U.S. (except Alaska and Hawaii) showing state boundaries and major lakes and rivers. 1939. Drawer 8604
664. United States. A black on white 11" x 17" map of the U.S. with Alaska, Hawaii and Puerto Rico shown in insets. Shown are state boundaries, locations of major cities, and major lakes and rivers. None are identified. 1961. Drawer 8604
665. United States. A blue on white 11" x 16" outline map of the U. S. showing major rivers and mountain ranges. Rivers have been drawn in Montana as well as the boundaries of Yellowstone National Park. n.d. Drawer 8604
666. Eastern United States. A blue on white 11" x 16" outline map showing mountain ranges and rivers with emphasis on the Mississippi River system. (two copies) n.d. Drawer 8604
667. United States. A blue on white 11" x 16" outline map showing rivers, with emphasis on both the Mississippi River system and the mountain ranges in the western United States. n.d. Drawer 8604
668. United States. A black on white 11" x 17" map with outlines of state borders and major rivers and lakes. Locations of major cities are also marked but not identified. (two copies) 1939. Drawer 8604
669. Missouri. A black on white 11" x 15-1/2" map of Missouri from the March 27, 1966 edition of the *Kansas City Star* Showing the tentative state house redistricting plan of 1966. 1966. Drawer 8604

Map Collection #22: Private Collections, Miscellaneous

670. Missouri. A color 11" x 15-1/2" map with insets of the St. Louis vicinity and the southeastern tip of the state. Shown are counties, towns, roads, and major rivers and streams. n.d. Drawer 8604
671. Missouri. A color 11" x 14" map with an inset of the southeast corner extension. Shows counties, towns, roads, and major streams and rivers. A map of Iowa with the same features is on the reverse side. 1895. Drawer 8604
672. United States. A black on white 14" x 19" hand-drawn map showing state boundaries and major lakes and rivers. n.d. Drawer 8604
673. Missouri. A hand-drawn 14" x 18-1/2" outline map with boundaries of McDonald County drawn in. n.d. Drawer 8604
674. Missouri. A black on white 10-1/2" x 15" map showing counties and rivers. n.d. Drawer 8604
675. Missouri. A blue on white 19-1/4" x 22" map showing old Indian trails and their relative location to a few of the main motor routes. Also shows major towns and rivers. 1943. Drawer 8604
676. Missouri. A white on blue 13-3/4" x 14" map showing Indian trails. Counties are also shown. n.d. Drawer 8604
677. Missouri. A black on white 16" x 18" map of Missouri's State Road System showing construction progress to January 1, 1924. Compiled by the Missouri State Highway Commission. 1924. Drawer 8604
678. Missouri. A hand-drawn 14" x 19" map showing major rivers, which are unlabeled. n.d. Drawer 8604
679. Missouri. A hand-drawn 14" x 19" map showing Missouri's U. S. Congressional districts as of 1874. n.d. Drawer 8604
680. Missouri. A series of 12 hand-drawn maps which have been spoiled due to ink stains or incorrect boundaries. See individual entries. Drawer 8604
- 680.1 A 14" x 19" map showing the southwestern portion of Missouri with county lines and county seats located but not identified. No date.
- 680.2 A 14" x 19" map of Missouri showing locations of major rivers (two spoiled copies). No date.
- 680.3 A 12" x 15-1/2" map of the northeastern corner of Missouri with county lines and county seats located but not identified. No date.

