Map Collection #3: U.S. and North America

1. North America; George F. Cram Company map, circa 1940's. Distances between principal cities and ports are marked. A colored 27" x 30" map. An inset contains the Virgin Islands. The reverse shows Europe and the World on two maps. Flags of nations are also shown. (Two copies, both show considerable tearing). Drawer 8596
2. North America; A National Geographic Magazine map published in 1942. A colored 25" x 31" map extending from the Arctic Circle to South America. Naval bases are shown along with regular features. The Aleutians are shown in an inset. Drawer 8596
3. North America; A National Geographic Magazine map published in 1952. A colored 26" x 33" map. The Bering Sea is shown in an inset. Drawer 8596
4. North America; A 1903 Bureau of American Ethnology Progress Map. An outline map, printed in colors, showing the extent of office and field work by the B.A.E. during 1899-1900. Arizona and New Mexico are the busiest areas. From the 21st Annual Report of the B.A.E. 18" x 24". Drawer 8628
5. (Canada) Showing the location of Indian Bands With Linguistic Affiliations, 1965. Algonkian, Athapashan, Haida, Iroquoian, Kootenagan, Sabishan, Siouan, Tlingit, Tsimshian and Wakashan. A colored 29" x 37" map. Drawer 8596
6. United States, showing Indian Lands and areas operating under some degree of Federal responsibility. An outline map printed in colors. A 24" x 34" map with Alaska in an inset. Drawer 8596
7. United States; An Indian Reservation map, dated 1884. Compiled under the direction of the Commissioner of Indian Affairs, the Honorable Hiram Price. A 21" x 33" two-toned map. The whole of Oklahoma except the Panhandle is comprised of Indian Reservations. Shows considerable mending with tape. Worn and fragile. Drawer 8596
8. United States; 1890 edition of the above map. Compiled under the direction of T. J. Morgan, Commissioner of Indian Affairs. 21" x 33" in dimension and colored like number 7. Two copies, both showing extensive tearing. Quite fragile. Taken from the Eleventh Census. Drawer 8596
9. United States; The 1894 version of the above map. No significant changes. Drawer 8596
10. United States; The 1892 version of T. J. Morgan's Indian Reservation Map, only this one has the states in different colors. It is the same as the previous three in other respects. Badly torn. Drawer 8596

Map Collection #3: U.S. and North America

11. United States; The 1897 version of the above map. W. A. Jones is Commissioner of Indian Affairs. The same map in all respects as number 10. Torn in two pieces. Drawer 8596
12. United States; A 1916 Department of the Interior map showing the Indian Reservations. A bi-colored 15" x 24" map with California and New Mexico Indians being shown in insets. Town in several places. Drawer 8628
13. United States; An Index map showing the physiographic provinces and distribution of quadrangles represented in a set of 100 selected maps. A 1938 U.S.G.S. map, emphasizing a blue and white map with red definitions. An 18" x 28" map. Drawer 8628
14. United States; "America's Cattle Trails", 1949. Compiled from contemporary sources by G. M. Brayer and H. O. Brayer. Sponsored jointly by the American Pioneer Trails Association and the Western Range Cattle Industry Study. A 22" x 34" outline map with color marked trails dating from Old Spanish Colonial Trails to post Civil War trails. (Two copies) Drawer 8596
15. United States; American Folklore and Legends by J. D. McKee from. A very colorful pictographic map depicting most American legends. A 20" x 31" map. (Two copies). Drawer 8596
16. North America; A 24" x 19" full color map by W. T. Hornaday "Illustrating the Extermination of the American Bison." This map is from the Book X599.7, H 78e. 1889. Drawer 8596
17. United States; 1950 Census Poster. A pictographic Calendar map with accompanying census data. A colored 19" x 29" map by the Osborne Company of Clifton, N.J. from the Leadbetter Motor Company. Drawer 8596
18. United States and Mexico; "Showing the Route and Importance of the contemplated Great Oregon Railroad, the Boundary as agreed upon, the only two routes by which an Army can reach the City of Mexico, an account of the Battles of the American and Texan revolutions, Army and Navy of the United States; Route of the Santa Fe Traders, description of Mexico, its Gold and Silver Mines, Seals of different States, and c. and c." Entered according to Act of Congress, in 1846. An old propaganda map of 14" x 15" dimensions, and accompanied by statistics and information. Torn into two pieces. Drawer 8596
19. United States; A colored double-page 15" x 25" map by Cowperthwait, Desilver & Butler, in 1850. Published in Philadelphia. Extremely fine map in detail, especially in the western portion. The Montana region is labeled Missouri Territory and Indian Territory extends from the Missouri (State) border into Wyoming and from the Platte River to the Red River. San Jose is the capital of California and Iowa City the capital of Iowa. Forts, battles, towns, important routes and topographical features are shown. Over 50 Indian tribes are located

