Map Collection #8: World Maps

1. Western Hemisphere, North and South Americas. Routes of Braniff International Airways showing the cities stopped at and newly proposed routes. A colored 16" x 20" poster-type map. Drawer 8639
2. South America. A National Geographic Magazine map of that continent, 1937. A colored 25" x 36" map with four insets for airways, relief, resources, and one for the Galapagos Islands. (also, 1942 edition) Drawer 8600
3. Europe. A colored 26" x 32" map of pre-war Europe, 1935. The pre-war boundaries are clearly noted by varying color schemes. (The reverse side contains an 18" x 27" map of the world and the Heads of State of 59 countries, as of 1935). Drawer 8600
4. Europe. A National Broadcasting Company (WKY) map of the European Battle Areas. Published by Rand McNally. A colored, 19" x 26" map. (The reverse contains two smaller maps of the Pacific Theaters of War). Drawer 8639
5. Europe. A National Geographic Magazine map of the "Races of Europe." A colored 20" x 24" map. Badly torn and in poor condition. Drawer 8600
6. Europe. Double page map (from an Atlas) of Germania and Thracia with the old Roman spelling and boundary designations. Each map is colored and of 11" x 17" dimensions. An accompanying key is entitled Murray's Handy Classical Maps. Published in London. Drawer 8639
7. Italy. U. S. Army Engineers map, done in 1943. A large, 40" x 47" colored map with roads, towns, and terrain. Drawer 8600
8. England. A Literary Map prepared by L. L. Phelps at Yale, 1899. A colored 8" x 10" map published by Ginn & Company. (Printed on cardboard). Drawer 8639
9. Indian Ocean. A National Geographic Magazine map, 1941. A colored 24" x 31" map with distance figures, points of interest and prevailing current directions. Insets include the Philippines, New Zealand, Hong Kong and the Singapore Straits. (Three copies). Drawer 8600
10. Asia. National Geographic Magazine map, 1971. A multi-colored 31" x 35" map with ocean depths and inland altitudes given. Countries, capitals, and prominent features shown. One inset of New Guinea. The reverse contains a map of Southeast Asia including Viet Nam, Cambodia, Thailand, Laos, and Burma along with information about the varying types of people inhabiting each country. Drawer 8600 MISSING

Map Collection #8: World Maps

11. Southwest Pacific and Southeast Asia, 1944. A Friendship Press Publication. A brightly colored 19" x 30" map. Pacific Island groups are shown. The East Indies are the central features of this map. Drawer 8600
12. Pacific area, (Asia, Australia, North and South America). A colorful poster style map comparing the nature dwellings around the Pacific Area. This 14" x 22" map is reproduction of one of six mural-maps in Pacific House, In San Francisco from the Golden Gate International Exposition, 1940. Published by Pacific House. Drawer 8600
13. Pacific Area (Asia, Australia, North and South America). A colorful poster style map comparing the art forms of the Pacific Area. This 21" x 33" map is a reproduction of one of six mural-maps in Pacific House, in San Francisco from the Golden Gate International Exposition, 1940. Published by Pacific House. Drawer 8600
14. Philippine Islands. A 1900 Progress Map of the Signal Corps Telegraph Lines and Cables, directed by Brig. Gen. A. W. Greeley. A green and gray 20" x 42" map, from a Graham photo lithograph. Drawer 8600
15. China. A late 19th-early 20th Century map for the Board of Foreign Missions of the Presbyterian Church in the U.S.A. Published in New York. Very little interior listings, mostly coastal and border cities are shown. A green and white 22" x 27" map. (Torn). Drawer 8600
16. China. A series of seven black and white 7" x 8" maps showing the progression of Communist gains in China between the years 1945 through 1948. Drawer 8600
17. World. National Geographic Magazine map of 1941. Both hemispheres are shown in a global fashion, with curved longitudinal lines. Insets show the depths and heights of the world as well as its population density and different time zones. A colored 20" x 40" map. (Two copies) Drawer 8600
18. World; National Geographic Magazine map of 1943. A colored 24" x 39" map with prevailing winds and currents. Insets show the country alignments in the two world wars. (Two copies) Drawer 8600
19. World. A polar Projection (North). An Army Orientation Map Series No. 4, 1944. A grey and white 40" x 48" map with distances between points done in red. Drawer 8600
20. World. Army Orientation Map Series No. 2, 1944. A grey and white 36" x 61" map. An equatorial projection. Drawer 8600
21. World. 1620 map by Mercator entitled American Five India Nova. A colorful 18" x 24" global projection of North and South America, utilizing Latin terminology. A colorful

