6. Oklahoma. An 18" x 30" blue on tan map with the same type of information as contained in number 5 above. In addition, districts are shown using red crayon. Oklahoma Department of Highways, 1953, revised 1960. Drawer 8507
7. Harmon County, Oklahoma. An 18" x 30" blue on tan map containing the same type of information as number 5 above. In addition, red crayon markings indicate districts. Oklahoma Department of Highways, 1956, revised 1960. Drawer 8507
8. Grady County, Oklahoma. Map contains the same type of information as number 5 above with red crayon markings indicating districts. Map is blue on tan and measures 18" x 30". Oklahoma Department of Highways, 1956, revised 1960. Drawer 8507
9. Custer County, Oklahoma. Map contains the same type of information as number 5 above with red crayon markings indicating districts. An 18" x 30" map colored blue on tan. Oklahoma Department of Highways, 1956, revised 1960. Drawer 8507
10. Beckham County, Oklahoma. A "General Highway Map" measuring 18" x 30". Shown are

Map Collection #26: Division of Manuscripts

towns, cities, populations, townships, transportation routes, waterways, and numerous types of artificial structures. Districts are indicated using red markings. Map is blue on tan. Includes inset and legend. Oklahoma Department of Highways, 1957, revised 1960. Drawer 8507

11. Mayes County, Oklahoma. A "General Highway Map" of the same color and size and with the same type of information as number 10 above. Includes several insets showing various areas in greater detail, as well as a vicinity map inset. Oklahoma Department of Highways, 1959, revised 1960. Drawer 8507
12. Okmulgee County, Oklahoma. A "General Highway Map" of the same color and size, and with the same type of information as number 10 above. Includes numerous insets showing various areas in greater detail, as well as a vicinity map inset. Oklahoma Department of Highways, 1955, revised 1960. Drawer 8507
13. Jefferson County, Oklahoma. A "General Highway Map" of the same color and size, and with the same type of information as number 10 above. Map includes insets showing two areas in greater detail. A third inset is a vicinity map. Oklahoma Department of Highways, 1957, revised 1960. Drawer 8507
14. Garvin County, Oklahoma. A "General Highway Map" of the same color and size, and with the same type of information as number 10 above. Map includes insets of a vicinity map and details of several areas. Oklahoma Department of Highways, 1958, revised 1960. Drawer 8507
15. Comanche County, Oklahoma. A "General Highway Map" of the same color and size, and with the same type of information as number 10 above. Includes insets showing various areas in greater detail, as well as a vicinity map inset. Oklahoma Department of Highways, 1957, revised 1960. Drawer 8507
16. Jackson County, Oklahoma. A "General Highway Map" of the same color and size, and with the same type of information as number 10 above. Map includes insets showing several areas in greater detail, as well as a vicinity map inset. Oklahoma Department of Highways, 1956, revised 1960. Drawer 8507
17. Stephens County, Oklahoma. A "General Highway Map" measuring 18" x 30". Shown are towns, cities, populations, townships, transportation routes, waterways, and numerous types of artificial structures. Districts are indicated using red markings. Also included are numerous insets showing details of various areas, a vicinity map inset, and legend. Oklahoma Department of Highways, 1957, revised 1960. Drawer 8507
18. Canadian County, Oklahoma. A "General Highway Map" of the same color and size, and with the same type of information as number 17 above. Oklahoma Department of

Map Collection #26: Division of Manuscripts

- Highways, 1956, revised 1960. Drawer 8507
19. Pottawatomie County, Oklahoma. A "General Highway Map" of the same color and size, and with the same type of information as number 18 above. Oklahoma Department of Highways, 1957, revised 1960. Drawer 8507
 20. Washington County, Oklahoma. A "General Highway Map" of the same size and color, and with the same type of information as number 17 above. Oklahoma Department of Highways, 1957, revised 1960. Drawer 8507
 21. Choctaw County, Oklahoma. A "General Highway Map" of the same size and color and with the same type of information as number 17 above. Oklahoma Department of Highways, 1955, revised 1960. Drawer 8507
 22. Oklahoma. A 9" x 12" colored county outline map of the state showing "Ground-Water Reservoirs." Map is color-coded to legend showing well yields. Oklahoma Geological Survey, 1957. Drawer 8507
 23. Oklahoma. An 11" x 16" outline map showing "Petroleum, Natural Gas, and Related Materials." Pertinent areas are color-coded on map and are keyed to explanation. Oklahoma Geological Survey, 1957. Drawer 8507 [\[Digitized 300dpi jpg and tif, 9/2014\]](#)
 24. Oklahoma. An 11" x 17" "Mineral Map of Oklahoma." Areas of mineral occurrence are color-coded on map and are keyed to explanation. Oklahoma Geological Survey, 1957. Drawer 8507
 25. Oklahoma. An 11" x 17" "Physiographic Map of Oklahoma" with the various regions color-coded on map and keyed to explanation. Oklahoma Geological Survey, 1957. Drawer 8507
 26. Oklahoma. An 11" x 17" "Geologic Map of Oklahoma." Geologic areas are color-coded on map and are keyed to explanation. Oklahoma Geological Survey, 1957. Drawer 807
 27. Kansas-Oklahoma. A black and red on white "Map of Kansas-Oklahoma Mining Field." Towns, cities, and transportation routes are also shown for the area. Map measures 19" x 21". By Tri-State Zinc and Lead Ore Producers Association, Pitcher, Oklahoma, 1925. Drawer 8507
 28. Oklahoma-Kansas. A black and red on white "Map of Oklahoma-Kansas Mining Field." Towns, cities, townships, waterways, and transportation routes are also included. Map measures 17" x 19" and covers basically the same area as number 27 above. By Tri-State Zinc and Lead Ore Producers Association, 1926. Drawer 8507
 29. Oklahoma-Kansas. A blueprint map of the mining district and ground workings. Also