Map Collection #3: U.S. and North America

west of the Mississippi River. Two insets show Washington D.C. and California. Drawer 8596

20. United States; 1855 map by J. H. Colton & Co., published in New York. A four-color 15" x 25" map. Missouri Territory (in the previous map) has become Nebraska, and Kansas has taken the northern half of Indian Territory which now occupies the present state of Oklahoma. Sacramento has replaced San Jose as the capital of California, but Iowa City remains the capital of Iowa. Numerous forts, trails, towns, and Indian tribes are shown. West of Missouri, only Texas and Calif. have their modern boundaries. Drawer 8596
21. United States; 1860 Mitchell map published in Philadelphia. A multicolored 12" x 19" map with a border. Oregon and Indian Territory (Oklahoma) have gained their modern borders. Nebraska covers most of Montana, Wyoming and the western portion of the Dakotas. Kansas extends to the Rockies to meet Utah. Principal trails and towns are show. Texas is well settled except for the panhandle and extreme western parts. Washington includes Idaho and Nevada, Arizona, Wyoming, and Colorado have not yet been formed. New Foundland is shown in a single inset. Drawer 8596
22. United States; Dept. of the Interior 1908 map by Frank Bond, of the Routes of the Principal Explorers and Early Roads and Highways. Printed by the Lord Baltimore Press, Baltimore, Md. A 23" x 32" tan map with the various routes and trails shown in different colors. Insets are of Alaska, Philippine Islands, Hawaiian Islands, Samoan Islands, Puerto Rico, Cuba and the Panama Canal. Drawer 8596
23. United States; U.S.G.S. map compiled by H. Gannett for the 1921 edition. A contour map of the nation showing the larger towns along with the drainage and terrain of the country. A blue and brown toned 17" x 28" map. (Has three small holes in it) Drawer 8596
24. United States; An Excelsior Series Map by the Geographical Publishing Company of Chicago in 1926. A yellow map with state borders marked in green and principal highways marked in red. The time zones are shown and Alaska is the single inset. A 23" x 34" map with the population figures for the larger cities of the world given below. The reverse is a Presidential Wall Atlas. (two copies) Drawer 8596
25. United States; A National Geographic Magazine map dated 1933. A colored 26" x 40" map. Drawer 8596
26. United States; A National Geographic Magazine map, published in 1940. A colored 26" x 40" map with two insets showing state populations as of the 16th Census and the distribution of Army units and corps throughout the nation. (Two copies) Drawer 8596
27. United States; A 1933-1935 Political map showing the Governors and U. S. Senators representing each party and state. A red and green 34" x 44" page with accompanying statistics and brief biographies of the Senators. C. E. Bowles of Tulsa, is distributor and

