Rogers County Medical Society Collection

Rogers County Medical Society Collection. Records, 1915–1952. 1.33 feet.

Professional organization. Correspondence (1915–1916, 1936–1952); minutes (1943–1951); and printed material from the records of the secretary-treasurer of the Rogers County (Oklahoma) Medical Society, which became the Rogers-Mayes County Medical Society in 1950.

Arrangement:

This collection consists of the secretary-treasurer's records of the Rogers County Medical Society, for 1915-1916, and 1936-1952. The records were originally fastened into folders and the folders labeled by the secretary-treasurer. When the collection was put into acid-free folders, the original filing order was retained and a file folder list with the original headings was prepared.

In 1950, the Rogers County Medical Society merged with the Mayes County Medical Society, to become the Rogers-Mayes County Medical Society.