Map Collection #22: Private Collections, Miscellaneous

- 680.4 A 12" x 19" map of Missouri showing major rivers and some of their tributaries. No date.
- 680.5 A 14" x 16-1/2" map of Missouri showing unidentified counties in 1822.
- 680.6 A 14" x 19" map of Missouri showing unidentified counties in 1822.
- 680.7 A 12" x 19" map showing the route of the Lewis and Clark Expedition of 1804-1806. An incomplete border of the U. S. is also shown. No date.
- 680.8 A 14" x 19" map of the southeastern portion of Missouri showing unidentified county lines and county seats. No date.
- 680.9 A 14" x 19" map of the United States showing the route of the Lewis and Clark Expedition of 1804-1806, with present-day location of Missouri identified. No date.
- 680.10 A 14" x 19" map of Missouri showing identified counties as of 1818.
- 680.11 A 14" x 19" map showing the southwestern and western borders of the United States. No date.
- 680.12 A 14" x 19" map with attempted drawing of southeastern portion of Missouri. No date.
681. Missouri. An 8-1/2" x 11" transparency showing Missouri's state senatorial districts. Counties are also identified. No date. Drawer 8604
682. An 8-1/2" x 11" composite map of the Kaskaskia, Illinois-Ste. Genevieve, Missouri vicinity compiled from U. S. Land Office Surveys. 1940. Drawer 8604
683. A colored 6" x 8" map of Barton County, Missouri showing towns, roads, railroads, townships, streams and township, range and section lines. No date. Drawer 8604
684. A black on white 8-1/2" x 11" general highway map of Barton County, Missouri showing towns, railroads, townships, streams, and township, range and section lines. No date. (Two copies) Drawer 8604
685. Arkansas. A black on white 10" x 15" photostat of a map of Arkansa (sic) and other territories of the U.S. Shows towns, routes, rivers, and hills. ca. 1820. Drawer 8604
686. A black on white 10" x 15" map of the Mississippi River as shown from the survey of the Mississippi River Commission made in 1885. Shows the northeastern portion of Arkansas with its counties, towns, railroads and township and range lines. ca. 1885. Drawer 8604

Map Collection #22: Private Collections, Miscellaneous

687. Arkansas Territory. A map in two sections showing the geography, statistics and history of Arkansas Territory in 1820.
687.1 A black on white 10" x 14-3/4" map of the western portion of Arkansas Territory showing rivers and towns, and a narrative of Arkansas Territory. (two copies) ca. 1820. Drawer 8604
687.2 A black on white 10" x 14-3/4" map of the northeastern portion of Arkansas Territory, including Lake Superior and Lake Michigan, showing rivers and towns, and a continuation of a narrative of Arkansas Territory. ca. 1820. Drawer 8604
688. Little Rock, Arkansas. A black on white 14" x 20" commercial and industrial map of Little Rock and North Little Rock, Arkansas showing streets, railroads, airports, hospitals, parks, railroads, and creeks. 1948. Drawer 8604
689. A black on white 8-1/2" x 14" photostat of "Carte de la Louisiane Colonie Francaise" showing towns, lakes, and rivers labeled in French. 1757. Drawer 8604
690. Missouri. A set of two maps showing common carrier barge lines serving Missouri. 1965.
690.1 A black on white 8-1/2" x 11" photocopy of a map of barge lines showing ports, number of docks between each city, and barge routes. Drawer 8604
690.2 A hand-drawn 14" x 19" version of the previous map but without labels. Drawer 8604
691. Missouri. A hand-drawn 14" x 19" map showing the borders of Missouri and the Missouri River as it crosses the state. (Two copies) n.d. Drawer 8604
692. Missouri. Two 14" X 19" hand-drawn maps showing county lines and the urban and rural populations in 1940 and 1960. Information has been partially erased. Drawer 8604
693. Missouri. A hand-drawn 14" x 19" map showing county lines and locations of towns. Counties and towns are unidentified. n.d. Drawer 8604
694. Missouri. A hand-drawn 14" x 19" map showing county lines and county seats, all unidentified. n.d. Drawer 8604
695. Missouri. A hand-drawn 14" x 19" map showing county lines. Counties are not identified. n.d. Drawer 8604
696. Missouri. A hand-drawn 14" x 19" map showing rivers and major streams which are not identified. n.d. Drawer 8604
697. Missouri. A hand-drawn 14" x 19" map showing rivers which are not identified. n.d. Drawer 8604
698. Missouri. A colored 15" x 17" map showing towns, roads, lakes, rivers and points of