Map Collection #3: U.S. and North America

compiler. Drawer 8596

28. United States; Political map showing the party and state affiliation for the U. S. House of Representatives for the 73rd Congress. Same size and format as previous map, excepting the biographies which are not included in this map. Coloring and size follow number 27. Compiled and published by C. E. Bowles of Tulsa. Drawer 8596
29. North America; 22" x 34" full color map of "America's Cattle Trails" by the Western Range Cattle Industry Study and The American Pioneer Trails Association, 1949. Drawer 8596
30. "The North American Indians." 1950 Distribution of Descendants of the Aboriginal Population of Alaska, Canada and the United States. Prepared under the direction of Sol Tax, Department of Anthropology, University of Chicago. A black and white 25" x 28" map showing all the American Indian communities as of 1950. (three copies) Drawer 8596
31. "Historical Map of the United States." 1953 National Geographic Magazine map of the points of historical events and places in the nation. A colored 24" x 38" map with insets of the original colonies. Drawer 8596
32. United States; A 1956 National Geographic Magazine map showing major highways and most of the towns in the nation. A colored 27" x 41" map with insets of Hawaii, Alaska, Nova Scotia, and the New York City area. Drawer 8596
33. United States; 6" x 9" black and white "Average Annual Rainfall of the U.S." Drawer 8628
34. United States; 6" x 9" black and white "Welch's Outline Maps of the United States" no date. Drawer 8628
35. United States; Shows counties of the states. By the American Map Co., Inc. No Date. Scale: 1" = 100 miles. 25" x 38". Drawer 8596
36. United States; New France in 1745. Map originally produced by Reiner Ottens. Reproduced by American Heritage. No Reproduction Date. No Scale. 19" x 24". Drawer 8596
37. United States; North America by Mathew Seuter in 1735. Reproduced by Penn Prints of New York. No Date. Scale: 1" = 40 miles. 19" x 24" Drawer 8596 MISSING
38. United States; Indian Reservations. Produced by the Office of Indian Affairs in 1946. Scale: 1" = 150 miles. 17" x 25". Drawer 8628
39. Pacific Ocean and Surrounding Coasts. Description at the top reads: Chart containing the Coasts of California, New Albion, and Russian Discoveries to the North, with the Peninsula of Kamchatka, in Asia, opposite thereto, and Islands dispersed over the Pacific Ocean, to the North of the Line. Published according to Act of Parliament, Feb. 19, 1953 by T.

Map Collection #3: U.S. and North America

Jefferys, Geographer to His Royal Highness, the Prince of Wales, at the corner of St. Martin's Lane, Charing Cross. Photostatic copy from the British Museum. Drawer 8628

40. "Landforms of the United States" 27" x 42", black and white map by Erwin Raisz to accompany Atwood's "Physiographic Provinces of North America." This map gives a very detailed listing of all landforms and elevations in the U.S. and Southern Canada, 1957. Drawer 8596
41. Western United States; Historic forts of the old west. A 22" x 35" green on yellow map prepared by the U. S. Sixth Army, 1975. Drawer 8596
42. North America; A 16" x 21" map of the western half of North America. Black and white negative with a cloth backing, 1806. Drawer 8628
43. North America; A 13" x 16" blue on white map of the spread of the Spanish Horse. No date. Drawer 8628
44. United States; A 14" x 18" blue on yellow map. Oklahoma is listed as Indian Territory. No date. Drawer 8628
45. United States; Full color 18" x 32" map of the Missouri Pacific Railroad Lines, 1940. Drawer 8596
46. United States; 22" x 38" black, blue, red and white map of Missouri Pacific Lines showing mineral and vegetable resources close to Missouri Pacific lines. Drawer 8596
47. Southeastern United States; 30" x 26" full color National Geographic map. Insets of Littoral of Cape Hatteras and Norfolk and Lower Mississippi, 1947. Drawer 8596
48. Southwestern United States; 23" x 34" full color. National Geographic map of the southwest, 1948. Drawer 8596
49. United States; 27" x 38" blue and red on white map of Y.W.C.A. War Work Centers by L. S. Hammond. No date. Drawer 8596
50. United States; 15" x 22" full color map by the Kenyon Co., 1915. Drawer 8628
51. United States; 15" x 22" black and white map of Indian tribes, reservations and settlements in the U.S., 1943. Drawer 8628
52. North America; 29" x 23" black and white series of 13 maps detailing Indian origins and migrations with archeological and theoretical evidences. Includes: Indian lands and communities; hunters, trappers and traders; wars, battles and conflicts in eastern U.S.; military forts and camps in eastern U.S.; Hudson Bay Company, Fur Trade forts and posts;

