**Young Men's Christian Association (YMCA) and  
Young Women's Christian Association (YWCA) Collection**

**Young Men's Christian Association (YMCA) and Young Women's Christian Association (YWCA) Collection. Records, ca. 1920–1955. 44 feet.**

Civic organizations. Activity, financial, and administrative records (1931–1948); and correspondence (1920–1950) of the University of Oklahoma branches of the YMCA and YWCA, along with bibliographies, scrapbooks, and clippings (1925–1950) relating to the organizations and their programs.

---

**About the Collection:**

The YMCA and the YWCA have been active on the University of Oklahoma campus for many years. The documents in this collection date from the 1900's to the mid 1950's. Correspondence with University of Oklahoma presidents, including W. B. Bizzell and G. L. Cross, is prevalent and there is a large amount of information on the segregation laws of Oklahoma and the Ada Lois Sipuel legal case that ended segregation at the University of Oklahoma. The bulk of the collection deals with the World War II era, including the postwar resettlement of refugees. They often worked with other aid organizations and other branches of the YMCA and YWCA across Oklahoma and the U.S. to help people in need. As service organizations, the YMCA and YWCA are helpful in making community concerns known, as well as in effecting changes to correct perceived problems in the community and across the country.