Map Collection #26: Division of Manuscripts

shown are townships, ownerships, and waterways. The area covered is basically the same as numbers 27 and 28 above. Map measures 36" x 50". Scale 1:1200. Copyright by K. L. Koelker, Mining Engineer, Joplin, Missouri, 1927. Drawer 8507

30. Oklahoma. A black on white township map of the "Tonkawa Oil Field" in Kay and Noble counties. Includes transportation routes, structures, and detailed notes. Map measures 25" x 40". Two copies, one with notes in red. Undated. Drawer 8507 [[Digitized 300dpi jpg 11/2014](#)]
31. Township 1 South, Range 8 East, Indian Territory. A negative reproduction of a township map showing allotments. Map measures 12" x 14". U.S.G.S. and U. S. Commission to the Five Civilized Tribes, 1935. Drawer 8507
32. Township 2 North, Range 6 East, Indian Territory. A negative reproduction measuring 12" x 14" and indicating allotments. By U.S.G.S. and U. S. Commission to the Five Civilized Tribes, 1935. Drawer 8507
33. Township 2 South, Range 3 East, Indian Territory. A negative reproduction of a township map showing allotments. Map measures 12" x 14". U.S.G.S. and U. S. Commission to the Five Civilized Tribes, 1935. Drawer 8507
34. Township 3 North, Range 5 East, Indian Territory. A negative reproduction of a township map measuring 12" x 14" and indicating allotments. By U.S.G.S. and U. S. Commission to the Five Civilized Tribes, 1935. Drawer 8507
35. Modoc Reservation, Indian Territory. A black on white section map measuring 13" x 17". Also shown are transportation routes, waterways, and survey data. Circa 1889. Drawer 8507
36. Township 7 North, Range 2 West, Indian Territory. A black on white map showing sections, waterways, transportation routes, and some geographical features. Survey data are also included. Map measures 17" x 17". U.S.G.S., 1899. Drawer 8507
37. Township 8 North, Range 3 West, Indian Territory. A black on white map measuring 14" x 14" and showing sections, waterways, transportation routes, and some geographical features. Also included are survey data. U.S.G.S., 1899. Drawer 8507
38. Township 8 North, Range 2 West, Indian Territory. A black on white map measuring 14" x 14" and showing sections, waterways, transportation routes, and some geographical features. Also included are survey data. U.S.G.S., 1899. Drawer 8507
39. Township 9 North, Range 3 West, Indian Territory. Sections are shown for the entire township, but waterways, transportation routes, and some geographical features are shown for only the southwest corner. Map is black on white and measures 14" x 14". Survey data

Map Collection #26: Division of Manuscripts

are also included. U.S.G.S., 1899. Drawer 8507

40. Township 7 North, Range 2 West, Indian Territory. A 15" x 17" black on white map showing waterways and some geographical features in the northeast corner and sections for the entire township. Canadian River statistics and survey data are also included. Approved by General Land Office, 1874. Drawer 8507
41. Township 7 North, Range 1 West, Indian Territory. A black on white map measuring 15" x 18". Settlements, sections, waterways, transportation routes, and some geographical features are shown. Also included are Canadian River statistics and survey data. General Land Office, 1874. Drawer 8507
42. Township 8 North, Range 3 West, Indian Territory. A black on white 15" x 18" map showing waterways and geographical features for the northeast corner and sections for the entire township. Included are Canadian River statistics and survey data. General Land Office, 1874. Drawer 8507
43. Township 9 North, Range 3 West, Indian Territory. A 15" x 17" black on white map showing sections, waterways and some geographical features for the township. Also included are Canadian River statistics and survey data. General Land Office, 1874. Drawer 8507
44. Township 9 North, Range 2 West, Indian Territory. A 15" x 17" black on white map showing sections, waterways, transportation routes, and some topographical features for the township. Survey data are also included. General Land Office, circa 1874. Drawer 8507
45. Township 8 North, Range 1 West, Indian Territory. A 15" x 17" black on white map showing sections within the township. The western boundary has more detailed information. Survey data are also included. General Land Office, 1873. Drawer 8507