Map Collection #22: Private Collections, Miscellaneous

- interest. n.d. Drawer 8604
699. Missouri. A hand-drawn 14" x 19" map showing rivers and major streams with the Osage River being the only one identified. n.d. Drawer 8604
700. Missouri. A hand-drawn 14" x 19" map showing the Mississippi and Missouri Rivers, some counties in the southern part of the state, and what appears to be the land subject to the Merrill Land Grant, also known as the Merrill Homestead Act of 1862. n.d. Drawer 8604
701. A blue on white 11" x 16" outline map of the United States (excluding Alaska and Hawaii) showing state borders, major rivers and lakes, and mountain ranges. n.d. Drawer 8604
702. Cleveland County, Oklahoma. A brown on yellow 24" x 31" road map showing towns, municipal townships, streams, and township, range and section lines. ca. 1950s. Drawer 8604
703. Missouri. A color 47" x 54" map showing towns, highways, rivers, county boundaries and contour lines. Compiled by the Missouri Geological Survey. 1952. Drawer 8604
704. Florida. A black on white 12" x 16" map showing towns, forts, rivers, islands, and landmarks. n.d. Drawer 8604
705. A negative (white on black) copy of the previous map. n.d. Drawer 8604
706. Florida. A black on white 16-1/2" x 23" map of Florida between Cedar Keys and St. John's River. n.d. Drawer 8604
707. Alabama and Florida. A black on white 16-3/4" x 17-1/2" map showing the route of the proposed Columbus and Pensacola Railroad. Towns, rivers and major streams are also shown. 1836. Drawer 8604
708. A negative (white on black) copy of the previous map. Drawer 8604
709. Florida. A black on white 16-1/2" x 23" map of the southern part of Florida showing towns, forts, islands, lakes and rivers. Appears to be the right portion of map #706. ca. 1830s. Drawer 8604
710. A negative (white on black) copy of the previous map. Drawer 8604
711. Florida. A black on white 17" x 23" map showing the northwestern portion of the state, including the panhandle. Also shows towns, rivers and lakes, with insets of Key West and the mouth of the Suwannee River and the Cedar Keys. 1846. Drawer 8604
712. A negative (white on black) copy of the previous map. Drawer 8604

Map Collection #22: Private Collections, Miscellaneous

713. Florida. A black on white 17" x 23" map of the northern part of Florida, including the panhandle. Shown are towns, lakes, rivers, and an inset of the mouths of the Suwannee River and the Cedar Keys. This map is the right portion of map #711. 1846. Drawer 8604
714. A negative (white on black) copy of the previous map. Drawer 8604
715. Florida. A black on white 17" x 23" map of the central portion of Florida including the panhandle. Shows towns, rivers, lakes and roads with insets showing mouths of some of the major rivers. (This map is the extreme right portion of map series #717). 1829. Drawer 8604
716. Florida. A white on black 16" x 23" map showing part of Florida between Cedar Keys and St. John's River. (Map #706 is a positive copy of this map.) n.d. Drawer 8604
717. A set of four map sections which make up the map entitled "Map of the Territory of Florida from its Northern Boundary to Lat. 27 deg. 50' n. Connected to the Delta of the Mississippi." The map's purpose is to describe inland navigation parallel to the coast from the Mississippi to the Bay of Espiritu Santo; and from St. Mary's Harbour to St. Augustine. Entrances to major inland waterways are shown in insets. (Map #715 is a positive copy of the extreme right portion of the map) 1829. Drawer 8604
- 717.1 A white on black 17" x 23" map of the extreme left portion of a map showing the Mississippi Delta. Insets show the Gulf of Mexico and the Central American isthmus, the entrance to Mobile Bay, the entrance to Pensacola Bay, and the eastern entrance to St. Rosa Sound. Drawer 8604
- 717.2 A white on black 17" x 23" map of the left-central portion of a map showing the Mississippi Delta. Insets show the entrance to Pensacola Bay, the eastern entrance to St. Rosa Sound and the entrance to the St. John River. Drawer 8604
- 717.3 A white on black 17" x 23" right-central portion of a map showing the central part of the Florida Panhandle. Insets show the entrance to St. Joseph's Bay, the entrance to Appalachicola Bay, the main entrance to St. George's Sound, the middle entrance to St. George's Sound, and the entrance to Ocklockony Bay. Drawer 8604
- 717.4 A white on black 17-1/2" x 24" extreme right portion of the map showing central Florida, excluding the panhandle. Insets show the eastern entrance to St. George's Sound, the entrance to St. Augustine, the entrance to St. John's River, and the entrance to St. Mary's Harbour. This map is a negative copy of map #715. Drawer 8604
- 717.5 A positive, black on white, copy of map #717.2. Drawer 8604
- 717.6 A positive, black on white, copy of map #717.3. Drawer 8604
718. A set of sections of a general map of the peninsula of Florida, illustrative of surveys for a