Map Collection #8: World Maps

- border with three circular insets, depict Haiti, Cuba, and the Gulf of Mexico. Reproduced by Penn Prints, New York. Drawer 8639
22. North and South America. A 17th Century map by William Blaeuw. A colorful map with Latin wording. Border insets depict the different types of Indians found in the Americas. An 18" x 24" Penn Prints of New York. Drawer 8639
 23. World. A 17th Century global map by N. Visscher. Four round insets surrounded by colorful figures of Mythology comprise this 18" x 24" map. The two larger circles contain the two hemispheres while the smaller two reveal the poles. Latin is the language of the print. A Penn Prints of New York. Drawer 8639
 24. Iraq. Distribution map of the tribes of Iraq, 1938. A 16" x 20" black and white map from the Field Museum of Natural History, Anthropological Series, Vol. 30. To accompany "The Anthropology of Iraq," by Henry Field. 1938. (An accompanying booklet of tribal names also present). No. A of two maps. Drawer 8639
 25. Iran. Map B. to accompany no. 24 above. Distribution of Tribes in Western Iran, by Henry Field. Same size and make-up of preceding map. Drawer 8639
 26. The Arctic Regions. A National Geographic Magazine map of the North Pole. Only a portion of the northern hemisphere is seen. A colored 18" x 19" map dates 1925. (torn) Drawer 8639
 27. Europe and the Near East. A National Geographic Magazine map, 1940. A multi-colored 32" x 38" map with an inset of Saudi Arabia. Drawer 8600
 28. Northern Europe. A National Geographic Magazine map of the Scandinavian countries and northern Germany and Poland, 1954. A multi-colored 28" x 34" map. Scotland and the Shetland Islands are shown in an inset. Drawer 8600
 29. "A Modern Pilgrim's Map of the British Isles" A National Geographic Magazine map, 1937. The "Shires" or counties are named and a decorative border shows prominent coats of arms and noted Britishers. A colored 28" x 34" map. Drawer 8600
 30. Map of Europe. A National Geographic Magazine map, "Showing Countries as Established by the Peace Conference at Paris," 1920. A colored 30" x 33" map. Drawer 8600
 31. Classical Lands of the Mediterranean. A National Geographic Magazine map, 1949. Italy and Greece are shown and historic significance of many spots are noted. A colored 20" x 30" map. Drawer 8600
 32. Bible Lands and the Cradle of Western Civilization. National Geographic Magazine map, 1946. Biblical points of interest and historical events are noted. A colored 21" x 31" map.

Map Collection #8: World Maps

Drawer 8600

33. 1956 version of the above map. (28" x 40") Drawer 8600
34. Mexico, Central America and West Indies. National Geographic map, 1939. 24" x 41" (Two copies) Drawer 8600
35. West Indies. A National Geographic Magazine map, 1954. Numerous insets show the main islands of the Bahamas, Virgins and West Indian islands. A colored 28" x 36" map. Drawer 8600
36. Eastern South America. A National Geographic Magazine map, 1955. Brazil, Paraguay, Uruguay and the Guianas are shown. A colored 28" x 39" map. Drawer 8600
37. Atlantic Ocean. A National Geographic Magazine map. 1939. Sea routes and historical information are noted. A colored 24" x 30" map. Drawer 8600
38. 1941 edition of the above map. Drawer 8600
39. 1955 edition of the above map. Drawer 8600
40. Africa and the Arabian Peninsula. A National Geographic Magazine map, 1950. Madagascar and the Mediterranean are also shown. An inset reveals the physical Africa. A colored 27" x 40" map. Drawer 8600
41. Northern Africa; A National Geographic Magazine map, 1954. A colored 28" x 40" map. Drawer 8600
42. The Far East. A National Geographic Magazine Map, 1952. From Japan to Sumatra, excluding India. A colored 27" x 39" map, with an inset of Korea. Drawer 8600
43. Southeast Asia. A National Geographic Magazine map, 1955. Includes all of the East Indies. Insets show Formosa and a comparison of size between the U.S. and Australia. A colored 27" x 33" map. Drawer 8600
44. China Coast and Korea. A National Geographic Magazine map, 1953. Manchuria, Japan and the Philippines are shown also. A colored 23" x 40" map. Drawer 8600
45. Australia. A National Geographic Magazine map, 1948. Insets show Tasmania and the metropolitan areas of Sydney and Melbourne. A colored 23" x 30" map. Drawer 8600
46. Pacific Ocean; A National Geographic Magazine map, 1936. Time zones and inset of all the principal island groups are shown. A colored 30" x 37" map. Drawer 8600