Map Collection #3: U.S. and North America

- Indians and Christianity; exploration routes and trails 1835-1872; early sea routes to Indian America. Drawer 8596 MISSING
53. United States; 22" x 34" black and white "Bootleggers Map of the U.S." Drawer 8628
 54. United States; Indian Reservation areas. 30" x 35" black, blue, red on white map of Indian Reservations with inset of Alaska. Published by Bureau of Indian Affairs, 1961. Drawer 8596
 55. Railroad Map of the United States; 23" x 35" black and blue on white map detailing all major rail lines in the U.S., Mexico and Cuba, 1884. Drawer 8596
 56. United States; 23" x 37" Rock Island Railroad Map of National Army cantonment camps, reserve officers camps and aviation sites by Rand McNally. No date. Drawer 8596
 57. United States; 24" x 35" full color map of American Folk-lore and Legends by John Dukes McKee. No date. Drawer 8596
 58. United States; 14" x 19" blue, black and white Dept. of Interior map of Indian Reservations under federal jurisdiction, 1940. Drawer 8628
 59. Indian Lands; 26" x 35" blue and red on white map of Indian lands operating under some degree of Federal Responsibility. Published by the Bur. of Indian Affairs, 1965. Drawer 8596
 60. United States; 10" x 13" black and blue on white, U.S.G.S. map of the states with major cities and rivers, 1940. Drawer 8628
 61. Henry Teasdale & Co. map of North and South America. Circa 1820's. A color outlined map of 13" x 16" dimension. Missouri Territory extends into central Canada and west of that is Albion, located to the north of New California. Numerous forts are indicated and Chicago is non-existent. Drawer 8628
 62. North America. An Ethnographical Map of the Indian Tribes of the United States (and Canada) as of 1600 A. D. Published by Lippincott, Grambo & Co. of Philadelphia. A multicolored 9" x 12" map showing the geographical situation of the Linguistic stocks of the native Americans. (the border is taped) Drawer 8628
 63. North America. An 1839 Mitchell map, engraved to illustrate Mitchell's. An 8" x 10" colored map with California in possession of Mexico. The far northwest extends northward almost to Alaska, Canada is labeled New Britain. Drawer 8628
 64. North America. A G. H. Swanston of Edinburgh map, circa 1850. A 16" x 19" color outlined map showing the location of various Indian tribes, frontier forts, settlements and