Map Collection #22: Private Collections, Miscellaneous

canal. All sections show towns, roads, rivers, streams and lakes. 1856. Drawer 8604
718.1 A black on white 17" x 24" map of the upper left portion of the map showing the Florida panhandle. ca. 1856. Drawer 8604

718.2 A negative copy of map #718.1. Drawer 8604

718.3 A black on white 17" x 23" map of the upper right portion of the map, showing northeast Florida. Drawer 8604

718.4 A negative copy of map #718.3. Drawer 8604

718.5 A black on white 17" x 23" map of the lower left portion of the map, giving brief descriptions of the map itself and the sources used in its compilation. Drawer 8604

718.6 A negative copy of map #718.5. Drawer 8604

718.7 A black on white 17" x 23" copy of the lower right section of the map showing southern part of Florida, including the Florida Keys. Drawer 8604

718.8 A negative copy of map #718.7. Drawer 8604

Farley, A. W. (addenda)

719. Kansas City, Missouri. A 32" x 24" black on white etching style map showing the streets, business buildings, and principal points of interest. The map is entitled "Strangers Guide to Kansas City." 1880 Drawer 8601

720. Southern Kansas and Oklahoma. A 42" x 24" black on white map entitled "Sketch of the Country Near the Southern Boundary of Kansas." The map notes the drainages of the Arkansas and Canadian Rivers and includes astronomical and barometric determinations. Also noted is the Santa Fe Road. n.d. Drawer 8601

721. Illinois. A 24" x 36" color map outlining the counties of Illinois noting railroads, canals, post offices, and land features. 1856. Drawer 8601

722. Colorado. A 36" x 24" color map which denotes county boundaries, cities, rivers, roads, railroads, and mountain ranges. The map also provides mountain elevations. 1883. Drawer 8601

723. Southwest United States. An 18" x 24" color map of primarily Arizona and New Mexico showing rivers, railroads, cities, and mountain ranges. 1880. Drawer 8601

724. Oklahoma-Indian Territory. An 18" x 24" black on white map showing railroad systems for the entire territory by Rand McNally & Co. ca. 1900. Drawer 8601

Map Collection #22: Private Collections, Miscellaneous

725. Oklahoma Territory. A 24" x 24" black on white map of Comanche, Kiowa, and Apache Indian Reservations. The map shows rivers, railroad lines, roads, cities, sections, and military installations. 1901. Drawer 8601
726. Western Kansas. A 24" x 18" black on white sectional map showing grazing and irrigable lands of the A.T. & S.F. R.R. Co. for Finney and Hamilton counties. 1884. Drawer 8601
727. Western Kansas. A 24" x 18" black on white sectional map showing grazing and irrigable lands of the A.T. & S.F. R. R. Co. for Finney and Hamilton counties. 1884. Drawer 8601
728. Denver, Colorado. A 24" x 24" color map showing the layout of Denver including rivers, streets, city blocks and railroads. 1872. Drawer 8601
729. Iowa. An 18" x 24" color township map showing counties, cities, waterways, roads, railroads, and canals. 1851 Drawer 8601
730. Indian Territory. An 18" x 24" color sectional map of the Kiowa, Comanche and Apache Reservations showing rivers, towns, railroads, and mountains. Drawer 8601
731. Texas. An 18" x 24" color map showing counties, cities, rivers, railroads, and mountains. 1860. Drawer 8601
732. Indian Territory and Oklahoma. An 18" x 24" color map showing Oklahoma counties and Indian Reservations. Towns, rivers, mountains and railroads are also shown. ca. 1900. Drawer 8601
733. Kansas City, Missouri. A 30" x 30" color map showing streets, city blocks, railways, businesses and waterways. 1888. Drawer 8601
734. Oklahoma Territory. An 18" x 30" black on white map showing both Oklahoma and Indian Territories. The map also shows capitals, county seats, Santa Fe railroad routes, other railroad lines, and stage routes. The map also gives written histories on Oklahoma. 1891. Drawer 8601
735. Kansas City, Missouri. A 24" x 24" color map showing city streets, blocks, additions, and railroads. The map also shows some property ownership and usage. 1880. Drawer 8601

Cronkhite, Kitty

736. A 20" x 37" three-color map showing the route of the Continental Railway and its connecting lines. The Continental Railway line is marked in red. 1873. Drawer 8601

Fitzpatrick, H. L.