Map Collection #8: World Maps

47. Top of the World. A National Geographic Magazine map, 1949. Shows the northern hemisphere. A colored 27" x 28" map. Drawer 8600
48. The World. A National Geographic Magazine map, 1957. Prevailing currents, winds, time zones, and population density data are given. A colored 28" x 41" map. Drawer 8600
49. "Carte Agricole De L'Algerie." Undated French map of the northwestern African coast in the area of Algiers. Roads, cities, and trails are show. A colored 17" x 29" map. Drawer 8600
50. Stockholm. A "Tourist Traffic Society" map of the City. A colored 15" x 19" map with points of interest marked. Drawer 8639
51. Stockholm. A city map in the Swedish language "Staden Mellan Broarna samt del av Sodermalm." A colored 26" x 27" map with points of interest noted. Drawer 8600
52. Road Map of Northwest Africa. A coastal area map, extending from Oran to Agadir. Insets show Marrakech, the Casablanca area and the Agadir to Mogadir Road. Towns and roads are shown. A colored 37" x 42" map. From the Army Map Service, Washington, D. C., 1942. Drawer 8600
53. Burma, Thailand, Indochina and Malayan Federation. An example page from the gazetteer-Index. A colored 9" x 12" map. The reverse has a street guide to Fort Wayne, Indiana. Drawer 8639
54. World Hammond's Global Strategy Maps. A colored 19" x 28" map with sea lane mileage marked. No date. Drawer 8600
55. Canada and the Caribbean. Three small maps on a single page from Olney's School of Geography. New Brunswick and Nova Scotia are shown together in the upper left corner. Newfoundland occupies the upper right corner. The West Indies, Guatemala and parts of Mexico cover the lower half of the page. Dated 1844. Drawer 8639
56. Map of South America to Illustrate Olney's School of Geography. Dated 1844. A colored 8" x 10" map with square miles and population figures shown. Drawer 8639
57. Map of the World on a Globular Projection to Illustrate Olney's School of Geography. A double-page colored 12" x 19" map showing the poles and hemispheres. Drawer 8639
58. 17th Century Map of North and South America by William Blueu, reproduced by Penn Prints, No Date. No Scale. 20" x 26" Drawer 8639
59. Mexico. 19" x 30" three color map published by C. S. Hammond Co., 1916. Drawer 8600

Map Collection #8: World Maps

60. Mexico. 4" x 6" map. Two negatives of Mexico, no date. Drawer 8630
61. India and Ceylon. 16" x 12" full color map by Hammond Map Co., no date. (Two copies) Drawer 8639
62. Caribbean. 24" x 40" full color map of the southern U.S., Mexico, Central and South America. Insets of Puerto Rico, St. Thomas, St. Croix, Trinidad, Jamaica, Cuba and the Bahamas are shown. Printed by National Geographic, 1947. Drawer 8600
63. China Coast and Korea. 40" x 24" full color National Geographic map of Eastern China, Korea, and Japan, 1953. Drawer 8600
64. Africa and the Arabian Peninsula. 30" x 27" National Geographic map of Africa, Mid-east and southern Europe. Physical map of Africa shown as inset, 1950. Drawer 8600
65. Northern Hemisphere. North Polar Gnostic Project on map. A 20" x 24" yellow and blue fortune map, 1943. Drawer 8600
66. World Map. Full color 14" x 21" Rand McNally Map of the World, no date. Drawer 8639
67. South America. 20" x 29" full color map by Geographic Publishing Co. in 1941 for News Map Magazine. Drawer 8600
68. The World. 28" x 36" full color map of strategic areas including English Channel, Mediterranean, Europe, China, Japan, British Solomon Islands, Australia and New Zealand by the Geographic Publishing Co., 1942. Drawer 8600