Map Collection #3: U.S. and North America

65. North America. A map of Linguistic Stocks of American Indians North of Mexico by J. W. Powell. Prepared for the Seventh Annual Report of the B. A. E. as Plate I. A multi-colored 18" x 20" map. (two copies, one has considerable taping) Drawer 8628
66. North America. Primarily, the same map as the above. This version is from the Eleventh Census. Issued in 1890. Drawer 8628
67. North America. The 1915 revision by the Staff of the B.A.E. of Powell's Linguistic Stock Map. Very similar to the above map. Drawer 8628
68. United States. A black and white 8" x 13" map. George Catlin's Map of the Indian Country showing the approximate location of Indian tribes and the buffalo range in 1833. Published in the Eleventh U. S. Census. (torn and taped) Drawer 8628
69. Essentially the same map as above, only not identified as being Catlin's map. Shows a few more fort locations. Indian tribal locations are approximately the same. A 8" x 14" black and white map. Drawer 8628
70. United States. A small 8" x 10" colored map of Aboriginal America showing the Distribution and Territorial Limits of the Indian Nations in the New World. (Taped) Drawer 8628
71. United States. circa 1850's. A multi-colored 12" x 15" map. California and Texas have their modern boundaries, Arizona, Nevada, Utah, Idaho, Montana, Colorado, Wyoming and the Dakotas have not yet been founded. Nebraska Territory extends north to Canada and Kansas Territory extends west to the Rockies. (Two copies) Drawer 8628
72. United States. 1858 map by J. H. Colton & Co. A multi-colored 12" x 14" map. Similar to the above map, however, "Dakota" has been carved out of Western Minnesota and Utah Territory has been created. Drawer 8628
73. United States. Mitchell map of the U.S. and Territories, a colored 12" x 20" map. A huge "Dacotah" region has flattened out the Territory of Nebraska. Arizona is the southern portion of New Mexico Territory. Colorado and Kansas are states and Nevada Territory has been carved out of western Utah Territory. An inset shows Newfoundland. Pony Express trails and exploration routes are shown also. Drawer 8628
74. United States. Mitchell map of the U.S. and Territories, dated 1860 the same as the U. S. above map. There are, however, considerable differences. Idaho Territory has mushroomed up between Dakota Territory and the states of Washington and Oregon. The territories of New Mexico and Arizona more closely resemble the modern states. Nebraska is now a state with modern boundaries. Insets show Pensacola Bay and Hampton Roads, Virginia. The

Map Collection #3: U.S. and North America

- Oregon, Santa Fe, Overland and California Trails are shown. 12" x 20" Drawer 8628
75. Asher & Adams map of the United States and Territories. All states and territories show modern boundaries, with the exception of North and South Dakota which are lumped together as Dakota Territory. Existing and proposed railroads are shown. Alaska is shown in an inset. Drawer 8628
 76. General map of the United States by J. Bartholomew F.R.G.S.; Published by A. & C. Black of Edinburgh. A colored 16" x 22" map very similar in content and formation to the above map. This one shows more railroad routes. (no date) Drawer 8628
 77. United States. 1880 population distribution map (excluding Indians not taxed). A black and white 9" x 15" map that was plate No. II in the 1880 census report. Drawer 8628
 78. United States. A 9" x 14" black and white map showing the National Forests and related data, 1930. Published by the Forest Service of the Department of Agriculture. Drawer 8628
 79. United States. A county outline map by the Department of Agriculture. All counties in the 48 states are shown. An 11" x 18" map. Drawer 8628
 80. United States. A colored 7" x 9" map taken from an unknown atlas depicting the U.S. circa 1821. Shows free and slave states and areas undergoing gradual abolition. Drawer 8628
 81. United States. An unfolding panorama of settlement stages of the U.S. from 1663 to 1890. Black and green and kept in a protective folder. Drawer 8628
 82. Map of the United States and Canada. "Designed to Accompany Smith's Geography for Schools", 1839. The first tier of states west of the Mississippi River have their modern boundaries. Indian Territory extends from the Red River north to the Kansas River. Texas stretches west to the Rio Grande valley in modern New Mexico and north to the 42nd parallel. Nebraska Territory encompasses all of modern North and South Dakota, Montana, Wyoming, and part of Colorado, Oregon and California, separated by the 42nd parallel cover the entire area between the Rockies and the Pacific. A colored 11" x 18" map. Drawer 8628
 83. Map of the United States, Canada and a part of Mexico. "To Illustrate Olney's School Geography", 1844. Texas has attained its modern boundary, and New Mexico and Utah Territories have been carved out of California. A colored 11" x 18" map. Drawer 8628
 84. Ontario, Canada's fishing lodges and lakes. A colored distance map of 10" x 15" dimension. Drawer 8628
 85. The Ods, Oxford and Red Sucker Lakes region of Ontario, Canada. A colored 11 x 17" map. Drawer 8628