737. "Oklahoma's Butterfield Trail Overland Mail Route 1858-1861." The map is a 31" x 8" black on white of the stage route as it passed through southeastern Oklahoma. The map

Map Collection #22: Private Collections, Miscellaneous

- shows the trail and the location of the twelve overland mail stations in Oklahoma. The map was prepared by Muriel H. Wright & George N. Shirk and published by the Oklahoma Historical Society. 1958. Drawer 8601
738. Tulsa. An 18" x 24" color indexed street map of Tulsa, city and county, Oklahoma distributed by the Mid-Continent Petroleum Corporation and D-X dealers. The map includes a brief description of points of interest and a self-tour of downtown Tulsa. 1956. Drawer 8601
739. Oklahoma. An 8-1/2" x 11" black on white city-county-state map from the Rand McNally Commercial Atlas and marketing guide. The map shows counties and cities and includes populations for counties and state total. Two copies. 1950. Drawer 8601
740. Oklahoma Road Map. A 34" x 22" color map published by the Oklahoma Department of Highways showing major roads, state parks or recreation areas, monuments, points of interest, airfields, counties and county seats, towns, and turnpikes. 1959. Drawer 8601
741. "Railroad Map of Oklahoma." A 34" x 18" color map prepared under direction of Corporation Commission of Oklahoma showing routes of seventeen railroads including C.R.I. & P. and A.T. & S.F. and electric railroads. Map also shows open and prepay stations and indicates distances between stations and junctions. 1956. Drawer 8601
742. "Highway Map of Oklahoma." An 18" x 25" color map printed by the H. M. Gousha Company and distributed by Conoco. Map shows highways and roads, cities and towns and their populations, points of interest, airports, state parks, and counties. Detailed maps of Enid, Muskogee, Oklahoma City, Ardmore, Ponca City and Tulsa. Conoco station locations are also shown. ca. 1950. Drawer 8601
743. "Highway Map of Oklahoma." Identical to 742 above but distributed by Flying A dealers. ca. 1950. Drawer 8601
744. "Highway Map of Oklahoma." Identical to 742 and 743 but distributed by Tidewater Associated Oil Co. ca. 1950. Drawer 8601
745. Vicksburg, Mississippi. A 23" x 16" black on white map entitled "The City of Vicksburg, Warren County, Mississippi," prepared under direction of Vicksburg Chamber of Commerce. Map shows layout of city including streets, highways, rivers, railroads and points of historical interest. Map has index to streets and historical points are enumerated. 1955. Drawer 8601
746. "The New World, 1600." A 19" x 23" pictographic color map of the Spanish borderlands, Mexico and Central America (New Spain). Map was drawn by Gabriel Tatton around 1600. A beautifully ornate and colorful map showing California, the fabled Seven Cities of Cibola, the Pueblo Coronado called Tiguex. Map was engraved by Benjamin Wright and

896. United States. An 18" x 26 3/4" highway map. Includes mileage chart, an index to cities, and index to U.S. National Parks and monuments and to Canadian parks. Visiting seasons and admission fees to parks are noted along with a chart of state speed laws and gasoline taxes. Also shows road conditions and time zone boundaries. n.d. (Conoco Oil Company) Drawer 8504
897. United States. A 19 1/2" x 27" highway map of the United States issued by the National Highways Association. n.d. Drawer 8504
898. United States. An 11 1/4" x 17 1/4" Rand McNally Junior Road map of the United States. Cities, waterways, and national parks and monuments are noted. Reverse is an incomplete map of eastern Oklahoma showing similar features. n.d. Drawer 8504
899. United States. An 11" x 16 1/2" road map showing states, capitals and major cities. U.S. national parks and waterways are also shown. On the reverse side is a road map of the southern portion of Texas showing similar features. n.d. Drawer 8504
900. United States. An 11" x 17" Rand McNally road map of the United States. State divisions, time zones, and road conditions are shown. An index to national parks and monuments is included. Reverse is a map of eastern Oklahoma showing similar features. n.d. Drawer 8504
901. United States. An 18" x 32" Union Pacific Railroad map showing air fields, bases, and stations; naval bases; and army camps, forts, and posts. Shows Union Pacific lines. Two insets show Union Pacific connecting lines over the Pacific and Atlantic Oceans. U.S. National Parks are noted. Includes alphabetical lists of U.S. military posts with railroad station and post office addresses. 1941. Drawer 8504

Map Collection #22: Private Collections, Miscellaneous

902. United States. An 18" x 23 3/4" highway map, including a mileage chart, an index to cities, and an index to U.S. national parks and monuments. Also has some Canadian parks included. Road conditions and time zone boundaries are noted. n.d. (Conoco Oil Company). Drawer 8504
903. United States. An 11" x 16 1/2" color map of the United States showing geographical divisions. Drawer 8504
904. United States. A 12 1/5" x 16 3/4" color map of the United States showing geographical divisions. n.d. (two copies) Drawer 8504
905. United States. A 21 1/4" x 23" map showing the states of the Pacific Northwest. Map shows areas served by the Bonneville Power Administration. Bonneville and Grand Coule Dams are noted. Various local features are indicated in picture form, including industries, universities, and tourist attractions. n.d. Drawer 8504
906. United States. A 25 1/2" x 33 3/4" highway map of the Southwestern United States. n.d. (Magnolia Oil Company) Drawer 8504
907. Indian Territory. A 21 3/4" x 24 1/4" map of Indian Territory showing location of smallpox during the Winter of 1899-1900. Compiled from the records of the General Land Office, Department of the Interior. 1899. Drawer 8504
908. Indian Territory. A 14" x 25" illustrated map of "Oklahoma Country or Indian Territory west of Arkansas." 1939. Drawer 8504
909. Indian Lands--United States. A 9" x 15 1/2" map showing Wichita Country (before 1918), Wichita Reservation (1872), Quapaw Cession to United States (1818), U.S. Cession to Choctaw, Western limits to Cross Timbers, and Wichita villages. n.d. (2 copies) Drawer 8504
910. Texas. An 18" x 24" map showing Indian reservations in Texas (1854-1859). Shows Upper Reserve (Comanche Agency) and Lower Reserve (Brazos Agency). Maps are copies of originals in archives of the Texas State Library in Austin. Copies are dated 1933. Drawer 8504
911. Long Beach, California. An 18" x 20 1/4" map of the city of Long Beach. Includes Wilmington and San Pedro. A promotional piece of Bekins Van and Storage Company. 1939. Drawer 8504
912. Pan American Highway. An 18" x 24" color pictorial map of North and South America featuring the Pan American Highway. n.d. (Standard Oil Company) Drawer 8504

Map Collection #22: Private Collections, Miscellaneous

913. Atlas. *United States at War: American War Atlas*. Has numerous color maps regarding World War I. Produced by George F. Cram Company. 1918. Drawer 8504

Niebell, Paul M.

914. Indian Territory. A 26 3/4" x 33" map of Indian Territory. Includes various treaty information compiled from the Official Records of the General Land Office, Department of the Interior. Map has tears along fold lines. 1883. Drawer 8504
915. Oklahoma. An 18" x 33 1/2" map of Oklahoma showing highways, counties, railroads, and airports. Official Oklahoma State Highway Map. 1971. Drawer 8504
916. Oklahoma. An 18" x 33 1/2" map of Oklahoma showing highways, counties, railroads, and airports. Official Oklahoma State Highway Map. 1970. Drawer 8504
917. Oklahoma. An 18" x 33 1/2" official railroad map of Oklahoma. Prepared by the Corporation Commission of Oklahoma. 1967. Drawer 8504
918. Oklahoma. An 18" x 33 1/2" official state map of Oklahoma. Shows highways, counties, airports, and railroads. Oklahoma Department of Transportation Map. 1977. Drawer 8504
919. Indian Territory. A 13 1/2" x 17 3/4" map of Indian Territory. Attached typed label says "Cherokee Outlet Case No. 173. Exhibit No. 70. This map faced p. 30 of House Report 2857, 50 Cong., 1 Sess." Penciled date of 1888. (two copies). Drawer 8504
920. Cherokee Indians. A 9 3/4" x 14" photostat of map showing areas held west of the Mississippi by the Cherokee Indians. Prepared by James Mooney. Handwritten note says the map was from the "19th Report Am. Ethnology, 1897-98, opposite p. 14." 1900. Drawer 8504
921. Florida. A 25" x 29" color map of Florida, showing natural vegetation. Produced by the Agricultural Experiment Stations, Institute of Food and Agricultural Sciences, University of Florida, Gainesville. 1967. Drawer 8504
922. Cherokee Indians. A 48" x 60" map of Cherokee Land cessions to the United States, 1785-1835. This area is in various colors and is set within the larger Tennessee Valley region. Tennessee Valley Authority Map. 1953. Drawer 8504
923. Florida. A 46" x 47" map of Florida showing different sections of Florida. Shows railroads, waterways, congressional districts, and tourist attractions. Includes table of statistical data. Issued by the Department of Agriculture. 1963. Drawer 8504
924. United States. A 40 1/2" x 43" hand-drawn, color map of the southeastern United States. Includes dates and other unidentified numbers. No date. Drawer 8504