Map Collection #3: U.S. and North America

86. British Columbia. A map of the Rocky Mountains between Latitude 51 degrees and 53 degrees. Printed for the Canadian Pacific Railways. A colored 13" x 22" map. Drawer 8628
87. Map of North America to illustrate Olney's School of Geography. Entered by Act of Congress, in 1844. A colored 9" x 11" map. The U.S. lacks only the Gadsden Purchase area. The plains are labeled "The Great American Desert" and show only Indian inhabitants. Drawer 8628
88. North America. Designed to accompany Cornell's High School Geography. Dated 1855, and published by D. Appleton and Co. of New York. A colored 10" x 12" map. Cities, rivers and mountains are the only items shown. The reverse side shows "The British Provinces of North America." Drawer 8628
89. United States. Designed to accompany Cornell's High School Geography. Dated 1855 and published by D. Appleton & Co. of New York. Montana, Wyoming, Idaho, Arizona and the Dakotas do not exist. They are encompassed by Dacota, Nebraska, Washington and New Mexico territories. Utah is very wide and Nevada lacks its southern tip. Nebraska's panhandle extends to the Rockies. Only Colorado and Indian Territories have modern boundaries. Drawer 8628
90. Map of the United States and territories together with Canada. A colored 13" x 21" map dated 1860 and copyrighted by S. A. Mitchell. Wyoming is still part of Dacotah Territory and Arizona, is part of New Mexico. The rest of the territories have assumed their modern boundaries. Insets show Hampton Roads, Virginia, and Pensacola Bay. Drawer 8628
91. Maps of Indian Lands and Communities. American and Alaskan Indian Reservation and Groups. Albers Equal Area Projection. About 150 miles to the inch. On the opposite side are, a. Cultural Areas of American Indians and Location Today, and, b. Probable Location of Indian Tribes North of Mexico about 1500 A.D. from by Clark Wissler. Maps printed and prepared by the U. S. Dept. of the Interior, Bureau of Indian Affairs and Haskell Indian Junior College, Lawrence, Kansas. December, 1976. Drawer 8628
92. North America; 16" x 11" green and white outline map of North America showing rivers and major mountain ranges, no date. Drawer 8628
93. United States; 17" x 11" black and white map showing all major rivers, lakes and outlines of the states. Prepared by Henry M. Leppard, 1939. Drawer 8628
94. United States; 14" x 21" black and white outline map of the U.S. with major rivers and state capitals shown. Rand McNally & Co., 1913. Two copies. Drawer 8628
95. United States; 19" x 12" full color map showing slave states and non-slave states, border slave-holding states and Oklahoma as Indian Territory. No date. circa 1860-62. Drawer

Map Collection #3: U.S. and North America

8628

96. "The Conquest of Indian America." A series of 30 maps and charts detailing early Indian history, territory, customs, food and dwellings. 29" x 23" maps by Bill Rieske, 1982.
Drawer 8596
- 96.1 "Native American Tribes." A black and white map of the U.S. and Alaska with a detailed listing of Indian tribes and their original locations.
- 96.2 "Indian Dwellings and Homes." Black and white map of the U.S. and Alaska showing many different types of Indian dwellings in areas they were once used.
- 96.3 "Exploration Routes and Trails, 1607-1675." Black and white map showing the location of all major Indian areas and villages with the routes of European explorations in color.
"Exploration Routes and Trails, 1675-1800." black and white map of Indian villages in the U.S. with European exploration routes in full color.
- 96.4 "North and South America-A Comparison Including Language Groups, Cultural Areas and Tribes." A series of 8 maps, the first four of which compare European territorial possessions in North and South America from 1700 to 1826. The next two maps list the native language families of North and South America. The last two maps list the cultural areas and tribes of North and South America.
- 96.5 "Missions and Presidios of the Old Southwest, Including Some Farms, Ranches, Settlements and Towns." A detailed listing of all mission settlements from 1500 to 1850.
- 96.6 "Transportation of the Fur Trade, A History of Transportation." A general history of all types of boats used in early trade and exploration, from the dugout canoe to the steamboat.
- 96.7 "Indian Record Keeping, The Battle of Little Bighorn, Indian Drawings of Custer's Defeat." A series of nine Indian drawings and a map of the battle area. Indian drawing shows the Indian camp, the calvary attack, scenes of the battle and pictures of Indian and Army dead on the battlefield.
- 96.8 "Indian Record Keeping, Lone Dog's Winter Count 1800-1871, A 70 year calendar of the Dakota Nation." A chronological series of Dakota pictographs with the date and explanation of each.
- 96.9 "Indian Record Keeping, Oglala Sioux Roster." The five principal chiefs of the Oglala Sioux are listed along with their band and the Oglala sub-chiefs in this full color poster with 9 separate illustrations.
- 96.10 "Contributions of Native Americans-Navajo Dyes and Weaving." A list of 17 Navajo dyes with the plant sources and directions for preparation of each. Includes 16" x 21" full color