Map Collection #22: Private Collections, Miscellaneous

925. Creek Indians. A 36" x 50" map used in the court case *Creek Nation vs. United States*, Docket 275 Before the Indian Claims Commission--Alabama and Georgia. Prepared by the Bureau of Land Management. Map is torn and brittle. 1971. Drawer 8504
926. Oklahoma. A 36" x 48 1/2" map of oil and gas fields in eastern Oklahoma. Handwritten note on back says Creek #169. No date. (2 copies) Drawer 8504 [[Digitized 300dpi jpg 11/2014](#)]
927. Oklahoma. *Oklahoma Historical Chart*, by George Rainey. Published by Webb Publishing Company. Approved by the Oklahoma State Board of Education. Includes a series of 18" 20" maps on Oklahoma. 1917. Drawer 8504
- Plate 1 - Historical Map of Oklahoma 1820-1830
 - Plate 2 - Historical Map of Oklahoma 1830-1850
 - Plate 3 - Historical Map of Oklahoma 1850-1860
 - Plate 4 - Historical Map of Oklahoma 1860-1867
 - Plate 5 - Historical Map of Oklahoma 1867-1870
 - Plate 6 - Historical Map of Oklahoma 1870-1890
 - Plate 7 - Historical Map of Oklahoma 1890
 - Plate 8 - Historical Map of Oklahoma 1906
 - Plate 9 - Historical Map of Oklahoma 1917
 - Plate 10 - Historical Map of Oklahoma showing routes and dates of early explorers

Foster, Henry V.

928. Unidentified. A 20" x 29" map drawn in pencil showing town lots. Drawer 8504
929. South Dakota. A 19" x 25" map of eastern South Dakota advertising Kelley's Land Agency, Huron, South Dakota. Shows counties, towns, and railroads. ca. 1900. Drawer 8504
930. Mississippi. A 21" x 14" Railroad Commissioners' map of Mississippi, showing mileage of railroads in Mississippi for term ending June 30, 1901. 1902. Drawer 8504
931. Gogebic County, Michigan. A 17" x 17" blueprint map of M. H. Wheeler lands showing camps, logging roads, and dams. Drawer 8504
932. Wisconsin. A 16" x 16" map of Price County and part of Lincoln, Oneida, and Chippewa Counties, Wisconsin showing Wisconsin Central Railroad lands corrected to March 1, 1896. Drawer 8504
933. Wisconsin. A 23" x 31" map of Wisconsin Valley Land Company showing lands in Marathon and southern part of Lincoln County. 1897. Drawer 8504
934. Wisconsin. A 16" x 13" map fragment showing Plover, Grant, and Pine Grove. Drawer 8504