Map Collection #3: U.S. and North America

picture of a Navajo weaving and the plants that make the dyes used.

- 96.11 "Contributions of Native Americans, Edibles." A partial list of drink, flour, fruit, gum, meal, nuts, salad and vegetable sources along with a listing of 35 fruits and vegetables with illustrations.
- 96.12 "Contributions of Native Americans; Hopy Dyes, Kachinas, Pottery, Weaving." A series of 25 pictures of pottery, weaving and kachina dolls along with lists of Hopi Dyes, Navajo tea and some Kachina mask symbols and seasonal calendar.
- 96.13 "Exploration Routes and Trails 1800-1820." A black and white U.S. map showing all major forts and Indian camps along with a listing of expeditions west of the Mississippi.
- "Exploration Routes and Trails 1820-1835." A black and white U.S. map showing all major forts and Indian camps along with a listing of expeditions west of the Mississippi.
- 96.14 "Exploration Routes and Trails, Spanish 1512-1675." A black and white U.S. map with a listing of Indian areas and Spanish expeditions and dates.
- "Exploration Routes and Trails, Spanish 1675-1811." A black and white U.S. map with a listing of Indian areas, forts, missions and Spanish expeditions in the southwest. Includes inset of Spanish Possessions in 1783.
- 96.15 "Treaties, Agreements and Land Cessions 1778-1909, Including Executive Orders and Memorandum, Eastern States." A black and white map of the eastern U.S. showing Indian lands and treaty dates.
- "Colonial Early California and Pueblo." A list of colonial treaties, agreements and land cessions 1613-1775, California Mexican and early state treaties 1836-1852 and Pueblo Spanish Land Grants 1687-1751.
- 96.16 "Treaties, Agreements and Land Cessions 1778-1909, Including Executive Orders and Memorandums." A black and white map of the western U.S. with a listing of tribes and treaty dates.
- 96.17 "Military Forts, Posts and Camps, Trans-Mississippi West." A black and white map of the western U.S. showing military establishments, including forts listed by state.
- 96.18 "Wars, Battles and Conflicts." A black and white map of the western U.S. showing the location of numerous Indian battles, including a list of Indian battles by state.
- 96.19 "Territorial Growth on Indian Lands 1800-1860, Showing Claims and Statehood Dates." A series of six illustrations showing the development of U.S. territory from 1810 to 1860.

Map Collection #3: U.S. and North America

- 96.20 "Territorial Growth on Indian Lands, Eastern States from Colonial Times to 1800." A series of three maps; 1775, 1790, 1800 showing U.S. territorial expansion. Also shown is a list of important dates and names.
- 96.21 "United States Prehistoric Indian Cultures." A series of four maps showing prehistoric cultural development in America from 5000 b.c. to 1300 a.d.