Map Collection #22: Private Collections, Miscellaneous

- 935. United States. A 17" x 32" map showing the Missouri Pacific Railway; Missouri, Kansas and Texas Railway; St. Louis Iron Mountain and Southern Railway; International and Great Northern Railroad; Central Branch U.P.R.R.; Ft. Scott Wichita and Western Railroad; and the Little Rock and Ft. Smith Railway; and connections, includes timetables. Rand McNally and Company. Drawer 8504
- 936. Indian Territory. A 27" x 31" map of Townships 20N - 29N, and Ranges 4E - 14E showing sections, railroad lines, creeks, and rivers. Drawn by the Osage Map Company, Bartlesville, Indian Territory. Drawer 8504
- 937. Westerly, Rhode Island. A 36" x 17" plat of Winnapaug Golf Course. 1928. Drawer 8504
- 938. Indian Territory. A 31" x 39" blueprint map of Indian Territory Illuminating Oil Company operating lands in the Osage Reservation, Townships 20N - 29N, and Ranges 4E - 12E, showing railroad lines, creeks and rivers. Drawer 8504

Marriott-Rachlin

- 939. Osage lands. A 42" x 31" map of Osage lands used in Osage lands claim case, early 1960. Shows Osage hunting lands, villages, forts and missions. Pencil drawing by Carol K. Rachlin. Drawer 8504
- 940. United States. A 36" x 44" map showing rivers and ports. Pencil drawing. Drawer 8504
- 941. Missouri. A 30" x 36" map showing rivers and cities. Pencil drawing. Drawer 8504
- 942. Oklahoma. An 18" x 27" map of Oklahoma Water Development by the U.S. Department of the Interior Geological Survey. 1973. Drawer 8504
- 943. Central United States. A 22" x 25" map of Nebraska, Iowa, Illinois, Missouri, Arkansas, Oklahoma, and Kansas showing mountains and rivers. 1960. Drawer 8504
- 944. Central United States. A 26" x 29" map of Nebraska, Iowa, Illinois, Missouri, Arkansas, Oklahoma, and Kansas showing forts, rivers and mountains. Pencil and ink drawing. Drawer 8504
- 945. Kansas. A 32" x 56" map of Kansas by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1963. Drawer 8504
- 946. Missouri. A 44" x 51" map of Missouri by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1972. Drawer 8504

Map Collection #22: Private Collections, Miscellaneous

947. Oklahoma. A 35" x 54" map of Oklahoma by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1953. Drawer 8504.
948. Kansas. A 32" x 56" map of Kansas by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1963. Drawer 8504.
949. Rivers. A 36" x 50" map showing the Mississippi River, Osage River, Marmaton River, Marai Des Cignes River, and Missouri River. Pencil and ink drawing. Drawer 8504.
950. Arkansas. A 35" x 40" map of Arkansas by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1967. Drawer 8504.
951. Nebraska. A 32" x 62" map of Nebraska by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1965. Drawer 8504.
952. Arkansas. A 35" x 40" map of Arkansas by the U.S. Department of the Interior Geological Survey. Shows elevation and other geographical features. 1968. Drawer 8504.
953. Arkansas. A 35" x 39" map of Arkansas by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1967. Drawer 8504.
954. Missouri. A 44" x 60" map of Missouri by the U.S. Department of the Interior Geological Survey. Shows cities and towns, railroad lines, geographical features, etc. 1972. Drawer 8504.

Simon, Earle M.

955. Oklahoma City. Ward and Precinct Map of OKC, 1944 includes streets, ward and precinct boundaries. 22 1/2" x 26". Drawer 8505
956. Oklahoma City. Ward and Precinct Map of OKC, date unknown, includes streets, ward and precinct boundaries. 17" x 18 1/2". Drawer 8505

Map Collection #22: Private Collections, Miscellaneous

1120. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 5 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1121. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 6 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1122. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 7 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1123. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 8 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1124. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 9 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1125. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 10 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1126. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 11 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1127. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 24 North, Range 12 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1128. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 2 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.

Map Collection #22: Private Collections, Miscellaneous

1129. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 3 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1130. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 4 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1131. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 5 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1132. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 6 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1133. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 7 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1134. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 8 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1135. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 9 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1136. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 10 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
1137. Osage County, Oklahoma. 16 $\frac{3}{4}$ " x 15 $\frac{1}{4}$ " black and white map of Township 25 North, Range 11 East, of Osage County, by F. A. Innes (Nowata, Okla.), 1910. Map shows land

Map Collection #22: Private Collections, Miscellaneous

- owners/Osage allottees' name, gender, age, and roll number, along with cities, towns, waterways, railroads, schools, and oil and gas wells. Drawer 8644.
